Dear Sir: Shuffert Hardware Co, Hickory, N C, bought a car-load of paint; after selling it a few months, found out it measured seven pints a "gallon."

Returned it to the maker and credited customers with what they had lost from short measure.

What do you think of a short-measure paint? Don't you think it half white-wash? Half the paint is part white-wash.

Go by the name, Devco lead-and-zinc. No whitening or clay in that; full measure besides. A gallon Devco is worth two of whitewash paint.

Yours truly F W Devco & Co. E W Smallwood sells our paint.

The interment took place in the family graveyard on the Dudley estate Monday afternoon.

VOICE OF THE PEOPLE.

Too Much Trust.

Mr Editor: I was at the meeting of the farmers and merchants at the Court House on Saturday last. I was very much impressed with the large number present and with the earnestness that was displayed.

It seems that there is practically only one buyer of tobacco in North Carolina, and they do suit themselves having no regard for any one, there was a time when there was numerous buyers of tobacco, but the American Tobacco Company has either bought them all up or put them out of business.

Now the remedy, and the only remedy is organization, that is what they have done, that is what you must do, but people say farmers will not pull together, well you must pull together or be crushed.

You can meet and pass resolutions but that does not amount to anything, in fact the big combinations want you to do this, they look upon it as a safety valve.

You gentlemen are now confronted with the Tobacco Trust, the Meat Trust, the Fertilizer Trust, the Cotton Trust, the Labor Trust and a host of others, now you must have a combine, a trust, or sink.

Nearly everything you buy is Trust made, you pay what they ask, you sell for what they give you.

SWANSBORO GLEANINGS.

August 21.—Mr David Foy and Robert Laroque of Mayville were in town last week taking in our breeze, they are new merchants of Mayville now.

Schooners Suse Bryant, Capt Bloodgood and Rosmer, Capt Marine, left here last Saturday for Little River S C, loaded with the saw mill fixtures of Mr. Theo. McGinn, who will put up his mill there.

Mr W E Ketcham and family formerly of Swansboro, have moved to Little River S C. Mr K will work as sawyer for Mr McGinn in his mill, Mr Robert Irvin of Carteret Co. goes with Mr McGinn as saw filer.

There will be a Rosette and Ice Cream party in Moore's Hall here, on Friday evening the 28th, Aug. 1903. Refreshments and music will be a part of programme.

Entertainment for the benefit of the Swansboro Institute, everybody is invited. A grand and good time expected, and for a good cause too, come.

Gen. Willis has been here moving the mill and fixtures of Mr McGinn, on board the vessels for Little River, S C. Mr Willis says he will go with the party to help put up the mill and while there, will visit the "tomb" of his great grand father, Capt Eden Morse, who died there.

Capt Morse was the first man that ever built a steam boat in this country, and his "hip yard" was at Little River, S C.

Rain! rain! rain! Fodder all ruined, cotton about to be wet, potatoes likely to rot in the ground, ground peas and field peas the same, tobacco gone to the "Trusts," nothing for the farmer but a mortgage on your mule for fertilizers not to say the interest on the money he has spent, so it goes on and on but the Trusts don't care a red cent.

The other day a man carried a load of chickens to Kinston to sell, also a coop of chickens for his wife, he first sold the chickens all but two large hens, he wanted more price for them, so didn't sell, carried his tobacco to the warehouse, the tobacco men took it, graded it to suit themselves, sold and etc. also to suit themselves. We guess when the man was told the tobacco lacked just 63 cents paying expenses, the poor farmer was non-plus ed, didn't know what to do, he did not bring any money with him, even if he had it to bring, the tobacco men wanted their money, that 63 cents had to come, so Mr man thought of his two hens unsold, went and sold them for 30c each, but that left two cents behind, luck would have it for the man once, his two hens had laid an egg apiece, they were sold for a penny each, the debt 63c, was paid and the poor farmer left Kinston, minus tobacco, chickens, eggs, money and very little to eat except what he brought with him from his home. How is that for a trust tobacco sale, and yet we have to pay as much for a pound of sorry tobacco now, as we ever did.

At her home on Bear Creek on Tuesday morning the 18th inst, Mrs Jane Riggs, widow of the late Isaac Riggs, in the 82nd year of her age. Her husband was a Confederate Soldier, in the 27th N C Reg't.

Miss Daisy Pittman and Mrs Maude Woodhull and little daughter Josie, who went to Oriental last week with the bridal party of Mr W F Midyett and wife Katie, came home last Thursday.

Mr G W Ward has given out going to Florida this year and will take a school somewhere provided he can get one to suit him. Don't all speak at once please!

Visitors' visitors, visitors, and no hotel yet!—Misses Lue, Maggie and Lizzie Ennett, Bedie Weeks, Izora Jones, Messrs Willie Weeks and Johnnie Jones of Cedar Point, and Mr Charlie Barker and wife and Orrin Weeks of Stella, were among our many visitors last and this week, but part of them had to go home at night because of no hotel here.

We were very sorry to learn of the death of little Margaret Paul, daughter of Rev. O. B. Paul and wife of Wilmington, late of Swansboro. She died with diphtheria some two weeks ago while on a visit to her grandmother near Harlowe Carteret Co. aged about four years.

We deeply sympathize with the stricken parents and kindred friends.

Mrs D. N. Farnell and children, who have been visiting here for three weeks, left for her home in Suffolk Va. last Friday. No other news at present, all well.

MAMIE.

BELLAIR.

August 2nd. Farmers resting all but their minds, but it is an enforced rest, mud too deep to work, saving fodder suspended.

Cotton shedding some but not damaged one third as some report.

We have had several days of protracted meeting, good audiences but no large visible results. Bro. Howard of New Bern came up and gave us five good stirring sermons.

Our pastor Bro. Parker being away, left Wednesday evening, he continued the service till Friday night and closed.

Misses Lizzie and Nora Pugh of Morrisville are visiting friends at Bellair.

Miss Maud Sumner of Grifton is also visiting in our vicinity.

Some sickness in the community but all reported better.

The recent rainfall was the heaviest in our place for ten years and there was nearly every day in August some rainfall.

It Saved His Life.

Hon. J. A. Oates, Mayor of Dunn, N. C., says: "I am sure Dr. Worthington's Remedy saved my life. It was prescribed for me in a very severe case of cramp colic by Dr. Armstrong, of the Confederate Army, in 1865, and it gave me instantaneous relief. Since that day I have used it continuously, and I think it the greatest remedy on earth, and should be kept in every home."

MAYSVILLE.

August 19.—So very much rain is damming to cotton and is delaying fodder pulling.

The extreme low price of tobacco is very discouraging to farmers. Many of them say they will not clear the expense of curing and marketing it.

The recent rains have flooded many streams to the extent that they are almost impassable.

Business is not as good now as has been, but is as good as could be expected.

No one on the sick list this week.

Mr C R Wilson and children who have been visiting friends and relatives at Magnolia and Winston, for three weeks returned home last week.

Mr C D Meadows of Kinston, was here last week soliciting life insurance, glad to see the old chap.

Mr and Mrs F M Jenkins accompanied by Misses Daming Koonce and Fannie Gerock left Monday for Richlands where they will spend a few weeks. We wish them a pleasant trip.

Never before has our little village been the scene of so much gaiety and genuine good times as it was last week. The weather was not at its best, but notwithstanding that fact, dozens of welcome visitors, from far and near, came in to spend the week among our hospitable and "company" loving people, who with their usual kindness and generosity made them feel quite at home.

The presence of the many young lady visitors seemed to awaken the old town to new life, and to bring about an air of entire satisfaction to everyone, as was evidenced by their beaming, smiling countenances, and by the extra "up-to-date" attire that were "put on," by our vast tribe of "Bachelors (De art.)" Even some of the most retired ones ventured forth "causing glances" but were very cautious. Among our host of visitors were:

Miss Bessie Hewitt from Richmond, Misses Barbara Andrews, Ruby and Betsy Foy and Esale Hargett from Kinston, Misses Lizzie and Zannie Koonce and Katie Hargett from Richlands, Miss Mary Cook from Lenoir, Miss Macy Weeks, from Stella, and Misses Lula and Minnie Malles from Powle.

Our picnic last Tuesday was an entire success. A large crowd was in attendance, and a good time was enjoyed by all. The one at Tabernacle Grove on Friday was a success also, and was attended by a large number of people and visitors.

Friday night a crowd of our young people and visitors, numbering forty-five enjoyed some royal fun in the way of a "hay ride," driving a distance of 5 miles into the country. The crowd was made up of an equal number of ladies and gentlemen, and were out for fun, and to make noise as doubtless some of the country people who lived near the road learned. It was the most enjoyable affair of the week. We would like to give a full account of it, but time and space will not permit us to say more. Any way, we will say, don't miss a hay ride unless you are ill.

The Mayville Supply Co., have received their fall line of suits ranging from \$7.50 to \$15.00. See them before purchasing a suit.

Don't forget the picnic at Mr P O Foy's, Thursday, August 27th.
