STRONG CHARGE TO J. U. 10.35.

Judge Jones Delivers a Clear and Emphatic Message to the Grand Jury.

The fall term of Superior court for the trial of criminal cases began yesterday with Judge K. B. Jones of Winston-Salem on the bench. As was announced in the Sunday issue of the Journal there are but few cases of special importance and the docket has about the usual number of cases to be disposed of.

Following are the names of members of the Grand Jury:

W. B. Pearce, foreman; E. Z. R. Davis, L. F. Hearn, J. R. Wiley, G. T. Winfield, Wm. Phillips, W. L. Robinson, F. S. Lancaster, F. F. Matthews, E. W. Byn, R. Y. Powell, F. Castet, LeRoy Davis, C. H. Duggan, M. M. McKeel, D. L. Price, H. B. Willis, Levi Humphrey.

Judge Jones charge was clear and emphatic on the points of the law that in his view were most necessary in this court and at this time. Particularly strong were his instructions regarding the recent lynching. He urged the members to leave no effort untried that would bring one of the guilty participants to justice. He laid especial emphasis on the heinousness of the crime and while deploring the fearful crime that the negro had committed, it was plain that two wrongs did not make a right and said that the act of lynching was a wanton violation of the law or must not be allowed to escape punishment.

As to the illicit sale of liquor, the judge said that he heard that there were plenty of instances known as "blind tigers" around here; that he devoted upon them as a jury to bring in a true bill against all persons on whom there was any tangible evidence of violation of the law.

Another crime that he was more than ordinarily severe on, was that of gambling especially that phase known as dealing in cotton futures. He said that the gentleman who went around on Sunday with a silk hat and wearing a Prince Albert coat and who on week days gambled in cotton futures was no better in the eyes of the law than the negro who played "craps." In fact, he was worse, for the cotton future gambler was in a position to know that he is breaking the law and does it wilfully and wantonly, while the negro may not be possessed of the knowledge that he is committing a wrong against the State. He said that the cotton gambler may argue that he is doing no wrong, he does commit wrong because he corrupts the moral atmosphere and sets a pernicious example.

Other crimes were given due consideration and the usual instructions about the penal and charitable institutions of the county were given. The judge was complimented by the members of the bar and by citizens who heard his able, clear and fearless charge.

Following are the cases passed upon:

State vs Alvin Adams, carrying concealed weapons, not guilty. This is the case where the defendant was arrested with a fine assortment of pistols that wouldn't shoot and knives that wouldn't cut on his person.

State vs Austin Hill, assault with deadly weapon, guilty.

State vs Isaac Evans and Lee Mack for affray. Both were found guilty; Evans sentenced to pay \$15.00 and half the costs; Mack to pay \$5.00 and half the costs.

State vs Tom Carter, assault with deadly weapon; \$5.00 and costs.

There were a number of cases for selling liquor without a license but in most of them "No true bill" was returned.

DIRECTORS CHANGED

And Work Made Rapid on R. & P. R. R.

Neither Atlantic Coast Line or Standard Oil Said to be Interested. True Bill for Secret Assault Against Policeman Rogers.

Special to Journal:

Raleigh, Sept. 30.—Several weeks ago your correspondent heard that the Raleigh and Pamlico Sound railway had been or would be taken over by a new company, headed by Ohio capitalists, and went to officers of the road to find out if it were true, denial was made.

In a special interview all the facts regarding the road were ascertained. There is a re-organization of Directors Edward B. Barbee, John C. Derry, Dr. Croker and Mr. Thomas, retiring, Clarence O. Haines, of New York, Adam Tredwell and Ferguson Reid, of Norfolk and Samuel Bragaw of Washington, succeeding them. Haines is elected President, Tredwell Secretary and Treasurer. The latter is a native of North Carolina. It is ascertained officially there is no idea of making any further changes, the purpose is to build into Washington more rapidly, at the same time it is announced if proper inducements are held out, the road will be extended, from Washington to New Bern. A corps of surveyors is in the field on latter route. John W. Stewart who has had much experience has left Atchison, Topeka and Santa Fe road to become chief engineer of the road.

A most positive denial is made that the Atlantic Coast Line or Standard Oil Company has anything to do with the road. There is great desire along the route for an independent line. The management will foster this in every way. The grand jury today rendered a true bill for secret assault against policeman Isaac W. Rogers for shooting United States Deputy Marshal John C. Dockery. The trial will probably be held next week. Rogers had stated that he did not think a true bill would be returned.

Successful Revival Meetings.

The revivals at the First Baptist church under the direction of Rev. J. M. Haymore are developing a great deal of interest and the audiences are large. The people appear to be greatly moved by the preachers sermons as he has much power. Eighteen people have professed conversion and have been baptized and daily and one or more are being added. The members of the church are helping their pastor and the revivalist by their presence.

Cottage prayer meetings are held at 10 o'clock in the morning and bible meetings at 3:30 in the afternoon. The regular preaching service 7:30 at night.

The meeting will continue during this week and it is expected that the interest manifested to so great an extent in the past week will be more than doubled.

The Corinne Runkel Co.

The Corinne Runkel Stock Company commenced a week of engagements at the opera house last night with the production of the pretty Southern melodrama, "Little Tampa." The selection was good and the company made a distinct hit. Each member had a distinctive feature that made the play itself especially enjoyable.

The star, Miss Runkel is a pretty and graceful actress and has much to do with the success of the shows. She has splendid support and we do not hesitate to tell the public that the company are more than they claim to be.

Their specialties are clever and scarcely less enjoyable than their bill. They make good throughout.

Tonight the interesting and thrilling nautical drama, The Stowaway, will be played.

Election on Dispensary or Saloon Quite Probable

Death Confederate Veteran. \$63,000 to R. F. D. Carriers. Rainfall Light. Appeals From Sixth District. Weather Forces Cotton Open.

Raleigh, Oct. 2.—It appears to be the belief of the ex-liquor men here that the Supreme Court will decide that there must be an election on the dispensary or saloon question. A member of the board of aldermen said this would cost the city \$500 and all for nothing, as the dispensary was certain to win by a big majority. The liquor men of course think the other way and will spend money like water to carry their point.

The governor was advised today of the death of B. T. Wilfong, a member of the board of agriculture from Catawba, he was a Confederate veteran and lost one arm in service.

P. O. Master Bailey today paid off rural free delivery carriers about 1,050 in number, the amount paid being \$63,000.

State Auditor Dixon has gone to Yancey Co., to make a series of addresses.

The weather bureau says the total rainfall at Raleigh during September was on 1.43 inches. Mr. Thiessen, the Observer, says the rain-maker of the department is on a strike, like the Charlotte printers.

The Supreme Court is devoting this week to appeals from the sixth district.

Cotton is opening so rapidly that one of the largest growers says that if two weeks of dry weather come all will be picked and put out of the way.

In Memoriam.

Friends of Miss Lillian M. Piver, regret very much to learn of her very sudden death which occurred at her home, in Camden, N. J., Sept. 26. She is well remembered here, being the daughter of Elijah Piver, a well known merchant of our city about 12 years ago.

Although quite young while living in New Bern, she led far to be just what she was a devoted christian, true friend and loved by all who knew her.

The deceased leaves a mother, father, sister and brother, who have our heartfelt sympathy in this their sad hour of bereavement.

Weep not, she is at rest, God took her home. He knows best. A DEVOTED FRIEND.

So Should Every Man Declare Himself Says Glenn Before W. C. T. Union.

Special to Journal.

Raleigh, Oct. 2.—At today's session here of the North Carolina Woman's Christian Temperance Union, Miss Elizabeth March presided. Fifty-seven unions are represented, a gain of six during the year, with large gains in membership all due to the eight weeks tour in the State of Miss Lillie O'Daniel of Nashville.

The members of the order express delight at Governor Glenn's plain and bold declaration in his address that the State can be carried overwhelmingly for prohibition, that if called on to do so he will lead the fight, and that he thinks it the duty of every man in public or private life to declare himself and say whether he is for whisky or against it.

Come out and let us consult together. Fix your business so you can come and hear our worthy representative in the United States Senate.

Please Richmond Audience

Richmond Times-Dispatch Sept. 26.

Mason and Mason, as Fritz and Snitz sustained by a chorus of pretty girls, entertained a large audience at the Bijou last night. The play is made up of song and clever dialogue, interspersed with plenty of lively and catchy music, and a successful week is assuredly ahead of the popular price house.

Many a laugh was won by the merry makers last night. The lines are clever and clean, and the costumes unusually pretty.

Mason and Mason will be seen at the New Masonic Opera House, Wednesday night, October 4th.

SHORT PASSING EVENTS.

A crowd of seventy-five people came to New Bern on the P. O. and W. train Sunday and made a short visit of a half hour, returning on the same train at 6 o'clock.

The tobacco market is active and the local sales large. The quality is improving every day and the prices are very satisfactory.

There were sales in the local cotton market yesterday at 10.15.

Mr. Thomas W. Dewey of Goldsboro, was in the city yesterday to arrange for the extension of his bond pending the decision of the Supreme court on his case.

It is rare that we have had such hot weather in October as we have had during the past two days. The temperature has been at 86 degrees, or at summer heat—a very unusual occurrence, and let us hope that we may soon have a relief. If this summer weather continues much longer there'll be no chance for fall.

All the members of the Village Improvement department of the Woman's Club, and all who wish to join, are requested to meet at Mrs. M. M. Marks at 3:30 o'clock this afternoon.

are these lines from J. A. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, that disturbed my night's rest. Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At all drug stores; guaranteed; 50c and \$1.00. Trial bottle free.

PSORIASIS AND ECZEMA

Milk Crust, Tetter, Ringworm, and Scalded Head, and Every Form of Torturing, Disfiguring Humors from Infancy to Age.

CURED BY THE CUTICURA REMEDIES

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalded head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter, and salt rheum—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures and humor remedies of the civilized world.

CAPT. GRAHAM'S CURE

Of Distressing Humour. Captain W. S. Graham, 1321 Eoff St., Wheeling, W. Va., writing under date of June 14, '04, says: "I am so grateful I want to thank God that a friend recommended Cuticura Soap and Ointment to me. I suffered for a long time with sores on my face and back. Some doctors said I had blood poison, and others that I had barbers' itch. None of them did me any good, but they all took my money. My friends told me my skin now looks as clear as a baby's, and I tell them Cuticura Soap and Ointment did it." Cuticura Soap, Ointment, and Pills are sold throughout the world. Prepared by W. L. Rogers, Lowell, Mass. U. S. A. Beware of cheap imitations.
