A Correction.

ED. JOURNAL.—I wish to correct a statement made by Mr. Green in Friday's issue in regard to myself.

He said I was not the choice of this township and that I knew it. This he had no right to say, for I did not know it, or I never for a moment would have thought of offering myself as a candidate for any office.

I would never ask support of any other township, knowing I could not get it in my own.

The vote of 1900, as we all know, was not a correct expression of the sentiment toward any candidate but was the result of that unfortunate division which got into our ranks at that time.

But in the opening of this campaign a number of those who were against me then were kind enough to volunteer their support in case I should be a candidate. This led me to believe that I could get the support of my people.

D. P. WHITFORD.

To the Voters of Craven County. Why Freeman S. Eruul is a candidate for sheriff. It is because he was endorsed by the executive committee of No. 1 and No. 3 townships. F. S. Eruul is the choice of the majority of the Democratic voters of the north side of Neuse river. Any office asked for by Nos. 1 and 3 townships was promised two years ago by the Democratic mass meeting held in the Court House in New Bern.

When we put Mr. Eruul out we believed he would be endorsed by the county, but this we find not. So we have only this to say to the voters of Craven County we believe we are entitled a place on the list of Craven officers. If we are not entitled to it, show our indebtedness and we will try to pay it. In conclusion we expect recognition as Democrats of Craven County.

BEAUTIFUL WOMEN WHO PRAISE PERUNA.

THREE BEAUTIFUL WOMEN

Worn Out And Nervous Regained Their Health And Beauty By Taking Peruna.

Miss Florence Allan, a beautiful Chicago girl, writes the following to Dr. S. B. Hartman concerning his cathartic tonic, Peruna:

"75 Walton Place, Chicago, Ill. "As a tonic for a worn-out system, Peruna stands at the head in my estimation. Its effects are truly wonderful in rejuvenating the entire system. I keep it on hand all the time, and never have that tired feeling, as a few doses always make me feel like a different woman."—Florence Allan.

Thousands of women suffer from systemic catarrh. This is sure to produce such symptoms as cold feet and hands, sick headache, palpitation of the heart and heavy feelings in the stomach.

Then begins a series of experiments. They take medicine for sick headache. They take medicine for nervous prostration, for palpitation of the heart, for dyspepsia. None of these medicines do any good because they do not reach the cause of the complaint.

Peruna at once mitigates all these symptoms by removing the cause. Systemic catarrh is the trouble. Systemic catarrh pervades the whole system, deranges every organ, weakens every function. No permanent cure can be expected until the systemic catarrh is removed.

This is exactly what Peruna will do. Miss Cullen Was Exhausted From Over Study.

Miss Rose Cullen, President of the Young Woman's Club, Butte, Montana, writes:

"921 Galena street, Butte, Mont. Peruna Medicine Co., Columbus, O.: Gentlemen—"Peruna has many friends in Butte. I cannot say too much in praise of it. While finishing school I became very nervous and exhausted from over-study. I was weak and sick, and could neither eat, sleep nor enjoy life. A couple bottles of Peruna put new life in me. I find by having it in the house and taking a dose off and on it keeps me in fine health. A large number of my friends place Peruna at the head of all medicines."—Rose Cullen.

Peruna is especially adapted to protecting against and curing nervous diseases of run-down women, as the testimony of Miss Cullen indicates.

Miss Blanche Myers, 3129 Penn street, Kansas City, Mo., has the following to say of Peruna:

"During each of the past four seasons I have caught a severe cold, when suddenly chilled after an evening party, and catarrh for several weeks would be the result. One bottle of Peruna cured me, and I shall not dread colds any more as I did."—Blanche Myers.

An excellent little treatise on "Health and Beauty," written especially for women, by Dr. Hartman, will be sent free to any address by The Peruna Medicine Co., of Columbus, Ohio.

ZORAH.

A Pleasant Picnic and Successful Enterprise.

Aug. 21.—Notwithstanding the inclemency of the weather on the morning of the 16th, our picnic was a complete success.

There was a large representation from the counties of Beaufort, Pitt, Onslow, Jones and Pamlico.

In the forenoon we had addresses by Superintendent Brinson and Miss Leah Jones. In a short but eloquent address Mr. Brinson compared the conditions of the Southern States with those of the North and East, showing clearly why the country districts should have more and better schools.

He then introduced Miss Jones, who took us into the schoolroom with the little ones and pictured them sitting hour after hour on straight back seats, with feet dangling above the floor, surrounded by bare unsealed walls trying to learn the lessons assigned them. A picture with which we are all too sadly familiar. She then told how our houses might be improved and beautified so that school life would become a pleasure to the child instead of being abhorred as is now sometimes the case.

The result was an organization for betterment of schools was perfected with Mrs. Grace Whitford president, and Mrs. Rosa Whitford secretary.

After a bounteous repast we had a very interesting game of ball between the Reelsboro team and what remained of the Zorah nine together with a few players of visiting clubs. The result was a shutout for the visitors, the home club scoring nine runs.

The Reelsboro boys played good ball but made a number of errors which allowed the score to be augmented considerably.

The game was umpired by Mr. Geo. B. Waters, Zorah's candidate for register of deeds.

Sheriff Biddle was also present and was cordially greeted by the many friends which he has at this place.

While some played ball others were hopping the light fantastic, and not being satisfied with the sports of the day they met at night and continued their amusement for some hours longer.
