

**Saved From
Threatened
Catarrh
of the
Lungs
By Taking
Pe-ru-na!**

Mrs. Mary Mag, 423 College Ave., E. Pittsburg, Pa., writes:
"Last spring I had a very severe cold which settled on my lungs. I went to the doctor for some time, but his medicine did me no good.
"Having read in the paper some testimonials of the value of Peruna, I decided to try it, and at the same time wrote to Dr. Hartman for advice. I took five bottles of Peruna and am now entirely cured.
"Before taking Peruna I was so run down that I could do no work and could not stand on my feet. My head ached and I could not sleep—I would wake up and cough. In the morning, on rising, I would cough for at least ten minutes. I was alarmed.
"But, thanks to Peruna, I am now enjoying good health. I would not be without Peruna. I keep it in the house and give it to my little boy when he has a cold."
—MRS. MARY MAG.

**WOMEN SHOULD
BEWARE OF
CATCHING COLD.**

A NEGLECTED cold is generally the first cause of catarrh. Women are especially liable to colds. These colds occur more frequently during the wet, sloppy weather of winter and spring than any other time of the year. Often they are not considered serious and so are allowed to run on, or they are treated in such a way as to only palliate the symptoms, while the cold becomes more deep-seated and the patient finally awakens to the fact that she has a well-developed case of catarrh.

By reason of their delicate structure the lungs are frequently the seat of a cold, especially if there is the slightest weakness of these organs. The treatment of catarrh of the lungs is also more difficult and discouraging than catarrh of any other organ of the body.

It would be wise, therefore, to guard against it by every precaution possible. Peruna has been found the most reliable of all remedies for coughs, colds and catarrh, by reason of the fact that it goes at once to the very seat of the trouble.

It searches out every crevice, every duct of the body. It quickens and equalizes the circulation of the blood, thus relieving the congested mucous membranes. It excites a healing and soothing effect upon the mucous membranes, no matter whether they are the more exposed membranes of the head and throat, or whether they line the remotest cells of the lungs.

A word to the wise woman is sufficient. Take Peruna at the first appearance of a cold.

20 YEARS IN PEN.

Murderer Matthews Found Guilty of Murder in Second Degree. Special to Journal.

Greensboro, March 9.—The famous murder case of Dr. Matthews was ended this morning when the jury came in and announced the verdict of guilty of murder in the second degree. The counsel for defense made a motion for a new trial which was over ruled by Judge Ferguson. Motion for arrest of judgment was then made which was also denied.

The counsel for the defense stated that had a verdict of not guilty been rendered Matthews would have been committed to a sanitarium, stating that the logical place for such as he would be where he could receive scientific treatment, not ordinarily given in State prisons, even under these circumstances.

Judge Bynum acting for Solicitor Brooks, prayed judgment at which request Judge Ferguson sentenced Matthews to twenty years of hard labor in the penitentiary. The prisoner did not show any emotion either when the result of the jury was announced or when the judge passed sentence.

An appeal was taken from the judgment and thirty days were allowed for perfecting the same.

To All Ailing Women

A Little Sound Advice Will Help Many a Sufferer in New Bern

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed, and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, sideache, etc. Uric poisoning also causes headaches, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a New Bern woman tell you about Doan's Kidney Pills.

Mrs. N. Vincent, widow, living at 103 Craven street, says: "Doan's Kidney Pills have been very beneficial to me. They certainly relieved me of very disagreeable pains in my back from which I suffered for a long time. I obtained them at Bradham's Pharmacy and I must say they proved to be a good remedy in my case."

For sale by all dealers. Price 50 cts. a box.—Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's, and take no other.
