### Trip to India Was Great.

Kinston Free Press 13. The Herald Square Opera Company lived up to its reputation made at its former appearance in this city by presenting "A Trip to India" at the local theater Thursday night in a manner that was entirely acceptable to the fair sized audience, which evidenced its approval by frequent bursts of applause on certain calls. The company is a good one all the way through and with the exception of the small chorus has no weak points.

"A Trip to India" is a musical extravaganza with an abundance of comedy running through the entire play and both features were well done by well trained players. The singing, especially of the tenor and the leading lady, was the best heard on the stage here in a long time and the two leading comedians were very good indeed. The costumes were gorgeous and expensive.

### GALA WEEK.

Pierce Amusement Co. in Tarboro. Some of the Attractions.

The Pierce Amusement Co., who will play in this city, one week, commencing Monday, April 30th for the benefit of the K. of P.'s receives the following notice from the Wednesday's Southerner of Tarboro, N. C.

There was immense crowd in the commons Tuesday night to witness the opening of the Pierce Amusement Co. Mr. Pierce made an appropriate introductory speech, calling attention briefly to some of the chief attractions offered by the Company. Then the multitude began to rush to the tents where the performances were opened in full blast. There was fun, amusement and entertainment galore! Everybody enjoyed the highly entertaining shows and attractions.

Creation is the best on the grounds, though all are good in every respect, there being nothing carrying even the suggestion of uncleanness. In fact, this company has decidedly the best and cleanest shows ever presented here.

No one need have any hesitancy in seeing all of them.

The Hall of Fame is highly interesting and attractive, and should be liberally patronized—likewise Creation, which with a moving picture device gives in a vivid and realistic fashion a "Bank Robbery" and "Race for a Hus hand."

Lunette, the flying Lady, always attracts large crowds, for it is wonderful how cleverly the deception is arranged.

The manager especially warned the crowd not to disclose the way in which the clever trick is done.

In the tent in which is inscribed the patriotic word "Liberty," you can see a "Trip to Mars," Prof. Herman's sleight of hand performances, the "Escape of Nobleman" and "Train Wreckers."

The House committee adopted a resolution declaring for the election of Senators by direct vote and four-year terms for members of the House.
