

ECZEMA AND FEVERISH-TITCHING INVERSE

Reveries is a tormenting, stubborn disease caused by an acid humor in the blood coming in contact with the skin and almost intolerable itching. An inactive state of the system and sluggish condition of the eliminative members leaves the waste and refuse matter of the body to collect and sour instead of passing them off through the channels of bodily waste. The blood in its efforts to purge the system of all foreign matter absorbs this acid and throws it off through the pores and glands of the skin. The acid humor seems to ooze out and set the skin on fire, the straw colored, sticky fluid drying and forming crusts, and the itching is intense. When these pustules are scratched off the skin is left raw and feverish and often a solid sore is formed and kept up by the constant escape of acids from the blood. Local applications of salves, powders, lotions etc. are desirable and should be used because they allay the itching and give the sufferer temporary comfort, but are in no sense curative, because they cannot reach the seat of the trouble, which is in the blood. S. S. S. goes down into the blood, cleanses the circulation of all acids and humors, builds up the thin, sour blood and by removing every vestige of the cause cures Eczema permanently. The irritating eruptions disappear, the itching and burning cease, and the acidified skin, being fed by a fresh, cooling stream of blood, becomes soft and smooth again. S. S. S. is made of healing, purifying roots, herbs and barks that will not damage any part of the system. Book on skin diseases and any medical advice free.

VOICE OF THE PEOPLE.

Norfolk & Southern Merger Swallows Eastern North Carolina.

Editor Journal:—When the agitation of the lease of the Atlantic & North Carolina Rail Road Co. was at fever heat in 1904, the word was generally given out that the road was not to be leased for a longer time than fifty years nor at a less rate than would average six per cent. per annum. Neither would it be leased to the Atlantic Coast Line nor the Southern Railroad "because that would destroy competition" the road was then earning 44 per cent. the next year it earned six per cent; we learn it is now earning over 8 per cent. Result. It was leased to the Howland Improvement Co. at three per cent. which was \$35,000.00 less than it was then earning who afterwards transferred it to Norfolk & Southern Railroad Co., which was really the only competition in this part of the State. Now it is all in one combine, under the recent merger of sales and transfers to the Norfolk & Southern Railroad Co. the competition and property are gone. The people may suffer. A big profit has been made by some one. The people are the losers. FARMER AND TAX PAYER.

Presidential Election will Make no Change.

No matter which candidate is elected Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and quick consumption. It cures colds quickly and prevents pneumonia. A J. Nussbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar and eight doses cured me. For sale by Davis Pharmacy."

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Disease Causes Half the Common Aches and Pains of New Bern People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every ills. New Bern citizens are the proof.

J. B. Coston, farmer and lumberman, of Depps, N. C., says: "I suffered with my back. It was so bad that I could not walk any distance or even rise in an easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

Consumptives Made Comfortable. Incipient consumption is cured by Foley's Honey and Tar, but we do not hold out false hopes to consumptives by claiming that it will cure this dread disease in the advanced stages; but if the lungs are not too far gone Foley's Honey and Tar will effect a cure, as it stops the racking cough and soothes the inflamed air passages giving them a chance to heal, and even in the advanced stages it always gives comfort and relief. A. A. Heron, of Finch, Ark. writes: "Foley's Honey and Tar is the best preparation for coughs and lung trouble. I know that it has cured consumption in the first stages." Sold by Davis Pharmacy.
