SHORT PASSING EVENTS.

There was a large and enthusiastic meeting at Beaufort Thursday in the interest of the local tax for the grand school, for which an election will be held next month. State Auditor B. F. Dixon and Mr. S. M. Brinson addressed the meeting. The outlook favors a victory for the tax.

Allen Batson and Sarah, his wife, were in the police court yesterday on the charge of disorderly conduct. They had been parties to a family jar and each had the other one arrested. They were taxed the costs, \$3.15 each. John Seehar, a Portuguese, was fined five dollars for disorderly conduct in default of which he went to jail.

Two colored men engaged in an altercation at the Blades mill yesterday and one of them, Ellis, hit the other one whose name was Carter a crack on the head with a piece of scantling. Thinking he had killed Carter, Carter, Ellis left the scene and has not yet been found.

COULDN'T LIFT TEN POUNDS

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. Corton, farmer and lumberman, of Deepo, N. C., says: "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in my buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sit anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

Men Past Sixty in Danger

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland.
