

# THE BEST FRIENDS OF PE-RU-NA ARE THE MOTHERS AND CHILDREN

MR. F. BROCKMAN  
WIFE AND CHILD

MRS. J. C. STERLING'S  
CHILDREN

G. H. FARMER  
and SON

**Pe-ru-na Should Be Kept In Every Household**

Where There Are Little Children.

Pe-ru-na should be kept in the house all the time. Don't wait until the child is sick, then send to a drug store. But, have Pe-ru-na on hand—accept no substitute.

Children are especially liable to acute catarrh. Indeed, most of the affections of childhood are catarrh.

All forms of sore throat, quinsy, croup, hoarseness, laryngitis, etc., are but different forms of catarrh.

Pe-ru-na Contains No Narcotics.

One reason why Pe-ru-na has found permanent use in so many homes is that it contains no narcotics of any kind. Pe-ru-na, if taken according to printed directions, is perfectly harmless. It can be used any length of time without acquiring a drug habit. It does not produce temporary results, but it is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh.

**No Doctor Required.**

Mr. Edward Otto, 927 De Soto street, St. Paul, Minn., writes:

"I cannot say enough for Pe-ru-na. It has done great work in my family, especially for my oldest boy. We had doctored with three or four different doctors and they did not seem to do him any good.

"We gave up hopes of cure, and so did they, but we put him through on Pe-ru-na.

"We had several doctors and they said they could do no more for him, so we tried Pe-ru-na as a last resort, and that did the work. Since then we keep it in the house all the time, and no doctor is required."—Edward Otto.

There are a multitude of homes where Pe-ru-na has been used of and on for twenty years.

Such a thing could not be possible if Pe-ru-na contained any narcotics.

**The Benefit Which the Children of the United States Have Received From Pe-ru-na Can Never Be Put Into Words.**

The chronic ailments it has prevented, the suffering it has mitigated, will never be fully recorded.

But at least this much can be said that the coming generation owes a great debt to Pe-ru-na, for it is in the tender years of youth that slight ailments are liable to develop into lasting disease, thus blasting the whole career of the individual.

The mothers who are bringing up their children to-day to believe in Pe-ru-na are speaking from their experience.

These children brought up to believe in Pe-ru-na from the start, will, when they become heads of families themselves, use Pe-ru-na with unquestioning faith.

**A Child's Life Saved.**

Mr. G. H. Farmer, New Martinsville, W. Va., writes:

"Our little son, Harry, is well and healthy now and we think if we do as you directed us, he will keep his health and grow strong.

"We know that our little son's life was saved by your wonderful medicine, Pe-ru-na, and we shall always praise Pe-ru-na and use it in our family when needed.

"Should we have any more catarrhal trouble in our family, we shall always write to you for treatment."

—G. H. Farmer.

**Medical Advice.**

For free medical advice, address Dr. S. B. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

All correspondence held strictly confidential.

**When Sickness Comes to the Little Ones**

It is the Mother Who Chiefly Suffers.

She suffers even more than the child who happens to be sick.

Her sympathy is deeper than that of any other member of the family.

The mother looks forward with dread to the torrid heat of summer, thinking of her children and the many liabilities to disease that are before them.

Spring and summer are sure to bring ailments, especially among the little folks.

It does not take a mother very long to discover that Pe-ru-na is the best friend she has in time of illness among the children.

**A Multitude of Mothers**

Have discovered that Pe-ru-na is their stand-by, and that in many of the ailments of spring and summer to which the children are subjected, Pe-ru-na is the remedy that will generally quickly relieve.

Whether it be spring fever or stomach derangement, whether it is indigestion or bowel disease, a catarrhal congestion of the mucous surfaces is the cause.

Pe-ru-na quickly relieves this condition of the mucous membranes. Its operation is prompt, the children do not dislike to take the medicine, it has no deleterious effects in any part of the body.

It simply removes the cause of the disagreeable symptoms and restores the health.

Every mother who has not tried Pe-ru-na in her family should familiarize herself with Dr. Hartman's booklet, "The Ills of Life." This booklet should be in every family. It gives most valuable advice as to the use of Pe-ru-na for the various catarrhal diseases so general to-day.

Pe-ru-na is a household remedy for all catarrhal ailments of winter and summer, acute or chronic.

The mothers all over the United States are the best friends that Pe-ru-na has.

**The Mothers Hold Pe-ru-na in High Esteem.**

Not only because it has cured them of their various ailments, but because it promptly relieves the children from the throes and grasp of catarrhal diseases.

We have in our files many testimonials from mothers whose children have been cured by Pe-ru-na. However, the large majority of mothers who use Pe-ru-na, never hear from them.

But we do hear from a great number of mothers who are overjoyed at some special good they have received from Pe-ru-na that they cannot restrain their enthusiasm. They are anxious to share these benefits with other mothers.

**FOR COUNTY TREASURER**

To the democratic voters of Craven County.

By the solicitation of my friends all over the county I hereby announce myself a candidate for County Treasurer subject to the Democratic Primaries.

J. J. BAXTER.

To the Democratic Voters of Craven County

In order that my silence in public print, may not be misconstrued I have deemed it advisable to publicly announce my desire to continue for another term, in the office in which the voters of my county have kindly elected me. I trust that my earnest desire to discharge the duties incumbent upon me have been sufficiently successful to earn for me a continuance in the office during the succeeding term, and if through the kindness of the Democratic voters of the county I shall again be the choice of our County Primary, I shall faithfully endeavor to serve the people with that diligence and uniform courtesy which I have endeavored to use and exercise during my past term.

Very respectfully,  
GEO. B. WATERS,  
Regt. Deeds Craven Co.

**For County Treasurer**

To the Democratic Voters of Craven County:

I hereby announce myself a candidate for the office of Treasurer for Craven county, subject to action of the Democratic primaries. During my term of office I have endeavored faithfully and impartially to discharge the duties incumbent upon me as your treasurer, where the official duties have been properly performed. It has been the custom of our party to re-nominate for the second term, and asking for this nomination at the hands of my party, I rely upon the record made by me in the performance of my duty.

Very respectfully,  
FREDMAN S. ERNUL.

**To the Democratic Voters of Craven County.**

Fellow Citizens

I respectfully announce that I am a candidate to succeed myself as Clerk of the Superior Court of Craven county, subject to the action of the nominating primaries.

I embrace this opportunity to express to you my grateful appreciation of the generous support given me in the past, and to assure you that I shall endeavor, by every effort of which I am capable to merit your confidence.

I am with great respect,  
Very truly yours,  
W. M. WATSON.

**To the Democratic Voters of Craven County.**

I hereby announce myself as a candidate for the office of Sheriff, subject, of course, to the Democratic primaries. Assuring you of my sincere appreciation of your kind support in the past, and hoping that my administration of the Sheriff's office has met with your approval, and promising, if re-elected, to conduct its affairs impartially and to the very best of my ability, I am

Very sincerely yours,  
J. W. BIDDLE.

June 18, 1906.

**Announcement**

At the request of numerous Democrats of Craven county I hereby announce myself a candidate for the nomination by the Democratic Party to the membership of the House of Representatives. If this suggestion of numerous friends meets with the approval of the party I will, if chosen, endeavor to serve my people faithfully, and to the full extent of my powers.

H. C. WHITEHURST.

**To the Democratic Voters of Craven Co**

I hereby beg to announce myself a candidate for the office of Register of Deeds of Craven county subject to the Democratic primaries, and believing that the people of the city are willing for the people of the county to have a fair share of the offices of the county, I ask the suffrages of all. If elected I promise to faithfully perform the duties of the office.

Respectfully,  
RICHARD B. LANE.

**Candidate for Register of Deeds**

I desire to announce to the Democratic voters of Craven county that I am a candidate for the Democratic nomination for the office of Register of Deeds at your county primary. As to my fitness and competency I refer to my past record as a clerk in the office of the two last Registers of Deeds. I make no claim of right to the office, but I do ask that the white Democratic voters consider whether past party services are not entitled to some consideration. I have never failed to serve the party when I could, and in the White Supremacy campaign I did so at considerable sacrifice and not a little danger. I have never asked for office before and if my request is declined you will still find me a faithful worker in the ranks of the private.

W. E. FLANNER.

**WEAK KIDNEYS MAKE WEAK BODIES**

**Kidney Diseases Cause Half the Common Aches and Pains of New Bern People**

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. J. B. Coston, farmer and lumberman, of Deepes, N. C., says: "I suffered with my back. It was so bad that I could not walk any distance nor even ride in an easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble you are at liberty to do so."

## HENRY BAILEY BROUGHT TO NEW BERN.

The Murderer of J. M. Lancaster at Vanceboro Captured. No Attempt to Lynch.

Henry Bailey, the murderer of John M. Lancaster is now securely fastened in a cell in the Goldsboro jail. He was captured at four o'clock yesterday morning at a place known as Palmetto bridge about four miles from Vanceboro on the road to Washington. Messrs Jacob and James Lancaster, cousins of the dead man, and George Hill caught him while he was on the road. The men were prepared for resistance but did not meet with any, the man went with them willingly and they gave him into the custody of the constable, Mr. W. O. Clark.

Realizing the necessity of haste in order to get Bailey out of town before the people should be aware of his capture and thus avoid any further violence, he harnessed his horse and hustled the prisoner into the buggy and drove on to New Bern. He made unusually good time and had no unusual incidents and reached the county jail with his prisoner about eight o'clock. Crowds of curious men went to see Bailey as he sat in his cell. He was quite talkative and seemed to be in possession of a large fund of nerve. He insists that he killed Lancaster in self defense. He is an undersized black negro, with a small head and rather repulsive features. He weighs between 140 and 150 pounds. His former home was in Pitt county. He has the reputation of being a "mean nigger," and was notorious among the whites in the neighborhood.

Such credit is due to his captors, two of whom were relatives of the murdered man for not yielding to what must have been their natural impulses avenge the death of their cousin. They followed the course of reason and surrendered the man to the officer of the law.

In regard to the prisoner's statement that he shot in self defense, that Lancaster was coming toward him with an open knife has been proven false. The dead man's knife was found in his pocket and under no circumstances could it be a formidable weapon. And Bailey's wife's testimony before the jury that Lancaster was about to attack Bailey with a fence rail was also proved false. There was no rail within several yards of where the murder occurred.

The efficacy of blood hounds in tracking criminals was demonstrated in this affair. The negro had put a preparation composed of camphor, turpentine and kerosene on his feet to throw the dogs off from their scent but they got the trail and followed it to the bridge where he was caught.

Fearing that an attempt might be made to get the prisoner constable Clark and deputy sheriff White took Bailey to Goldsboro last night to await trial in the criminal court here July 2.
