THE NEED OF GUARDIANS.

The strange and unaccountable actions of people, who have previously is \$33,000,000 but this loss is only a temshown themselves rational in their lives, porary one, which cannot be regarded as together with the records of those who were always regarded as being in a dewhether mankind is not generally, instead of specifically, in need of a guard-Inn

Before the French Academy of Medicine, at Paris, a doctor recently read a being, the consumer, the strikers, and co-relation between the increase of in- separately connected with the coal sanity and crime and the general diffusion of knowledge.

pecially in its application today, when the mind is kept surcharged by diversified readings, conversations and sights, as demanded in the keeping up in the knowledge of the day, provoked dis-

orders, poisonous to the mind. The argument was further advanced by the Frenchman, that the abnormal actions made by persons, suddenly and without previous notice, proved that the natics, who individually, give no sign of lunacy, unless provoked by some condition, or combination of circumstances, which arouse the particular latent streak to some crime or deed, perfectly foreign to the previous conduct and life of the individual.

Of course most persons may never face conditions which peculiarly arouse into intense development the latent lu- Cheney for the last 15 years, and believe

am and Russellism. North Carolina Democracy must learn by the past, if it 'shall continue its supremacy, present and future.

cass of Populism, the making of Butle

In itself, if Democracy shall preserve the clean hand, the honest face, and con servative and dignified purpose of action it need not seek to force a following. But if it is not true to itself, to a real Democracy without flaw or taint, then will bulldozing, sneers and attempts to domineer, result in driving away those who neither want nor seek office but who 00 nevertheless do not propose to be driven to cast a ballot for men whom they do It can't help

not wish in office. BUT THE CONSUMER PAYS MOST.

At the end of the fourteenth week of the anthracite coal strike, the loss is es-

timated, in round numbers at forty six millions of dollars. The loss is made up in strikers wages \$16,600,000, employee not strikers, \$4,-200,000; loss to business men in and outside of the coal region, \$17,400,000; damage to mines and machinery \$6,500,000,

and the cost of maintaining soldiers, police and paying non-union workers. In addition to this it is estimated that

the loss in price of coal, to the operators fire.

However accepting all these losses gree not responsible for their deeds com the aggregate, making a round sum of mitted, often provokes the query as to \$80,000,000, the cost of the strike can be seen in all its enormity.

a real one.

There are actually three interests which must suffer the greatest on ac-Life Pills. Result,-all organs active, N. C. with \$10,000 capital. The incorcount of this anthracite strike, these paper, in which he sought to establish a the business men whose affairs are in- 25c at C. D. Bradham's.

region where the strike is going on. Of these, the first, the consumer, must

The contention was made by this pay the most, which means making French scientist, that education, es. good to the operators, their paper losses, by paying the operators a greatly higher price for their coal.

> The strikers come next, their loss being the wages, which would have come to them through their earning power, by work, and this loss can never

be made good, by future wages. The loss to the men doing business in and with the coal region, may in some measure be made good, if business conhuman race of today is one of latent lu- tinues good for several years to come. But it is the wholly innocent party, the consumer, who is the sufferer, without redress or chance of protest in the as tonic to the liver. W Scott, 531 Highmatter.

How's This?

We offer One Hundred Dollars Reward for any case of Catarrh that cannot be cured by Hall's Catarrh Cure.

F J CHENEY & CO. Toledo, O. We, the undersigned, have known F J Charlie (after acceptance)-Shall speak to your father now?

This preparation contains all of the digestants and digests all kinds of digestants and digests all kinds or food. It gives instant relief and never fails to cure. It allows you to eat all This to cure. It allows you to eat all the food you want. The most sensitive stomachs can take it. By its use many thousands of dyspeptics have been cured after everything else failed. It prevents formation of gas on the stom-sch, relieving all distress after eating. Dieting unnecessary. Pleasant to take.
