Raleigh, June 3.—The legislative com mittee on the code which is now known as the Revisal of 1905, ended session today here, having met with the Code Commission. All the members of the committee were present, Senator Zolli-ceffer being the chairman and the other members A. W. Graham and J. T. Redwine. These accepted the code, finding everything alright. The Commission s about ready to turn over the copy to he public printers, Uzzell and Comsany, the contract having been author ized. It is expected that the work will

be done by August. Last night revenue officers made raid near Pocomoke and captured two illicit distilleries. One operator was or hand, but he fled. The stills were taken

Top of Head Covered with Scales Which Peeled off Taking Hair with Them.

CURED BY CUTICURA

Now Six Years Old with Thick Hair and Clean Scalp. Cure Permanent.

"My baby was six weeks old when the top of her head became covered with thick scales, which would peel and come off, taking the hair with it. It would soon form again and be as bad as before. My doctor said it was Eczema, and prescribed an ointment, which did no good. I then tried Cutiwhich did no good. I then tried Cuti-cura Soap and Ointment. I washed her head in warm water and Cuticura Soap and gently combed the scales off. They did not come back and her hair grew out fine and thick. She is now a year and a half old, and has no trace of Eczema."
