# HAVE PARTY AND PRINCIPLES SUFFERED?

With the call for the Democratic State Executive Committee to meet, there has been some newspaper queries, will Chairman F. M. Simmons resign? Does Senator Simmons expect to continue as State Chairman of the demo cratic party, and so keep in control and every citizen, affording a sidewalk perpetuate his senatorship? And other queries along the same line. Besson

It might be asked, is there any spec ial desire on the part of any one to take this chairmanship, and if there is, why not announce the man, instead of casting any slurs upon the present incumbent. And in the same connection it might be asked, is the democratic party, even by insinuation, going to place itself on record, as making the State chairmanship the requisite and necessary stepping stone to a National senstorship, for such queries coming from democratic newspapers must so indicate the successive political progress to office.

But taking up Mr. F. M. Simmons, it is very partinent to ask, and if possible answer the question, have the State mocracy and its principles suffered under his leadership? If they have, then it has not been denounced by Mr. Simmons" enemies, and it would not be good party principle for even his friends to remain quiet, if there had come injury to the party and its princi-

That as State Chairman F. M. Simmons has conducted good campaign work, is not anywhere denied, so that there being only good from his public

the found, makes every pedestrian who ust be out of doors, and do any go about on the sidewalks of this city, and and feel that their condition is most deplorable; in many places, in such a mis rable state, covered with water until the rain has entirely stopped, and with mud in other places until the sunshine dries them up. 8 To remedy these conditions som

give it to you to try. Compare it with common remedies; see how much more it does. Don't cling to the old treat-ments blindly. The scores of diseases which are due to germs call for a germi-cide. Please learn what Liquozone can

What Liquozone Is.

What Liquozons are derived solely from gasss. The formula is sent to each user. The process of making re-quires large apparatus, and from 8 to 14 days' time. It is directed by chemists of the highest class. The object is to so fix and combine the gases as to carry into the system a powerful tonic-germicide. Contact with Liquozone kills any form of disease germ, because germs are of vegetable origin. Yet to the body Liquo-sone is not only harmles, but helpful in the extreme. That is its main disthe extreme. That is its main dia the extreme. That is its main dia totion. Common germicides are poison then taken internally. That is why dicine has been so helpless in a medicine has been so helpless in a germ disease. Liquozone is exhibitrating, vi-talizing, purifying; yet no disease germ can exist in it. We purchased the American rights to Liquozone after thousands of tests had
