Yesterday's game between New Bern and Durham was an interesting one in spite of its one sidedness.

It started out with every sign of being a sharp, close fight, but the idea of closeness was quickly dispelled in NewBern's second inning, when Laughlin opened up with a hit, Foster's hit being misplaced by the pitcher, Templin's drive to left field scoring both runners, Templin scoring on Symons hit

Durham's only run came in the eighth Symons easing up, Carr made hit, Soffel hit, Brucker walked, Carr scoring on out at second.

Handsome Street Costume. Gown Trimmed With Applique Taffeta,

A very handsome street costume made of blue cloth is shown below. The blouse waist is tucked, with slightly overlapping front and opens over a chemisette of white chiffon. The blouse sleeve is also

tucked and between the tucks is a trimming of applique taffeta of graduated size framed with crochet rings worked with dark blue Corticelli crochet silk. A similar garnitude appears on the panel front of the skirt, the latter being completed with a corded flounce, and above the flounce at the sides are more lengthwise tucks.

Picturesque effects are the rule and are in evidence on all sides, and flowered silks, flowered mousselines and gorgeous d parasols greet ti where. In fancy, at least, the pages of fashion have turned backward to the flower designs once so much in vogue. On the whole the trend of dress at the moment is toward greater elegance reaching out in all directions. The dainty mousselines in small patterns with wide and narrow borders of large flowers are in great demand.
