VOICE OF THE PEOPLE

Midsummer Band Concerts

Editor Journal:-Is there not some way that the city officials can be interested in the welfare of the star-at-homes during the summer months, in arranging a series of concerts, by the Knights of Pythias Band? The writer has no doubt whatever that the business men as well as the citizens of New Bern would gladly contribute to this movement, bearing in mind that the proceeds go for a good cause. It looks like a pity that a city the size of New Bern, cannot have something that would make the long evenings of summer go by pleasantly, when they have such a good band at their disposal, and I am certain that if concerts were arranged for two nights in the week that they would be appreciated by everyone. A WELL WISHER.
