The moral of this is obvious. Not that the bargain seekers got caught, for a few profited through securing some goods. The agent suffered, and the local retail merchants while these outside offerers of bargains were here, had more or less demoralization in their trade, against such illegitmate compe tition.

Here is a scheme which has been work ed in various disguises from times since the merchant has been in business It is against such schemers, as well as those artful and delusive schemes of the trading stamp and the gift enterprise, Wrecks of ships are reported at numerthat local organization among legitimate retail merchants is so much needed so that the alarm can be given at once when the people of a city or town trip. are being solicited to buy something f ar of Mr W F Gilbert Monday night very below its cost, or being invelgled into nearly resulted in a bad fire. But for accepting some gift, which has some the assistance of neighbors the house condition attached to its acceptance, might have been destroyed. But little that means not merely loss to the purdamage was done. chaser, but injury to the fair and legitimate trade of the local merchant.

The local retail merchant who is ad-Dear Sirs:vertising in the home paper has the began selling paint throughout the South privilege of calling attention by warnsales have continued uninterrap.tedly, ing the people of such transactions, and and ten times greater than any other brand of paint. Read the following: a little publicity will soon frighten those who are invading territory for bus iness in a way illegitimate and inimical

to local business interests.

## WHO KNOWS COST OF WAR?

In the great wars of the last and previous centuries, the matter of cost has and wears longer than any other paint largely been estimated upon the basis of I have over used in my ten years erthe loss of lives, and the devastation of perfence." the country in which the battles took place, rather than upon the cost of the with war material used; the ammunition expended in powder, shot and shell, and gal military equipment.

to take into serious consideration this latter, the amount of ammunition that must be expended for must be expended, for upon the quality years with ot and efficacy of this depends the saving in lives and gain in victories.

sixteen years. Painted three hou In the Russian Japanese war the with it fifteen years ago; they have not needed painting since." cost is very great in lives, while is the destruction of property there has not been much said, probably after the was is concluded there will be figures or property lones.

It is of interest in this connection, o the cost, in money, of was, to note th
