The Woodcock. The food of the waodcock consists of | market yesterday at 8 85. worms, leeches and grubs, which the bird seeks by probing with its bill the earth of such swamps as contain them. There are miles and miles of wet swamp lands among our bills where the soil, composed of peat and decayed leaf mold, is too cold and sour to hold worms. Into such swamps the

woodcock near goes. The best woodcock ground is along the banks of woodland brooks that wind in and out through alder swamps, where the rich black mold is soft and full of worms and where the skunk cabbage and hellebore grow thick and broad leafed. Such places are the woodcock's dining rooms, and in them he leaves his sign manual, the oblong, almost triangular holes which dot each and every square foot of earth where a worm might possibly lurk .- Outing.

The Baggage Smasher's Wisdom. The other day an express wagon filled with trunks rattled up Broadway, and just opposite the postoffice a blg Saratoga slid off and came crashing down on the car tracks. Several people ran out from the sidewalk to rescue it, but the trunk proved to be empty, and there was little damage done, "Now, if that had been full," said one old gentleman to the expressman, "you'd have had a fine old stepped on a grape hull yesterday and time with it." "Hub," replied the bagdon't fall off by theirselves. You got to fling them off!"-New York Commercial Advertiser.

Elephants Run Amuck.

St. Petersburg, Oct. 6 .- A despatch from Nijni Novenrod states that a big herd of maltreated elephants in a circus at Rekitit made a break and enraged, ran amuck in the tent. The elephants attacked everybody in sight, killing twenty-eight people and wounding 63.

Scotch Miners on Strike.

Glasgow, Oct. '.-Several hundred miners in the United Collieries have store, struck. The cause is partly due to a reduction of wages, and a dispute between the two labor organizations.

THE BRADFIELD REGULATOR CO

THE CARNIVAL IS ON:

Remembered With Pleasure. The big show is on. The brass band announced the fact as it marched up Middle strest shortly after one o'clock g. Daniel yesterday afternoon. The space taken up by the tents had been a scene of great activity since Monday, but after the formal commencement the rush and huatle was twice as great.

Rueben

The crowd at the first day's performance was graiffying and the management have reason to expect that the remaining four days will see great crowds of visitors: The weather is all one canexpect or hope for. The days being pleasant, bright and cool, and the evenings filumined by the light of the

The shows are not all here yet, but there are enough to keep one's attention for a while. The merry-go-rounds, of course, are in full biast, affording endless pleasure and amusement to the lit-tle people. The snake enter and the wild man are holding large audiences. Then there are side attractions too nunerous to mention.

The attraction deserving of special mention is the bicycle riding by Merrs. Nich Nickols, of, New York, and Leonard Wilson, of Pittsburg. Both have won medals as riders and they do some wonderful riding. What is called the smallest track in the world is made of wooden pickets and placed in circular form. At the base the diameter will not exceed five feet the "track" rises from the ground at an angle of 80 degrees and, of course, the riding over such a course is hazardous and exciting. The show is well worth the admis-

Mr. Daniels recived a telegram from Mr. Layton that there would be five swell free shows on the Midway Wednesday afternoon. A balloon ascension will occur at one o'clock this after-There are nearly 1000 children attend- noon.

On account of the non arrival of mater yesterday with prices as high as has ial the eruption of Mount Pelee did not occur last night but will take place Thursday night and the second demon-Pamilico Court adjourned Tuesday for stration Friday night. Remember these the term.
