CONFEDERATE MEMORIAL DAY.

Wednesday, May 10th. Set Apart Throughout the State to Do Fallen Heroes Honor.

Wednesday is the day sacred to the memories of the Confederate Soldiers. We not only decorate the graves of fallen heroes, but we enshrine their memories in our hearts and recall their bravery and loyalty in song and story. Last but not least we place flowers on the graves to show, if but feebly, our love and gratitude for their sacrifice.

In view of the solemnity of the occasion, the merchants are asked to close their places of business during the exercises at Cedar Grove Cemetery at 4 o'clock Wednesday afternoon. Citizens are requested to refrain from decorating private graves. It is the one day set apart for the observance of this memorial and to that alone should the offerings of flowers be made.

RALEIGH.

Invitation to Governor to Attend New Bern

For New Jersey Unveiling. Leazar Literary Society Debate. Social Event. Killing Case. In Ball Game. Horse Dealers Tax.

Raleigh N. C. May 6.—The fifteenth annual debate by the Leazar Literary Society of the A. & M. College was held last night, the query being "Resolved that our government would be more successfully administered if instead of having permanent political parties the voters would divide each election on the issues of the year. G. P. Asbury for affirmative won the medal for the best oratory but the judges decided from the view point of the best argument the negative excelled. The speakers were: Affirmative—G. P. Asbury and S. W. Foster. Negative—W. F. Brock and J. P. Lovill. All four are of the 1905 class. The judges were Joseph Daniels, Rev. J. C. Masee and O. M. Gardner.

Governor Glenn is in receipt of handsomely engraved invitations to attend the ceremonies at New Bern May 18th for the unveiling of the monument to the Ninth New Jersey Volunteers. He will attend escorted by the Raleigh Light Infantry and accompanied by his personal staff and officers of the North Carolina National Guard.

One of the most brilliant social events of the season here was the reception last night by the Raleigh Womens Club held in the old Fayetteville street, the building recently leased by the state to be occupied by the state department of insurance. The officers of the society constituted the receiving party.

There was also held last night the regular post lenten ball by the Capital Club. The dancing was led by Mr. Graham Andrews and there were more than fifty couples who participated.

Raleigh's new board of aldermen held their first regular meeting last night and fixed the salaries of officers. An order was passed requiring the city attorney to attend the police justice court and act as prosecutor for the city. His salary was fixed at \$83 per month. The salary of the city tax collector was fixed \$125 per month. This office has heretofore carried a commission on collections.

Raleigh's new Mayor, Jas. I. Johnson is authorized to deliver an address before the Baptist Young Peoples Union of Tabernacle Church Sunday afternoon on "The Churches and The City Government."

Judge Fred Moore is to hear an application Tuesday for a writ of habeas corpus for Sam Yarbrough who is being held in Wake jail in default of a \$2,500 bond for the killing of Chas. Faison in Marks Creek township March 25th. The two men were playing baseball and became involved in a quarrel, the result being that Yarbrough knocked Faison in the head with a baseball bat. Faison died in the hospital here two weeks ago. The contention is that the ball required is excessive in that the fatal blow was struck in self defense.

The Memorial Day celebration here will have for its special feature an address on "Manly's Battery" by Col. W. L. Saunders of this city who was a member of the battery for some time.

State Treasurer B. R. Lacy is sending out urgent notices for all dealers in horses to pay the annual \$25 state tax before June 1st as the penalty for doing business without this license will be rigidly enforced.

Nan Patterson's Release Expected Monday.

New York, May 6.—While Nan Patterson is still ill and suffering from the effects of the strain at her trial it is said at the Tombs she is improved this morning. She was visited this morning by her father and her counsel. It is expected that the girl's release will be effected Monday.

Letter to Thomas Daniels.

New Bern, N. C.
Dear Sir: These facts from Leachman & Edelin, Grafton, W. Va. will be useful to you.

A customer-painted his house last with the paint they were selling them—they thought it first-rate; it cost them 5 cents a gallon more than ours—look 18 gallons.

They sold him 18 gallons of Devco for same house; he used only 11; returned 5, saved about \$30.

If this is the way Devco is going to work, there oughtn't to be much difficulty in selling it.

This is only half of the story. The other half is in the wear. A third half is the reason for both; all paint goes further and wears longer than part paint, true paint than false paint; full-measure than short-measure. A fourth half is the cost of painting, which goes by the gallon. It costs a third more to paint 18 gallons, than 11.

Yours truly,
F. W. LEVON & CO.

Without Potash no fertilizer is complete, and failure will follow its use. SAFE CRACKERS WANTED

By South Carolina Authorities. Requisition on Governor Glenn.

Raleigh, May 6.—Solicitor J. K. Henry of the Sixth Judicial District of South Carolina appeared before Governor Glenn this morning and asked that requisitions be granted for "Connecticut Shorty" and "Missouri Charlie" the two noted safe crackers who were arrested at Wadeboro recently. They are wanted in South Carolina, especially for the robbery of the Heath Mercantile Banking Co., at Heath Springs. J. T. Bennett of Wadeboro was here as counsel for the two prisoners and insisted that the Governor did not have the right to honor the requisition from South Carolina when they are held under a warrant for the violation of the laws of North Carolina, (the charge of carrying concealed weapons). Attorney General Gilmer was called into conference with Governor Glenn in connection with the question of law that was raised and the Governor still has the matter under advisement, decision to be announced tomorrow. Solicitor Henry says they have a regular, open and shut case against the burglars in the finding of marked money and other articles on their persons that were taken from the Heath Bank. R. R. Ray, Secretary and Treasurer of the McAden Cotton Mills and C. F. Mason, as counsel for the company, attended the hearing in the executive office with a view to gathering any evidence they could that would connect the two prisoners with the robbery of the safe in the office of the company at McAdenville. However Mr. Mason informs me that there were no developments in this direction.

LOST GIRLS FOUND.

Twin Sisters Disappear From Home and Cause Anxiety.

New Military Companies to Be Organized. Wake County Taxes Accounted For. Serious Accident to Prominent Farmer.

Raleigh, May 8.—Three days ago in Marks Creek township, six miles from Raleigh twin sisters, Ida and Pearl Ray disappeared from their home and no trace of them was discovered until last night, when they were found at Apex, two miles hence. They are four years old, and were found in a barn, where they had been two days, food being carried to them by two twin brothers, Ralph and James Moore, who are about the same age. The two girls, it seems were punished at home for some trivial misconduct and started out, they say to drown themselves in a pond about a half mile from the home of their parents. They met the twin brothers and told them they were on their way to drown themselves, and the boys began to dissuade them with the result that they induced them to run away instead. It develops that a number of the children in the neighborhood knew where the twins were, but kept their secret faithfully to save them from further punishment they feared they would receive at home.

Blanks have been forwarded from the office of the Adjutant General of the North Carolina National Guard here to Louisburg and High Point for the purpose of organizing military companies there for admission into the National Guard. The Louisburg company is to come into the Third Regiment.

Sheriff Page of Wake county has just settled for all County and State taxes with the county commissioners and makes the remarkable record of having collected 98 15.16 per cent of all the taxes State and County. It is not believed that such a close collection has ever been made by a sheriff in the State before. The entire amount charged against the sheriff was \$177,498.43 and the amount turned over as collected by the sheriff was \$172,827.02. The allowance for insolvents and delinquents was \$4,671.47.

Amos Thomas, a well known farmer who lives near Raleigh lies in a critical condition at Rex Hospital suffering from injuries received in a runaway here yesterday. He was driving on Edenton street when his horse became frightened, he was thrown from the vehicle, entangled in the lines and dragged more than a square. The most serious injury was a concussion on the right side of the head which it is feared will prove fatal.

AN ESSAY ON THE NEWSPAPER.

Princeton Record.

In a little country school not far from Princeton literary exercises are regularly indulged in every afternoon. A 11-year old read an original essay on "The Newspaper."

The latter-day youthful Solomon treats his subject thusly: "Newspapers are sheets of paper on which stuff is printed. The men look over the paper to see if their names is in it, and the women use it to put it on the shelves and such. I don't know how newspapers came into the world. I don't think God does. The Bible says nothing about editors, and I never heard of one being in Heaven. I guess the editors are the missing link them fellows talk about. The first editor I ever heard of was the fellow who wrote up the flood. He has been here ever since. For it seems that editors never die. At least I never saw a dead one. Sometimes the paper dies, and then the people feel glad, but someone starts it up again. Editors never went to school, because they never got licked. Our paper is a mighty poor one, but we take it so ma can use it on our pantry shelves. Our editor don't amount to much, but paw says he had a poor chance when he was a boy. He goes without underclothes in winter, wears no socks, and has a wife to support him. Paw hasn't paid his subscription in five years, and don't intend to."

THE NEW BROOM

It Sweeps Up Some Crumbs From The Police Court Floor.

Mayor F. T. Patterson held his first three o'clock police levee yesterday. He had before him some familiar faces and the disorderly docket seemed to be overloaded. Moreover in some of the evidence it developed that there had been some drinking and the natural question of the unsophisticated citizen was "how come."

Rodin and Lizzie Agent were disorderly Friday night. But in consequence of their good behavior for some time back their fines were put at one dollar each and costs.

James Jarvis was disorderly to the extent of engaging in a fight with his wife. Judgment was suspended on the payment of costs.

James Wilder and William Bryan, both disorderly on account of fighting. They were fined one dollar and costs.

HANDS CRACKED AND PEELED

Suffered for One Year—Water Caused Agony, Heat Intense Pain—Grew Worse Under Doctors—Could Not Do Any Housework.

ANOTHER WONDERFUL CURE BY CUTICURA

"About a year ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my housework. If I put my hands in water, I was in agony for hours; and if I tried to cook over the stove, the heat caused intense pain. I consulted a doctor, but his prescriptions were utterly useless. I gave him up and tried another, but without the least satisfaction. About six weeks ago I got my first relief when I purchased Cuticura Soap and Ointment. After using them for a week, I found to my great delight that my hands were beginning to feel much better, the deep cracks began to heal up and stop running, and to-day my hands are entirely well, the one case of Cuticura Soap and one box of Cuticura Ointment being all that I used. (signed) Mrs. Minnie Drew, 18 Dana St., Roxbury Mass."

CORNER STONE CEREMONY.

Impressive Services Held at The New Methodist Church Yesterday.

The ceremony in connection with the corner stone of the new Methodist church were held last evening at half past four and a very pretty and appropriate service was observed. It is generally held that the laying of the corner stone is the first ceremony in connection with the building of a church or any public structure; the weather and other conditions interfered at the proper time of laying the corner stone last year and it was to hold the services after the church was finished.

The first of the services were conducted inside the building and consisted of song by choir, prayer by Rev. E. H. Davis, presiding elder of the district, song by choir, scripture reading by Rev. G. T. Adams, song by choir.

The congregation then adjourned to the front of the building where the following articles were placed in the box: Bible donated by G. N. Ennett. Book of Discipline published in 1854, given by Miss Manie Hay. Coin, dated 1845, by Prof. Craven. Names of several children members of a Sunday School class. Report of 18th Annual meeting of Women's Home Missionary Society. Report of 28th Annual Meeting of Womens Foreign Missionary Society. Card of Mrs. J. H. Brittingham and others.

Names of citizens. Names of children on the "baby roll" of Home Missionary Society. A bible map. A photograph of Dr. Mann formerly a pastor of the church, given by A. E. Hibbard.

Sealed envelope from Citizens Bank containing names of T. A. Green and others. Women's Home Missionary Report. Copy of paper "Our Homes." Sealed envelope containing names of J. A. Meadows and others. Sealed envelope from Mrs. J. A. Meadows. Historical Sketch from Joe K. Willis. Historical Sketch of new church building.

Womens Missionary Advocate (paper) given by Miss Lizzie Hancock. Copy of Raleigh Christian Advocate. Copy of Epworth Era given by T. W. Crowder.

Photograph of Rev. R. L. Bumpas, given by Mrs. J. T. H. Moore. Card with names of Mrs. N. W. Jones and others. Copy of New Bern Journal. Twenty-five cent piece by Mr. Johnson.
