A SHORT SESSION.

The Memory of Representative Phipps Honored by Both Houses.

Special to Journal.

Raleigh, N. C., Feb. 9.—In the Senate petitions presented by many persons in Yadkin county...

A bill was introduced to incorporate the Beaufort & Western Railway.

Bills passed to prevent fraudulent trading, requiring names of traders to always be given.

Sensors Taylor and Long of Iredell were appointed committee to escort to Ashe county the remains of Representative Phipps.

Nothing done in House save to take action regarding death of Dr. W. C. Phipps, Representative from Watauga.

Resolutions of respect adopted.

Representatives Crisp, Young, Finny and Frizzell were appointed funeral escorts.

House adjourned out of respect to his memory holding over divorce bill until tomorrow.

Senate committee on railways reported favorably on Ward's bill giving newspapers right to make contracts with railways for transportation.

Henry A. London appeared before committee in behalf of the North Carolina Press Association stating under present law large papers had great advantage over country weeklies.

Favorable report agreed on for bill to prevent ticket and claim scalping of jury tickets and county elections.

Favorable report agreed on for the bill to establish State immigration bureau after speeches by State Immigration Commissioner Watson of South Carolina and Secretary Kaykendall of North Carolina Real Estate Association.

A STATEMENT SENT TO THE ASSEMBLY BY INMATES OF SOLDIERS HOME.

A Busy Day in Legislature. Many Bills Introduced in Both Houses.

The Interests of Craven County Well Represented.

Special to Journal.

Raleigh, Feby. 8.—In the Senate a statement was read signed by all the inmates of the Confederate Soldiers Home here, denying charges made by A. C. Smith in pamphlet form.

Bills were introduced to repay ex-estate treasurer W. H. Worth \$2,200 funds lost by the failure of the bank of New Hanover.

Providing for reduction of the rate of taxation.

Enlarging powers of the Corporation Commission regarding telegraph and telephone companies.

To authorize and direct a bond issue of half a million to equip the insane hospital and educational institutions with necessary buildings and other permanent improvements.

The State auditor estimates that revenue receipts will not be as large under the new revenue act as under the old one.

The bond issue provides for cutting off unpopular taxes such as those on merchants, purchasers, on dentists, physicians and others.

To pay witnesses in Magistrate's courts from other townships, the same fees as in superior courts.

The bill abolishing distilleries advanced came up with an unfavorable report. A motion to table defeated, 33 to 36. The bill was made special order for the 21st.

SWEET RURAL SIMPLICITY.

Characterizes the Production of the Play "Maud Muller."

Garden Truck can be raised profitably only in soil containing plenty of Potash.

A Mule's Won't Power.

The won't power of a mule was practically demonstrated in an amusing way on Middle street yesterday.

The load was nothing more than an ordinary lot but for some reason unknown to man the animal got "sot" and would not swerve.

The driver wanted to go south but the mule wouldn't go south and there was where trouble lay.

Several old time remedies for her balkiness were tried but all came to grief until at last a piece of canvass was thrown over her head and the ruse worked all right.

Like some people the animal apparently didn't care to see where it was going.

THE LAW IN FULL.

The Bill Authorizing the Sale of the Electric Light and Water Works Plant Now Before Legislature.

We publish herewith the text of the bill enabling the Board of Aldermen to sell the electric light and water works plant.

The measure is one which has awakened a great deal of interest and the public are entitled to know the purport of the law:

A Bill to be entitled an act to Provide For the Payment of the Indebtedness of the City of New Bern.

The General Assembly of North Carolina Do Enact:

Section 1. That the mayor and Board of Aldermen of the city of New Bern, have leave, authority and power, to bargain, sell and convey the water works system, sewerage system and electric system, upon such conditions and terms as they may deem advantageous to the said city: Provided, that said property shall not be sold for a less sum than the total cost of the same to the city, from the time of its purchase, construction, erection and establishment, to the date of sale; Provided further, that the money received from the sale of the property shall be first used to pay the bonded indebtedness of said city of New Bern; and then such other indebtedness of said city as may have been created or incurred in the purchase, construction, erection, establishment and maintenance of said property; and the balance, if any, paid to the treasurer for the use of said city.

Section 2. That the mayor and board of aldermen, for the purpose of exercising the power and authority granted in the preceding section of the act shall, subject to the provisions of said section have the power to contract, to bargain and sell and convey, and to give an option on said water works system; sewerage system and electric light system to any probable purchaser of the same, upon such terms and conditions as they may deem proper.

Section 3. That all laws and clauses of laws in conflict with this act are hereby repealed.

Section 4. That this act shall be in force from and after its ratification.

DEATH OF LEGISLATOR

Mr. W. P. Phipps, Member of House Succumbs To Pneumonia.

Maj. Gardner Elected Colonel of National Guards. Senator Odell's Pension Bill Approved. Cold Weather Fatal To Ducks.

Raleigh, Feby 9.—Dr. William P. Phipps, member of the House from Watauga, died at six o'clock this morning of pneumonia, after a very brief illness. He was in his seat Saturday, but for two or three days had been feeling unwell.

Saturday night pneumonia developed and quickly carried off. He was a native of Ashe county and was 43 years of age.

His wife came with him here at the opening of the session. He was a practicing physician and a man of considerable means. He was the largest man in the legislature, his weight being 270 pounds.

His body was embalmed today and this afternoon was taken to Marion, whence it will be carried to Boone, his home over the wild mountain roads.

Dr. Phipps was a Mason. In politics he was a Republican.

There has been received at the office of the Adjutant General a lot of correspondence on the subject of the election this week of a Colonel of the First Regiment of the National Guards.

Letters state that after Major J. T. Gardner had been announced as receiving 28 votes to 21 for Lieutenant Colonel Flannagan, the latter moved to make the election of Gardner unanimous by a rising vote and that all rose except Gardner himself.

There seems therefore to be no question of the election of Gardner.

Orders issued from the Adjutant General's office today give the date of the inspections of the National Guard, and also contain valuable information regarding discipline and kindred matters.

The joint committee of the Senate and House has reported favorably Senator O'Dell's bill to add \$100,000 to the present pension appropriation.

General William R. Cox, whose brigade fired the last volley at Appomattox is here and shows much interest in the celebration there April 9th, which he will attend.

Secretary Pearson of the Audubon Society had a report today from the game warden on Currituck Sound stating that the intense cold was causing the death of thousands of ducks.

The Sound is frozen with the exception of six holes where the ducks gather. They dive and come up under the ice and so are drowned. One man got 250 of the dead ducks and another 200.

Fred J. Cox is appointed assistant commissary general vice Westcott Roberson who is now on the staff of Gov. Glenn.

There was another great sleet here today, even larger than that on Monday, and a great many wires went down, all over the city as well as in the country.

Very little work has been done on the Raleigh & Pamlico Sound railway for two months. In fact less work has been done in an outdoor way in this section than ever before during a winter, farmers say.

A student at Shaw University colored developed smallpox and has been taken to the pest house.

Admiralty Proceedings.

On the Petition of Williams & Cooby, the Libellants in the Admiralty Proceeding against the Steam Tug "Sue" an Order was made and filed yesterday by Judge Purnell setting aside the first sale, and directing a new sale on ten days advertisement.

The objection to the first sale was that the Steamer brought far less than her actual value, and as a substantial evidence thereof the Petitioners offered to increase the bid \$125 over and above the price at which she was sold.

Hundreds of thousands of people use Hollister's Rocky Mountain Tea as a family tonic. If taken this month it will keep the family well all winter. If it fails get your money back. 35c per box.
