op crop will be very light. Picking has commenced in the eastern half of the State, and several tales have dready been placed on the market.

Tobacco cutting and curing is in full progress in the extreme north-centra counties, where the crop is generally air, although below average; elsewhere curing is practically over.

Sweet potatoes, as a rule, are good. Turnips, rutabagas and the secon crop of irish potatoes are up in all sec tions, except in the extreme west, and appear to look promising.

The general outlook for peanuts quite favorable; there are very few complaints of damaged fields, and the general reports show that the crop is fair and will be slightly below average.

Peas are generally good, and much cutting is being done for forage. Rains (in inches) for the week ending 8 a m Monday; Goldsboro 2.20; New Bern, 0.08; Raieigh, 1.13; Wilmisgton, a
