SENSIBLE WILMINGTON.

For a few days last week, the people of the city of Wilmington in this State of North Carolina, created the impression upon the outside world that they could and would tear up local affairs, in their struggle over a municipal election. And the outside world for a few days had the impression that Wilmington would repeat the scenes at Warsaw or at Chicago, that its people were of an incendiary caliber, quick trigger and rapid-fire-to-kill-kind.

But while no stronger advocates and defenders of personal rights and liberties can be found, than these same Wilmingtonians, there is a vast difference between the little pyrotechnic political display of last week, and the real uprising, in a matter of constitutional rights.

In the whole local excitement which held public attention for a few days, there was to be noted the steady, conservative undercurrent among the citizens, which at the decisive moment came forth, and the excitement was over at once, and without any disturbance of law or order, every municipal matter was quietly settled, and the local government went along without a jar to break its regular affairs.

WATER POWER DEVELOPMENT.
(Chicago News.)
There was a time when industry was largely dependent upon water power. The disadvantage under which productive enterprise labored then was that the manufacturing plants had to be located upon the banks of streams furnishing the power. With the introduction of coal and steam, which made it possible to establish plants at more convenient and easily accessible points, the value of water power began to diminish. Electricity, however, has wrought a marvelous change in this respect and has increased greatly the value and utility of river currents as a motive force. Not only can the energy of the flowing stream now be transformed into electrical energy, but it can be transmitted to the places where it can be applied with the best results. There is one instance in California where the electric current developed from water power is carried more than one hundred miles.

Within the last decade, naturally, there has been a scramble among private interests for valuable water power privileges and in too many instances the public's right in these have been ruthlessly surrendered to corporations along with other valuable franchise privileges. Nearly all the water power rights along the Pacific coast, for example, are already in the possession of private companies holding franchises for long terms of years. At present there is a contest for the control of the power which the falls of Niagara are capable of developing. The legislature of New York State is rife with scandal at the present time over the attempted despoliation of Niagara, which now seems likely to be accomplished.

RAPID PROGRESS IN THE SOUTH.
(New York Times.)
There is an enormous amount of undeveloped resources in the South which will ultimately yield to energy, care and intelligence very profitable returns. The progress that has been made in the past forty years is but proof of the far greater progress that can and will be made. If we try to measure the actual contrast between the south of 1860 and the south of today we can understand roughly at least what the future holds in store. It is one of the wonders of commercial history, and the material resources combined with the good moral forces of the people, both so amply demonstrated, give solid security for an advancement still more remarkable.

HAS STOOD THE TEST 25 YEARS
The old, original GROVES' Tasteless Chill Tonic. You know what you are taking. It is iron and quinine in a tasteless form.
The funeral of Gen. Fitzhugh Lee at Richmond was the most imposing held in the South since the reinterment of Jefferson Davis.

Deafness Cannot Be Cured.
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When the tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; in cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We offer One Hundred Dollars Reward for any case of catarrh that cannot be cured by Halls Catarrh Cure. Send for circulars free.
F. J. CHENEY & CO., Toledo, O.
Sold by all Druggists, 75c.
Take Hall's Family Pills for constipation.

Terrific Race With Death.
"Death was fast approaching," writes Ralph F. Fernandez of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect that in three days I felt like a new man, and today I am cured of all my troubles." Unsuspected by all druggists; price 50c.

Death of a Child.
Thelma M. infant daughter of Mr. Foster Eastwood died yesterday. Funeral services will be held at the home of the father this morning at 10 o'clock. Rev. T. M. N. George will conduct the service.

**GRAND LODGE
ODD FELLOWS**

Three Linkers Meet in Annual Convale.

State Chemical Society To Meet in Raleigh.
Appointments to Industrial Parliament at Washington Withheld.
Program Issued for Educational Rally Day.
Raleigh, May 9.—At a meeting of the North Carolina Educational Campaign Committee held last night, Gov. Glenn, Dr. Chas. D. McIver, State Superintendent Joyner and Secretary R. D. W. Conner participating, a program was outlined for the Rally Day to be held in Greensboro June 10th, in connection with the North Carolina Teachers Assembly. It was decided that the principal addresses will be delivered by Governor Glenn and ex-Governor Aycock. Plans were also formulated for the prosecution of a vigorous summer campaign along educational lines. Dr. McIver says the Assembly at Greensboro this year is sure to be the largest and most successful ever held in the State.

The North Carolina Grand Lodge of Odd Fellows convened in this city this afternoon and will hold sessions Wednesday, Thursday and Friday. The reports of officers show that the past year has been an exceptionally prosperous one—a net gain of over twelve hundred in membership and an increase of over \$1.50 per member in the money raised, more than \$20,000 being expended in a relief fund. The Orphans Home better equipped than ever before. More new lodges were formed the past year than ever before in North Carolina. The grand officers are Henry E. Biggs, Scotland Neck, grand master; Thos. M. Stephens, Durham, grand warden; E. H. Woodell, Raleigh, grand secretary; R. J. Jones, Wilmington, grand treasurer.

Grand Secretary John C. Drewry, of the North Carolina Grand Lodge of Masons, says there is every assurance that the growth of the order in this State for the current year will break all records for the general growth of the order. The close of the first six months of the year finds over 1,000 new members already added and five new lodges established and four defunct ones reinstated.

The spring meeting of the North Carolina section of the American Chemical Society will meet in this city Friday and Saturday of this week and there will be in attendance chemists from all the colleges in the State and a number of others.

Governor Glenn has had under consideration for several days the appointment of delegates to the Southern Industrial Parliament at Washington May 25th. Today he received from the Governor of Alabama a telegram to the effect that he will not send delegates for the reason that he does not regard the parliament as worth of participation by the business interests of the Southern State. In consequence of this the matter of appointments by Governor Glenn will be held up until his excellency opportunity to investigate thoroughly.

Saved By Dynamite.
Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes, a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray, of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for Consumption, Coughs and Colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and La Grippe. At all drug stores, price 50c and \$1.00; guaranteed. Trial bottle free.

Complaint has formally been made by Japan, on account of the attitude of France toward Russia.

How to Ward off Old Age.
The most successful way of warding off the approach of old age is to maintain a vigorous digestion. This can be done by eating only food suited to your age and occupation, and when a disorder of the stomach appears take a dose of Chamberlain's Stomach and Liver Tablets to correct it. If you have a weak stomach or are troubled with indigestion, you will find these Tablets to be just what you need. For sale by Davis' Pharmacy and F. S. Duffy.

The conditions of the Chicago strike are still unsettled and more riots are feared.
If in a kind of bilious mood, You wish an aid to digest food, No other pill is half so good As DeWitt's Little Early Risers. When ever you feel impending ill, And need a magic little pill, No other one will fill the bill Like DeWitt's Little Early Risers.

Death of a Child.
Thelma M. infant daughter of Mr. Foster Eastwood died yesterday. Funeral services will be held at the home of the father this morning at 10 o'clock. Rev. T. M. N. George will conduct the service.

Supreme Court Opinions.

Special to Journal.
Raleigh, N. C. May 9.—Opinions handed down as follows by Supreme court today:

Rees vs Spoke Co. from Guilford per curiam, affirmed.
Carter vs Railroad from Guilford, per curiam, affirmed.
Hilton vs Cotton Mills, from Catawba appeal dismissed by consent.
Bost vs Cotton Mill, from Catawba, per curiam, affirmed.
Manufacturing Co. vs Moore, from Caldwell, affirmed per curiam. Robert vs Rober s, from Caldwell, per curiam affirmed.

ACCEPTED CALL.

New Pastor For First Baptist Church, This City.
Elizabeth City Economist; 8th.
Rev. W. A. Ayers, who has been pastor of Blackwell Memorial Baptist church, of this city, since shortly after its completion, has accepted a call to the First Baptist church, of New Bern and will leave his new field within thirty days. His formal resignation, while it was not wholly a surprise, was heard with manifest regret.
He is regarded by all as one of the strongest advocates of christianity and among the most energetic church workers that has ever ministered in this city and his departure will be a decided loss to the Baptist denomination of this city.

Death of Washington Duke.
Washington Duke, the founder of the great tobacco house of Durham died after several weeks illness Monday afternoon. He was in his 85th year but notwithstanding his advanced age was vigorous and energetic until an unfortunate accident crippled him a few weeks ago and he had been a sufferer ever since.
Mr. Duke has amassed a large fortune and had made his name a family word. He was a man of sterling integrity and was beloved by all people whether they were personally acquainted with him or not. His generosity extended into the millions and there is scarcely an institution of the Methodist Church in State that has not been his beneficiary. One of his special benefactions was Trinity College of Durham. To this school he has given over \$1,000,000 and he has taken great pride in its growth and prosperity.
Upon the announcement of his death Monday the factories of Durham closed as did also the business houses yesterday, all remaining closed until after the funeral which occurs at 11 o'clock today. He was identified with many business concerns in Durham.

Electing and Banquet.
The regular annual meeting of New Bern Chapter Royal Arch Masons was held Monday night, May 8, at which the following officers were elected for the ensuing year:
T. A. Green, H. P. Dr. J. F. Rhem, K. J. W. Stewart, Scribe; C. D. Bradham, Treas; James Redmond, Secretary; H. B. Smith, C of H; J. C. Green P. E.; F. M. Hahn, R. A. C.; W. T. Hill, 3 V.; J. E. Warren 2 V.; S. R. Street, 1 V. Needham Case, Sentinel.

Cleared For Action.
When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the blooming of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At all drug stores 25c.

A Merry Company.
A merry company of ladies and gentlemen left on the mail train for Dover yesterday morning where they joined a large party of young people going to Richlands over the Dover and South-bound Railway where a Brunswick stew and picnic was held under the direction of Dover people.
Those who went from New Bern, were Mr and Mrs. F. H. Scott, Mrs. L. J. Taylor, Misses Edith Taylor, Daisy Edwards, Lillian and Helen Hines, Mrs. W. P. Marshall and Miss Bertha Bell of Pollockville.

Creeping Death.
Blood poison creeps up towards the heart causing death. J. E. Stearns, Belle Plain, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Backlin's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at all drug stores.

Original Letter.

The following is the original letter sent out by a resident of Pamlico county to Governor Herrick of Ohio, asking for confirmation or denial of the lurid tale it unfolds. This letter was published in the Columbus Dispatch, and has been copied by many other papers and given a wide circulation:
Florence, Pamlico Co., N. C., April 12th.
Hon. Mr. Herrick, Governor of Ohio:
Dear Sir: Recently one, Rev. Mr. S. B. Stephens, a Frenchman who resided in your State about two years, preached in the eastern part of this State and made an assertion which I doubt. He said that he saw a man burning in the State of Ohio and was told by the people of that community that this man had been burning four days and he, with his own eyes watched him burn one hour and a half, or 90 minutes, and the heat which issued from him was so intense, they could not get near him. There was also great cracks in the earth, caused by the extreme heat. All vegetation near him was killed, except one stalk of corn, which this man named Jesus Christ and had gone out on one clear day, about 9 o'clock with his corn sickle, and made this assertion: "I am going to cut Jesus Christ (using an appropriate epithet) off the face of the earth." The man told him (Mr. Stephens) that they were looking at the man when he raised his sickle and they heard something like thunder in the elements, and saw as it were a streak of lightning or fire come down upon the man, which set him on fire. After he left the place he was told that the man burned three days longer before the fire went out. Then a hole was dug near him and they pushed him in and covered him.
I have branded this as a lie and Mr. Stephens, who is yet preaching in this State had employed lawyers to enter suit against me. He says he can prove the assertions he has made concerning the burning man.
I want you to please do me a favor to make a legal statement, accompanied with your State seal, about the truthfulness of this assertion, that I may have it to present in court as a defense. Hoping to hear from you without delay, I remain. Yours truly,

TO AILING WOMEN.

A Little Sound Advice Will Help Many a Sufferer in New Bern.
No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.
When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys are better, and health will return when the kidneys are well. Let a New Bern woman tell you about Doan's Kidney Pills.
Mrs. N. Vincent, widow, living at 103 Craven street says:
"Doan's Kidney Pills have been very beneficial to me. They certainly relieved me of very disagreeable pains in my back from which I suffered for a long time. I obtained them at Bradham's Pharmacy and I must say they proved to be a good remedy in my case."
For sale by all dealers. Price 50c a box.—Foster-Milburn Co., Buffalo, N. Y. sole agents for the U. S.
Remember the name,—Doan's—and take no other.

Chamberlain's Cough Remedy.
"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Davis' Pharmacy and F. S. Duffy.

Terrific massacres of Jews in Southwestern Russia are reported to be in progress.

American Cotton Manufacturer's Association opened in Nashville, Tenn., yesterday.

A Good Suggestion.
Mr. C. B. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pain in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Davis' Pharmacy and F. S. Duffy.

Died.
In Beaufort, N. C., May 2nd, 1905, Melissa Arthur, after years of deep suffering. The deceased, though not mentally endowed, possessed rare traits of character, being strictly honest, truthful, industrious, and untiring in her devotion to the sick, with whom she lived eighteen years. We feel that none could fill her place in our home.
Years ago she was converted under the ministry of Rev. F. S. Becton and to the best of her ability she served her Master to the end.
Friend after friend departs,
Who has not lost a friend;
There is no union here of hearts,
That finds not here an end.
J. M. C.

TO CURE A COLD IN ONE DAY.
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure.
E. W. Grove's signature on each box 25c.

The town of Flora, Miss., was destroyed by fire Tuesday morning.

Ancient witchery was believed in by only a few but the true merit of DeWitt's Which Head Salve is known by every one who has used it for baldness, itching, dandruff and greyness.

Harlowe and N. Harlowe.
May 10th.
Today is dedication day and quite a number of our people are off for New Bern as they get cheaper railroad rates.
Mr. J. C. Long came in from Witt last week, spent a few days with his family and was greeted by his many friends and returned Monday by the way of Beaufort to Witt to continue his work for the Messrs. Potters.
Mr. Joshua Adams was in New Bern on business Saturday.
Miss Elliott of Newport, sister of J. H. Elliott, came over last week and will spend a short time with him.
Mrs. Jane Hanners who has been at Newport for six weeks visiting relatives came home Sunday.
Mr. and Mrs. H. W. Bell and children were here from Croatan last Saturday and returned Sunday after making a short visit to his sister, Mrs. Jessie G. Taylor.
Mr. J. H. Davis of Beaufort, was here to spend Sunday night and next day with his son, Mr. Harry Davis.
Mrs. C. W. Bell of New Bern, who has been spending a short while with her daughter, Mrs. Anna Taylor, returned home via Havelock last Sunday.
Mr. Chas. Banks and family, of Pollockville, who have been on a few days visit to Mrs. Bank's parents, Mr. and Mrs. Morris McDaniel, left for their home Monday.
Mr. J. H. Davis spent Monday on Bogue Sound, near Morehead City.
Mrs. W. F. Taylor, who has been on a visit to relatives at Newport returned home Sunday.
Dr. C. N. Mason is still kept on the go, he was at Merrimon yesterday to attend a child of Mr. Dula Salter.
Mrs. D. G. Bell, who was again called home on account of her mother's condition last Friday was able to return home yesterday, Mrs. Bell, her mother, being better.
Messrs J. R. Bell, W. N. Bell and Charlie Ward are off for New Bern today, either to attend to business or attend the memorial.
Messrs Barlowe and Morton, our merchants and mill men of North Harlowe are in New Bern today.
