Profitable Melon Raising This Season.

Good Work of Daughters of Confederacy. Insane on Religion. Judicial Convention of Republicans. Ashe County Treasurer Suing Sheriff.

RALEIGH, Aug. 27.—The annual parade of the colored State Firemen's Association was held here this morning at 10 o'clock, and was in all respects creditable, more than 20 companies participating. The tournament began at 11 o'clock, at a point on the east side of the capitol square. The association rejected all its officers, J. B. Plummer of Warrenton being the president.

The Daughters of the Confederacy have expended during this year and last year \$800 in fitting up the Soldiers' home.

The insane man named Ryan who yesterday "wrangled" an oak tree in the capitol square and who last evening tore off all his clothing there and was arrested, was kept in the station house last night, but was released this morning. He met your correspondent in the capitol square and said, "Can you tell me the way to Heaven?" He was given a direction and departed. The man ought to be locked up.

It is asserted that the questions given the applicants for attorney's license to answer last Monday, by the Supreme Court were the hardest yet asked. Justice Cook, who prepared the questions said he was surprised at this, as the court thought the questions easy enough.

Ex-Gov. Russell left here early this morning for New York, saying he would not attend the Republican State Convention at Greensboro tomorrow. The Republican office holders of prominence here left for Greensboro today, to aid in managing the convention.

The Republicans held their judicial convention for this district here today in the office of ex-Congressman John Nichols. Each county was represented by a delegate. Judge W. S. O. Robinson of Goldsboro was renominated, and James D. Parker of Smithfield was renominated for solicitor.

The State superintendent of public instruction gives notice that first grade public school teachers certificate granted prior to July 1, 1901, ought not to be and will not be considered, particularly if granted at "private examinations."

The State superintendent finds that the treasurer of Ashe county reported \$2402 as on hand July 1, 1901. This year he did not report it, but said he never had possession of it, that the sheriff had not paid it over and that he was suing the sheriff to get it.

From the villages of Garner and Auburn, in two miles of each other, in this county, 150 car loads of cantaloupes and water melons, averaging 1250 each, have been shipped this season. The farmers find this so profitable that next year they will double their acreage. Many melons go to the Virginia and North Carolina mountains and piedmont regions.

A new school for negroes is being finished by the township school board here. It is the eighth public school in Raleigh and will accommodate 400 pupils.

Ernest Green, a son of ex-State Senator, A. C. Green, was nearly killed yesterday by an angry Jersey bull, at his home near here. Luckily the bull was dehorned. He rushed at Green, knocked him down and butted and trampled him until all came.

The argument in the Wilcox case in the supreme court, begun yesterday, was concluded today by E. F. Aydtlett for the defense.

It is decided that where money was asked for a school district to make its term four months, and that district has been consolidated, the money follows the district and goes to its credit. Otherwise, if not used, it must be returned to the State treasurer.

MAYSVILLE.

August 27.—We are having ideal weather now, clear and slightly cool. Our farmers have about completed their fodder pulling, and from the number of big stacks we see in the fields we judge that our farmers will not have to buy so much Western feed the coming year as they did the previous one.

Our tobacco men are feeling good over the good prices they are getting for the weed.

Cotton is opening very rapidly. Picking will begin in a few days.

Miss Annie Koonce will come up the last of this week to get ready to open school here. We understand that her next school here will be superior to her last one.

The next M. E. Quarterly meeting of Onslow circuit will be held here the first Saturday and Sunday in September. Mr. Koonce says that he will have the church in readiness by that time.

A great many of our citizens went to Trenton Monday to attend the County Convention. Mr. F. M. Jenkins (our man for Sheriff) was beaten in the nomination by a very close vote by Mr. Lon Taylor of Trenton. Frank is taking his defeat very easily. If some of the candidates had not withdrawn, he would have easily gotten the nomination. "A bad

POLLOCKSVILLE.

Close Base Ball Game. Talk of the Formation of a New County.

August 26.—Mrs. J. M. Rhodes, of Catherine Lake, is visiting her daughter, Mrs. Clara Cox, near here.

Miss Clara Simmons, one of Onslow's most charming daughters is visiting her cousin near here, Miss Carrie Simmons.

Miss Florence Kilpatrick of this place is visiting friends in Trenton this week.

Miss Julia Sanderson and Mrs. C. H. Bryan are visiting friends and relatives at Stella.

Mrs. Dr. C. J. Mattocks and Miss Ada Barry left last week to visit friends near Buffalo, Lithia Springs in Va., where they will spend the remainder of the summer.

Miss Flora Mattocks, of Swansboro, who has been visiting her relatives at this place and vicinity, left for her home last Friday.

Miss Bessie Holland who has been spending the summer with her uncle at Shelby, returned home last week. Miss Bessie is quite a favorite with us all, who gladly welcome her home again.

The Pollocksville and Trenton base ball teams played a close game at Trenton last Monday the 25th, with Tiedale as pitcher for the Pollocksville team and Whitaker for Trenton. The game was a very close and exciting one for eight innings, standing 4-4. Trenton won in the ninth by one score, 5 to 4. The game was witnessed by a crowd of about 150 people. After the game was over the Trenton team gave the visitors and visiting team an ice cream supper in the court house where the evening was passed very pleasantly by all in attendance.

The county ticket nominated Monday is considered very strong and one that reflects credit on the wisdom of the convention.

We hear that there is a move on foot to have a new county made by taking a part of this end of Jones county, a part of the White Oak end of Onslow and a part of the Stella end of Carteret, making Maysville the centre of the county site. The name proposed for the new county is Simmons, in honor of the Hon. F. M. Simmons, United States Senator from this district. We learn this will be one of the duties of the next legislature to consider this question which will, I am informed be presented by a petition of the people of these three counties.

REPUBLICAN STATE CONVENTION.

Hancock Delegation Gets Recognition. Proceedings of Convention and Committees Named.

Special to Journal. GREENSBORO, August 28.—The whitest Republican Convention ever held in North Carolina, met in the opera house here today at noon.

The Convention adjourned after listening to Senator Pritchard's speech, to meet at five o'clock, and a secret caucus of all the delegates was called to meet at three. In this caucus Senator Pritchard, Congressman Moody, Postmaster Reynolds, of Winston and others made impassioned speeches in support of the resolutions endorsing Thos. H. Hill for Chief Justice, and were as strongly supported by Warren, Wayne, Wilson, and Vance Counties, in each of these, Lily White, or Pritchard delegates were seated.

Hancock from Craven finally succeeded in shutting out completely all of the opposing delegation. In Rockingham County, both delegations were seated the vote being equally divided. In Union county the delegation of Postmaster Havy, or Pritchard faction was seated.

The convention met at five o'clock and after the report of the credential committee, Charles Price was named as permanent chairman and J. H. McNeill, Secretary. A platform committee was organized by Congressman Blackburn, Linney and others. The Pritchard men went out by adopting the resolutions endorsing Hill for Chief Justice, and declaring before the convention that no nominations be made of Associate Justices, leaving the power in the hands of the Executive Committee to take such action in the future as they deem best.

There was a hot fight in the Credential Committee up to the meeting of the convention, over the contested delegations from Halifax composed of Harry Skinner, E. M. Stewart, D. H. Abbott, C. P. Locke, C. A. Reynolds, Z. A. Sutton, Z. V. Walsler, A. H. Price, L. L. Jenkins, J. J. Butt.

D. A. Long, of Alamance may be nominated for Superintendent of Public Instruction.

When the convention assembled after supper, Seawell of Moore, offered a resolution endorsing Senator Pritchard and the records of Congressman Moody and Blackburn, which was unanimously adopted.

Assistant District Attorney Price, then offered a resolution agreed upon in caucus, endorsing T. H. Hill for Chief Justice, and leaving blank the nominations for Associate Justices, which was adopted without opposition.

D. A. Long, of Alamance, was nominated for Superintendent of Public Instruction, by R. W. Douglas, who in answer to an inquiry, vouched for his Republicanism, and he went through all right.

Assistant District Attorney Oscar Spears of Harnett, and "Ex-Judge" W. P. Bynum made speeches favoring D. H. Abbott for railroad commissioner, who was nominated by a rising vote.

E. W. Timberlake of Franklin, 4th district, W. S. O. B. Robinson, Wayne, 6th, H. F. Seawell, Moore, 8th, A. L. Coble, Iredell, 10th, H. R. Starbuck, Forsythe, 11th, R. H. McNeill, Ashe, 13th, O. B. F. Blythe, Henderson, 14th, C. D. Washburn, Madison, 15th, Bayliss Cade, Haywood, 16th, were nominated without opposition, for Judges of Superior Court.

Z. V. Walsler then reported resolutions of committee on platform which were adopted without opposition.

Ex-Judge W. P. Bynum of the committee on plan of organization, submitted amendments to party rules, tending to increase reports in district, State and county nominating conventions, so as to bring them closer to the people, and changing section six so as to leave no doubt about its construction and against that put upon it at Rural hall judicial convention. Adopted.

The members of the District Executive Committee were named as follows: 1st Geo. Buckman, Beaufort; 2nd, D. W. Patrick; Greene; 3rd, G. W. Hunt, Carteret; 4th, Claudius Dockery, Wake; 5th, W. T. O'Brien, Durham; 6th, W. D. Sutton, Bladen; 7th, W. A. Bailey, Davie; 8th, L. S. Blackburn, Wilkes; 9th, Thos.

Governor's Requisition Honored. Special to Journal. RALEIGH, Aug. 27.—Gov. Aycock tonight received a telegram from Gov. Crane of Massachusetts saying, "I honor your requisition for Monroe Rogers."

This is the negro charged with house burning in Durham county who it was alleged by certain persons in Massachusetts would be lynched if brought back to North Carolina. There has never been the least danger of lynching. He is not charged with a capital offense.

Republican Nominations. Special to Journal. GREENSBORO, N. C., Aug. 28.—R. H. McNeill of Ashe county, Senator Pritchard's private secretary was today named by the Republican Executive Committee for Judge of the 13th Judicial District, in place of Ham Turner, declined.

The Republican Convention of the 9th Congressional District was called to meet in Hokeory, September 4th, when all agree that Geo. B. Hiss, of Mecklenburg, will be nominated.

Winners in Peabody Scholarships Contest.

Check From Sale Swamp Lands. Republicans Indifferent on State Ticket. Colored Firemen's Tournament Successful. A Massachusetts Fannie.

RALEIGH, Aug. 28.—Today the winners in the competition for the three Peabody Scholarships from this State were announced. They are Arthur A. Smith of Sparta, Alleghany county; B. Robinson of Taylor's Bridge, Sampson county; Fannie B. Gardner of Reidsville, Rockingham county. Twenty-one applicants were examined. The showing some of them made was miserable, only 33 per cent.

Today the State board of education received a check for \$3600 from its agent, or the sale of swamp lands in Carteret, Tyrrell and Hyde counties.

It was very evident that the rank and file of the Republicans took no interest in the proceedings of their party's State convention. Some were heard to say that they did not care a penny for any election except the presidential.

The tournament of the State Firemen's Association here ended today. It was a success all the way through. Today there were horse wagon races, reel and grab contests and special feature races. The firemen won many compliments for their admirable behavior during the week.

The event of the tournament was the 100 yards reel race. Eight teams entered. Two from Wilson, one from Salisbury, Concord, Monroe, Statesville, Charlotte and Raleigh. Raleigh won in 39 seconds, Charlotte second in 43, Salisbury third, in 43. This race was for a prize. Three hundred yard reel race was for State championship, won by Wilson, time 67 seconds, there being four entries.

The board of inspectors of State institutions is thoroughly examining the hospital for the insane here.

President Winston of the Agricultural and Mechanical College here says work on the new dormitory, Watauga hall, though incomplete, is so far advanced that students can be quartered in it September 8. The college opens that day. The examinations for entrance will be held September 4th and 5th. He expects about 400 students. He expects work on Pullen hall to be completed by November.

There have been three lynchings in the State this year for rape. It seems impossible to stop them.

Officials here were not surprised at the decision of Gov. Crane of Massachusetts yesterday to honor Gov. Aycock's requisition for Monroe Rogers, the negro house-burner. One of the vehement opponents of the sending of Rogers to North Carolina was severely rebuked by Gov. Crane. This fanatic declared he would rather be shot by a Massachusetts officer than be trusted to the mercy of Gov. Aycock. Governor Crane stopped him there and forbade him to speak further.

It is said that the drought did as much damage to crops in part of Orange county as any where in the State.

Republican Nominations. Special to Journal. GREENSBORO, N. C., Aug. 28.—R. H. McNeill of Ashe county, Senator Pritchard's private secretary was today named by the Republican Executive Committee for Judge of the 13th Judicial District, in place of Ham Turner, declined.

The Republican Convention of the 9th Congressional District was called to meet in Hokeory, September 4th, when all agree that Geo. B. Hiss, of Mecklenburg, will be nominated.

A PRETTY POSTMISTRESS NARROWLY ESCAPES DEATH.

Was Given Up to Die--Eight Doctors Failed--Pe-ru-na Saved Her Life.

THOUSANDS of women suffer from systemic catarrh. This is sure to produce such symptoms as cold feet and hands, sick headache, palpitation of the heart and heavy feelings in the stomach.

Thon begins a series of experiments with medicine. They take medicine for sick headache. They take medicine for nervous prostration, for palpitation of the heart, for dyspepsia. None of these medicines do any good because they do not reach the cause of the complaint.

Peruna at once mitigates all these symptoms by removing the cause. Systemic catarrh is the trouble. Systemic catarrh pervades the whole system, deranges every organ, weakens every function. No permanent cure can be expected until the systemic catarrh is removed.

This is exactly what Peruna will do. Miss Alma Cox, Assistant Postmistress of Oram, S. C., writes: "I have been a great sufferer from chronic disease and dyspepsia for five years. How I suffered no tongue can tell. I tried eight or ten of the best physicians without receiving much benefit, also tried lots of patent medicines. But still I suffered with sick headache, cold feet and hands, palpitation of the heart, and such a heavy feeling in my stomach and chest. At times I would be so nervous I could not bear anyone around me. I had been given up to die."

"One day a friend sent me one of Dr. Hartman's pamphlets, and I decided to write to him. He advised Peruna and Manalin, and after taking the medicine two weeks I felt greatly relieved. My head did not pain me any more, and my stomach was relieved of its heavy feeling. I am so thankful that I can say after using several bottles of the Peruna and Manalin I am restored to perfect health."

"Before using your remedies I could not eat anything. I lived on barley water and Panopetin for two years. Now I can eat with pleasure. Everyone says I am looking like a rose. I would advise all suffering women to take your remedies. I know if it were not for Peruna and Manalin I would have been in my grave to-day. I cannot thank you enough for the kind advice you have given me."—MISS ALMA L. COX.

Senator M. C. Butler, ex-Governor of South Carolina, writes from Washington, D. C., the following: "I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period, and I feel very much relieved. It is indeed a wonderful medicine, and besides a great tonic."—M. C. Butler.

Peruna restores health in a normal way. Peruna puts right all the mucous membranes of the body, and in this way restores the functions of every organ.
