The Exact Thing Required for Constipation. As a certain purgative and stomach purifier Chamberlain's Stomach and Liver Tablets seem to be the exact thing required, strong enough for the most robust, yet mild enough and safe for children, and without that terrible griping so common to most purgatives.

A SOUTHERN METROPOLIS.

Some Interesting Facts in Regard to the Quaint City of New Orleans.

The importance of New Orleans as a cotton market makes it an interesting city to all Southern farmers, who make a specialty of raising cotton.

The peculiar advantageous position of New Orleans, naturally makes it the Southern Metropolis. The nature of the men who constitute the business life of the city aided by this natural advantage have made that city the most prominent south of the Mason, and Dixon line.

We publish some paragraphs about that city, which will be of interest to all, especially to those who raise cotton:

The National Cotton Convention which will meet at Shreveport, La., Dec. 12th to 15th has before it a task, the surmounting of which is of supreme importance to the entire South—the eradication of the cotton boll weevil.

Ever since the opening of hostilities between Japan and Russia the interesting relation of rice to the endurance and stamina of the Japanese soldiers has been a subject for international discussion and later, official investigation, and it is doubtful if the food qualities of the product could have received more important notice or a notoriety more important to the South than through the present war in the East.

Winter racing at New Orleans for the season of 1904-05 was inaugurated Thanksgiving Day by the Crescent City Jockey Club. By Jan. 1st the rival New Orleans Racing Association will be in operation on a new course.

ARMY VS NAVY.

Tom C. Daniels Describes The Great Foot Ball Contest, of November 26th.

Before one of the largest crowds, composed of the society of the country, and diplomats of the old world, West Point defeated the team of Annapolis, at Franklin Field, Pa., Saturday, by a score of 11 to 0.

The game in itself was full of spectacular plays. The unique and great work of Tipton the great Army center in scoring the first touch-down for his side, the fine ground gaining of Doe and Torney, the great Army back. The fierce tackling of Captain Forly of the Navy, and Dorothy the Navy Back's great run through the Army line for 40 yards, kept everybody in fever heat.
