A RELIABLE DRY GOODS FIRM.

as & Hollowcil's Store Stocked with New Pall Goods.

It is a constant question to the ladies how to dress tastily and yet not expensively. Their quest may be easily satisfied by inspecting the new goods lately received by Simmons and Hollowell.

These gentlemen are leaders in styles and prices and have a very fine assortment of goods. They believe that the very best is none too good. Careful buyfancies of the New Bern women, they cater to the popular demand.

A special article in dress fabrics is Silk Pean de Crepe, somethink entirely sorts of fancy prices. new and is elegant for street or evening wear. It is goods heavier than Crepe de Chene and not so harsh as Peau de Sole allk.

They have other lines of fine dress goods which will be found satisfactory in every instance.

Miss Mamle Dawson in charge of the millinery department with Miss Jones, of Atlanta, with three assistants are kept busy preparing for their opening on Wednesday October 1st. There will headwear for women and children.

Superior Court.

In the Superior Court sitting in this city yesterday, the following cases were disposed of.

judgment was rendered for the plaintiff after the first day of October of this Tyree vs Old Dominion Steamship Co. inthe sum of \$125. Smith vs White and others, Smith ob-

tained judgment against Green and Young in the sums respectively, \$82.75 and \$82.50. Young became a plaintiff in the suit and obtained judgments against the defendants, Green and Young, for like amounts as Smith. The defendents said to be up the Trent. appealed to the Supreme Court. This is the case of Isaac H Smith and George H.

post master at Rock Mount, and who eventually went wrong. Several less important cases were heard during the day but the sessions

are dull and not very interesting to any butthose directly interested who are suing or being sued. The first case to come up this morning

will be White vs Railroad. This is a case growing out of an accident which happened last fall, when the train ran into Mr. White as he was crossing the road. killing his horse and wrecking his buggy Mr. White fortunately escaped any serious injury.

THE BROAD STREET GROCER.

J. R. Parker, Jr., Has The Esteem and Confidence of a Large Number of Customers.

There are grocers and grocers. Some one hardly dares trust, even to take his eyes from for an instant while making a and at a late hour they had not agreed purchase for fear that he may put sand on a verdict. in the sugar or dead flies in the dried currants.

AROUND AND ABOUT. Local dealers paid 81 to 81 cents for

botton yesterday. There were 25 bales sold here. Tasty and appropriate posters adver-

tising the Elks Fair are displayed in the store windows. The Choral Society will meet tonight

at 8.30 at the Armory. A full attendance of the society is desired. A good deal of seed cotton is being

brought to the city on boats, and sell ing and a long time knowledge of the for \$3.00 to \$3.25 per hundred weight. Chickens are exceedingly scarce just now on this market, unusually so for

the time of year, and they command all

The survey of the New Bern and Pam lico road has been completed and it is expected that the grading will be commenced in a few days.

Barge Keystone from Philadelphia is anchored at the government yard, Union point. She was towed into port by the tug Curtin, Capt. Hickman.

Tobacco was moving very brisk yester day. Several loads were seen coming in and the warehouse floors became well be found in their store all the up-to-date spotted. Big breaks are an tapis for Monday.

> The 'Confetti Man" will be on hand during Carnival Week, and he requests that "the old maids will control their anger, and not show their decayed teeth but to swallow the yellow ones."

The market men have agreed that year, they will not open their meat markets on Sunday's until after May 1st of next year.

The local fishermen, that is the hook que. and liners are having some good sport now catching chubs and other gamey fresh water fish. The best places is

The sun crossed the equinox yesterday and the usual rain fall occurred. White, who stood the bond of a colored The rain was just as welcome as if it had been any other old time for we were in need of rain badly.

Rev. F. D. Thomas, of Elberton, Ga., preached at the Presbyterian church Sunday. Many of his old friends were glad to greet and hear him. His sermon was an eloquent and masterly effort.

The farmers are bringing in a little fresh pork, which they engage to the consumers beforehand, to be delivered ot an appointed time, and which they easily dispose of for ten cents the pound.

The sessions of the Superior Court, which is sitting in this city, seems to ottract but little interest. Very few people attend unless they have suits pending, are witnesses, or expect to get on

the jury. The case of Gaskill vs the Old Dominion Steamship Co. occupied the court's attention all day yesterday. The case was given to the jury in the afternoon,

The summer tourists and pleasure seekers are returning home now daily.

But when you buy your groceries of For several months New Bern has J. R. Parker, Jr. you may be sure of mourned the absence of many of her getting reliable and wholeso me goods, brightest social stars, and will joyfully feature of their services. welcome their return, In anticipation of a large fall trade the merchants of New Bern are daily receiving vast additions to their stocks. Heavier stocks of both dry goods and groceries have perhaps been laid in by the merchants, than for several years. Mr. Henry R. Bryan, Jr., Chairman of the Democratic Executive Committee of Craven county was advised yesterday by Senator Simmons, State Chairman, that Science Churches the registration books for the November election will be open Oct. 2 and close Oct. 25.

ed of it.

A very large crowd of colored people came to town vesterday afternoon. They were of all ages and degrees. These people make a precarious living during the greater part of the year, but cotton picking time is their glory. After work ing the week they betake thomselves to town on Saturday to spend their earn-Coroner Inquest Held and The Verings, and yesterday was a great day with them. Their trade is of course on s very small scale, but as long as their nickels and dimes last, it is to say the The finding of the body of an infant east, very lively. in a lot on King street caused some sensation yesterday. However, the circum-

A large grist of disorderlies were before the municipal for justice yesterday and all paid fines and costs ranging from one to five dollars. One old woman, Lettice Cobell, who is so light fingered that she "jes' natchelly can't help stealin', boss," stole \$2.50 from a negro woman. She protested her innocence but the evidence was against her. She was sent to jail to await trial in Novembe. She is an old offender in this line and it is said by many who know her that she is a Kleptomaniac.

The side walks in this city are in a miserable condition, and unless repaired will make very uncomfortable walking when the fall and winter rains set in. If the city is unable to keep up these walks, then the citizens should take hold of the matter and everybody repair the walks in front of their property, if nothing else. The rain which began yesterday will get the walks and streets well slushed up against Carnival Week, A wag suggests that instead of transfers to transport the Elks around, that boats be used, as it would be more pictures-

Progress of Christian Science.

We now have a Christian Science Church in our city. The Society which has been doing its work quietly for several years has disbanded and a Church has been organized, to be known as First Church of Christ, Scientist, of New Bern N. C.

The Society consisted of seven loyal Scientists who have stood all tests brought to the work in its ploneer efforts, and when ready to form into a fruits New Bern can easily take the lead church organization, found twenty-one of any other town in the East. Apples, active workers to unite even more firmly

and faithfully, to establish the teachings sonable fruits at present, and no finer which they believe will free mortals from sin and sickness and eventually market. And best of all these fruits from death. The Society turned over to the Church

all its possessions-including money left in treasury, also furniture, pictures, organ, and a complete Library of Christian Science Literature, which is opened free, daily, to the public. All literature will be for sale here also.

Their very attractive and daintily furpaims, ferns and fall roses, were well filled last Sunday when a number came services, and to inangurate the Church movement established by them on Aug-

> ust 18th. Many lingered after the service at night to sing the beautiful hymns used by them, congregational
