## RALEIGH.

### Unseasonable Weather And Cotton Crop Late.

Lodges of Odd Fellows. Inspection Buildings A. & M. College. Federal Convicts. Prominent Persons Marry. State Board Assessors.

RALEIGH, June 5.—The grand master of Odd Fellows will be here this week to visit the Raleigh lodges. A new lodge of this order was instituted yesterday at Gold Hill, Rowan county. There is a petition for a new lodge at East Durham. There are now 140 lodges, with 9,000 members, while in 1885 there were only 38, with 975 members.

Cotton growers say the unseasonable cool and cloudy weather is unfavorable for the young plants, as it is apt to give them a disease which they term "sore leg." A good deal of cotton is just now coming up. Some persons say it is the latest crop they have ever known.

The sub-committee of the Board of Agriculture inspected the buildings at the Agricultural and Mechanical College today, and will arrange, if possible, to finish the Pullen Hall as soon as September first. The floors of the building are laid. The summer school for teachers is to be held at the college from July 1st to August 1st, and it is desired to have part of the building ready for use then. Commissioner of Agriculture Patterson expects fine results from this summer school, which makes an entirely new departure along several lines.

There will be quite a batch of convicts to be sent from the Federal Court here to the penitentiary at Nashville, Tenn., as a result of the present term.

The State board of tax assessors are now out on a tour of the State, each taking about fifteen counties, for the purpose of conferring with local assessors. It seems to be pretty certain that there will be a large increase in tax valuations. For example, in Raleigh only one fourth of the work has been completed and the increase already is half a million. It is said by assessors that many persons do not list their mortgages. It is also said that not a tenth of the money on deposit, as shown by the bank reports, is given in for taxation.

At the Church of the Good Shepherd at 7 o'clock this evening, Mr. John Leftwich Barry, of Atlanta, and Miss Carolyn Carroll of Raleigh, were married. The bride is a daughter of the late Mr. O. J. Carroll. She was given away in marriage by her god-father Mr. Daniel E. Conklin of Baltimore. Miss Patti Carroll was maid of honor, and Miss Sadie Morris of Atlanta was bridesmaid. The best man was Mr. Eugene P. Barry of New York, a brother of the groom, and Mr. F. E. King of Atlanta was groomsmen. The ushers were brothers and brothers-in-law of the bride, these being J. C. Carroll, Robert Barry, W. P. Whitaker and L. A. Carr. Mr. and Mrs. Barry left on a night train for a wedding tour in which they will visit Old Point, New York and the coast of Maine.

Marriage Licenses Issued. The Register of Deeds of Craven County issued marriage licenses during the month of May to the following couples:

White—H. H. Hancock, Ida F. Blockford, Matthew McDaniel, Rosa Lee Henley, W. M. Jones, Laura Everington, James M. P. Joyner, Laura King, Luther Leacock, Miltie Dyer, Fuller Salter, Mamie Rouse, Paul Dillingham, Mary Lee. Colored—Shale Walker, Sophronia Williams, W. H. F. Johnson, Malvina Hodge, Jesse N. Gibbs, Alice J. Whitfield, Charles Spellman, Eliza Canaday, Joshua Davis, Victoria Williams, George Cogdell, Laurena Biont, James C. Cordan, Catherine Blount.

Kansas Flood. The following are the latest reports of the great flood in Kansas.

Drowned and burned—In Topeka, from 175 to 300; in Kansas City, estimated, 23 or less. Missing—In Topeka, 200; in Kansas City, figures not given. Homeless—In Topeka, 8000; in Kansas City, 10,000 or more. Property loss—In Topeka, \$2,000,000; in Kansas City and vicinity, \$25,000,000 to \$50,000,000. A dispatch from Kansas City says: "The food question is one of the most serious that is facing the city today. Aside from the canned goods supply it will not last longer than a day or two. No ice is available and the water works are shut down. The city is practically at the mercy of the first fire that may break out. Not a factory is working today; spring water is selling at five cents a gallon."

Jury Trial in Hawaii. An important decision, involving one of the rights of our island possessions has been handed down by the Supreme Court of the United States. It establishes the principle that the residents of the Hawaiian annexation are the residents of those islands, who are charged with crime, are not entitled to an indictment by a grand jury, nor is a unanimous verdict of a petit jury necessary to convict.

## Smashed Rural Mail Boxes.

Raleigh, June 4.—One of the interesting cases on the docket of the Federal Court here is from Sampson county and it is thought would be tried this week, but it goes over until next week. It is in regard to the smashing of four or five rural free delivery mail boxes. It is said that this act was the work of two drunken white men. Detectives have for some time been endeavoring to find out who broke a number of street mail boxes here in Raleigh. These were smashed several weeks ago, some of them were at prominent corners. As yet there seems to be no clue.

## Death of Capt. N. S. Moore.

The name above, tells of the oldest man that lived in Swansboro N. C. He was born about 83 years ago near this place and died on Wednesday the 27th day of May 1903 quietly at the home of his son in law, Capt. Cicero Davis in Swansboro N. C. where he had lived for the last 65 years, or more. Capt. Moore leaves three children, D. J. Moore one of our merchants, Mrs. Jenny Davis and Mrs. Rosa Monford, besides scores of friends and relatives to mourn his death. He had been in feeble health for two or three years, but kept up about until a few days before his death. He was a member of the Missionary Baptist Church and a master mason. The writer was a particular friend of Capt. Moore, was a school mate in years gone by, and was with him a few days before his death, and before taken down in his death sickness, and he talked lively and seemed in good spirits.

## In The Heart of Wilson.

Wilson Daily Times. A few days ago Mr. Dick Grantham purchased the old show ground. He sold the lower part of it on Homley Swamp to Mr. George Morgan who will locate a whiskey still thereon. On the upper part a negro preacher is erecting a tent to commence a revival. Between the two baseball games will be played this summer, as a side issue Mr. Parry Taylor will run his merry-go-round. It bids fair to be the most attractive part of the city.

## CASTORIA

For Infants and Children. The Kind You Have Always Bought Bears the Signature of *W. D. Hoagland*

## BLADES.

June 4.—The barge Charles G. Blades Capt. L. L. Davis, is again at this wharf to be loaded. Some wonder why Capt. Davis likes to load here, but there is a certain young lady in this place who has no cause to wonder.

Mr. and Mrs. W. E. Moore returned Sunday evening from visiting their people. A number of people from Neuse river mill spent Sunday afternoon at Mr. I. N. Howards.

Mr. and Mrs. G. A. Conner with their little son, Master Max spent the day at Mr. J. S. Morton's Sunday.

Mr. Culbreth a photographer of Morehead City who has been taking pictures here and at N. R. Mill has returned home to develop his negatives.

Miss Bertha Bell who has been attending school at the State Normal has returned home.

Mr. F. E. Dickinson of this place has the contract for the mail route between Blades and North Harlowe.

Miss Jimmie Sabiston of Stella who had control of Mrs. C. D. Morton's household while she was away visiting her people, has gone to New Bern. She will go from there to her home. Favor.

## Its Popularity Grows Daily.

Hon. Dan. Hugh McLean, of Dunn, N. C., writes: "It affords me great pleasure to bear testimony to the great merit of Worthington's Remedy. It has been on sale in our town for a long time, and its popularity grows daily, as our people become more familiar with its efficiency. Dr. Worthington was indeed a benefactor to all who suffer from bowel troubles."

## Commissioners Notice

Notice is hereby given that all persons are required to list their taxes with the list takers and assessors during the present month of June. All who fail to list during the month of June will be required to pay double taxes as required by law, unless a very satisfactory excuse is given. The commissioners have been compelled to adopt this rule, because of the large number of persons who fail to list their taxes at the proper time. This rule will be strictly enforced, except for good cause shown. It is also a misdemeanor to fail to list.

K. R. JONES, Chmn. Board of Commissioners, Craven County. June 3, 1903.

## HORSES, MULES, HORSES.

DR. EDWARD S. HALSTEAD, VETERINARY SURGEON AND ANIMAL MEDICINE SPECIALIST from Hereford, England, begs to inform the public generally that he will attend New Bern, N. C. at Mr. J. A. Jones' stables, MONDAY, JUNE 15th to Saturday June 20th, FOR TREATMENT OF LAME AND BLOK HORSES AND MULES and will remain six days only.

## COTTON ACREAGE LESS

But Tobacco Acreage Fifty Per Cent Larger.

Vacancies in Peabody Normal College Nashville. Were Paid Enough. Railroad Gossip. National Guard Encampment.

RALEIGH, June 4.—Inquiry is made of farmers and business men in this section regarding the cotton acreage, bring out the replies that less cotton has been planted. It is ascertained that there will be an increase of something like 50 per cent in the tobacco acreage this season. Last season's high prices were a great stimulant. The only fear expressed is that there will not be enough competition to maintain prices at a good figure.

The State Superintendent of Public Instruction announces that there will be seven vacancies this year in the Peabody Normal College at Nashville, Tenn. To be filled from North Carolina. The examination of applicants will be held in the various counties from which applications come, the dates of such examinations being July 16th and 17th, and they will be held by county superintendents. These seven scholarships will be for only one year, this is for the reason that after June 1904, there may be a different system of distributing the Peabody fund.

Not long ago the statement was made that the county superintendent of Haywood was paid only \$80 for last year. Some of the Southern Educational papers have had a good deal to say about this, and as a result of their comments, it seems that some of the Haywood county people became rather warm. The State superintendent today showed the report made to him by the county treasurer of the school fund, which showed that the superintendent was paid for 12 days at \$2.50 a day.

There are some rather plain features that the Raleigh and Cape Fear Railway will cross the Cape Fear River at Lillington and continue its course southward. Tomorrow the road will reach Lillington.

Officers and enlisted men of the National Guard of this State express a desire to know whether there will be encampments this year. This matter is now being taken up with the war department, the purpose of which is to have every guardsman in camp if possible. The State has not much available funds for this purpose.

## Harlowe and N. Harlowe.

June 4.—Master Clyde Morton went to Beaufort Tuesday to attend the Commencement.

Rev. F. H. M. Giles filled his regular appointment here last Sunday.

Mr. and Mrs. J. W. Hollis and little girl Myrtle of New Bern passed through last Saturday enroute to Wintrop, where they were going to visit their son Mr. Warren Hollis.

Mr. and Mrs. W. E. Mann who have been visiting their old home are again at their home at Blades Mill.

Mr. A. L. Becton and wife of Wintrop spent Sunday at Harlowe with Mr. W. F. Becton.

Messrs. O. Y. Bell and E. L. Crocker of Morehead City were visiting in our village on Friday last.

Miss Rosalind Mason who graduated at Louisville last week returned home Thursday.

Mr. and Mrs. J. H. Davis have been spending several days in Beaufort attending the Commencement of the St. Pauls School there.

John S. Morton and Joshua Adams Esqrs. went to New Bern Monday to join the meeting of the Commission and Magistrates to make the tax levy. Our truckers are now rushing their shipments of potatoes, beans etc.

## Wreck on Coast Line.

An excursion train on the Atlantic Coast Line, loaded with negroes, going to Columbia Wednesday, when near Wedgefield, S. C. ran into a washout caused by a cloudburst the night before. Conductor Clemmons was instantly killed as were four of the negroes, one being a woman, and 29 passengers were injured. Engineer Wilson was badly scalded but not seriously injured. A negro who saw the washout made a desperate effort to stop the train, waving a piece of red paper in his hand, but the engineer either did not see his signal or saw it to late.

## NOTICE!

The Summer Normal and Institute work for Colored Teachers in the Counties of Craven, Jones, Carteret, Hyde, Onslow and Pitt begins June 8th, 1903, at the Eastern N. C. Industrial Academy in the City of New Bern lasting for two weeks. All should avail themselves of the many advantages that will be given during these two weeks, as the desire of all interested in education is that teachers should continue to improve. Tuition 25 cts per week. Board can be secured at \$5.00 to \$6.00 per month. Teachers, Rev. A. L. E. Weeks, W. Geo. Avant, Wm. Sutton, and others. Hon. S. M. Erlanson, County Superintendent, will lecture from time to time. REV. WM. SUTTON, D. D., President.

## BAIL GRANTED.

And Ernest Haywood Walks Forth Free.

Applause Greets Judge's Decision. \$10,000 Bail Brothers and Cousins of Defendant Quickly Sign for \$75,000.

Special to Journal. RALEIGH, June 3.—At noon Judge Douglas and his associate Judge Walker announced their decision in the Ernest Haywood habeas corpus case.

Haywood was seated in midst of his three brothers, a number of cousins and all his attorneys, his face full of smiles and his expression that of satisfaction. Judge Douglas read the decision. "After careful consideration of all testimony and argument of counsel, we are of opinion that, as cases is presented to us under rule laid down in State against Herndon, 170 N. C., reports, petitioner is entitled to bail. It is therefore ordered and adjudged that petitioner, Ernest Haywood give bond with good and sufficient sureties in sum of ten thousand dollars conditioned as required by law for his appearance at next term of Superior court of Wake to answer indictment now pending against him, and upon approval of said secretary, sheriff will release petitioner from custody."

When the words "entitled to bail" were spoken there was some applause. Preparation was effected on the spot, the required oaths of justification being taken. The bond was really \$75,000, justifiable, Haywood's cousins and brothers being on it.

Alfred W. Haywood, Hubert Haywood and Edgar Haywood, \$10,000 each, Dr. F. J. Haywood, cousin, \$10,000, William M. Saunders, of Johnson county, Henry E. Litchford, Joseph F. Ferrell and W. Z. Blake \$10,000 each. As soon as decision was rendered several persons gathered around defendant and shook hands with him, many more did so after the bond had been prepared and Judge had directed sheriff to release him.

In a minute or two Haywood accompanied by his brothers walked to a carriage in front of the court house and was then driven along quiet streets to his home.

The next term of court at which Haywood will be tried is in July. Rev. Dr. Skinner, the venerable father of Ludlow Skinner was present when the decision was made and left court room a moment later.

## The Storm in Georgia.

Reports from the storm stricken district around Galveston Ga., brings the list upwards to a hundred and the wounded five hundred. Three hundred houses in that town were totally destroyed, leaving one thousand people homeless, many only saving their clothes on their persons.

The greatest loss of life was at the Galveston Cotton Mills, and most of their women and children.

At New Holland Springs and White Sulphur Springs the storm was also severe. At the former place 200 houses were destroyed, and 800 people are without shelter. The latter place which is a summer resort the destruction was complete.

Governor Terrill immediately issued an appeal to the public for relief for the sufferers, and money, tents and other stores are being rushed to the scene as quickly as possible.

## Mgr. Satolli Received.

Cardinal Satolli was received by the Pope Tuesday, with whom he discussed American and Philippine affairs. His holiness is much fatigued by the recent hot weather and all unnecessary audiences have been suspended. Only the high ecclesiastical dignitaries are now received.

## CHEMICAL ANALYSIS

Reveals That "Pe-ru-na is Calculated to Tone up the System, Restore the Functions and Procure Health." SO SAYS PROF. L. J. MILLER, CHEMIST.

Prof. L. J. Miller, late Professor of Chemistry and Botany of the High School of Ypsilanti, Mich., writes from 327 N. Clark Street, Chicago, Ill., as follows: "As several of my friends have spoken to me of the favorable results obtained through the use of Peruna, especially in cases of catarrh, I examined it most thoroughly to learn its contents. "I found it composed of extracts of herbs and barks of most valuable medicinal qualities combined with other ingredients, delicately balanced, calculated to tone up the system, restore the functions and procure health. "I consider Peruna one of the most skillfully and scientifically prepared medicines, which the public can use with safety and success."—PROF. L. J. MILLER.

## Strike of Textile Workers Complicated.

The strike of textile workers inaugurated Monday is virtually complete. Of the 550 plants which have not granted the demand for a fifty-five-hour week, there are not a half dozen in operation, and these are working short-handed.

In the Kensington district, where are located the majority of the mills, the number of idle hands is said to be more than 60,000. In other districts of the city there are at least 20,000 more, making the grand total of idlers 70,000.

## SKIN-TORTURED BABIES

And Tired, Fretted Mothers Find Comfort in Cuticura Soap and Ointment

## When All Other Remedies and Physicians Fail.

Instant relief and refreshing sleep for skin-tortured babies and rest for tired, fretted mothers in warm baths with Cuticura Soap, and gentle anointments with Cuticura Ointment, purest of emollient skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent Pills. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scalp humours, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other remedies and the best physicians fail.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin-cure and humour-remedies of the civilized world.

## "Builds up the System."

Hon. Joseph H. Ridgway, Secretary of the American Anti-Treat Society, writes the following letter from the Grand Central Hotel, St. Paul, Minn.: "It is with great pleasure that I endorse Peruna as an honest medicine, competent to do all its claims. I have used it several times and know of nothing that cures so completely, and at the same time builds up the system. "I have recommended it to a number of my friends and always feel that I do them a service for I know how satisfactory the results invariably are. I only wish every family had a bottle—it would save much sickness and doctor bills."—Joseph H. Ridgway.

## "Feel Better Than for Five Years."

Mr. James B. Taylor, Roberts, Ind., writes: "I am at the present time entirely well. I can eat anything I ever could. I took five bottles of Peruna, and feel better now than I have for five years. I have doctored with other doctors off and on for fifteen years, so I can recommend your medicine very highly for stomach troubles. I take great pleasure in thanking you for your free advice and Peruna."—James B. Taylor.

## "I Enjoy My Meals as I Used to."

Mr. J. W. Pritchard, Wolf Lake, Ind., writes: "I am pleased to say that I have been cured of catarrh of the stomach by Peruna. I could hardly eat anything that agreed with me. Before I would get half through my meal my stomach would fill with gas causing me much distress and unpleasant feelings for an hour or two after each meal. But, thanks to your Peruna, I am now completely cured, and can eat anything I want to without any of the distressing symptoms. I can now enjoy my meals as I used to do, and it is all due to Dr. Hartman and his wonderful medicine, Peruna.

"It has been one year since I was cured, and I am all O. K. yet, so I know I am cured."—J. W. Pritchard. Dyspepsia is a very common phase of summer catarrh. A remedy that will cure catarrh of one location will cure it anywhere. Peruna cures catarrh wherever located. That it is a prompt and permanent cure for catarrh of the stomach the above letters testify.

If you do not derive prompt and satisfactory results from the use of Peruna, a full statement of your case and he will be pleased to give you his valuable advice gratis. Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
