Wonderful Change in One Night. in a Month Face Was Clean as Ever.

"I was troubled with eczema on the face for five months, during which time I was in the care of physicians, My face was in such a condition that I could not go out. The first night after I washed my face with futicura Soap and used Cuticura Ointment and Cuticura Resolvent it changed wonderfully, and continuing the treatment it removed all scales and scabs. From that day I was able to go out, and in a morth my face was as clean as ever."
