#### **CURED BY CUTICURA** AT COST OF 75 CENTS

Writing under date of Aug. 15, 1904, Mrs. I., C. Walker, of 5 Tremont St., Woodfords, Me., says: "My sister had a terrible humor on her shoulder when she was eighteen months old causing intense suffering for two years. We had several doctors, and tried everything, but in spite of all we did it kept spreading. One day it would scab over and then crack open and a watery matter ooze from it and the scabs would all fall off. It would be raw for a time, then scab over again. Some one recommended Cuticura, and we immediately procured a box of Cuticura Ointment, and a cake of Cuticura Soap. She was much bet-ter after the first bath with warm water and soap, and an application of the Ointment. Before it was half gone we saw a marked change for the better, and she was entirely cured, without scar being left, by the one box of Oint-ment and one cake of Soap. Her skin is now entirely clear, and she has not had a sign of trouble since."
