

FOUND RELIEF BY TAKING PE-RU-NA

Suffered Thirteen Years With Pelvic Troubles, Unable to Find Relief.

AN OPERATION ADVISED.

Pe-ru-na, Taken as a Last Resort, Brings Health and Strength.

ANNA MUNDEN, Brinkley, Ark., writes:
 "I suffered with female troubles for thirteen years, and tried the best doctors in Louisville, Ky., without relief. I spent thousands of dollars at the Springs.
 "The doctors desired that I have an operation performed to remove my ovaries, which I would not consent to.
 "I saw an advertisement of your Pe-ru-na and bought one bottle and before I had taken it all I could get out of bed and walk about.
 "After taking three bottles I was as well and hearty as ever.
 "I gained in flesh. From 118 I increased to 186 pounds.
 "If it had not been for your great and wonderful medicine, I would now be in my grave.
 "I would advise all women sufferers to try it.
 "I would not be without it for the world."

A WOMAN'S LETTER TO WOMEN.

Mrs. Caroline Kramer, Fort Collins, Col., writes:
 "The majority of women who are suffering from disordered periods and other troubles, have such strong faith in doctors that they allow them to experiment on them for kidney, liver, or stomach troubles, until they become discouraged and their money is gone.
 "This was my unfortunate experience for nearly two years, when my attention was called to Pe-ru-na.
 "I hardly dared believe that at last I had found the right medicine, but as I kept on using it and was finally cured I could only thank God and take courage.
 "I have had most satisfying results from the use of your medicine and have advised dozens of women who were suffering with women's ills to use Pe-ru-na and let the doctors alone, and those who have followed my advice are better to-day and many are fully restored to health."

MRS. ANNA MUNDEN
 There can be no doubt about it that the tendency to resort to surgical operations has been too great in the past and that this harmful tendency is growing less every day.
 Experience has demonstrated that many ailments which seemed to require surgical operations in the past are now being cured by the use of harmless remedies. Pe-ru-na has done as much as any other remedy to establish this very important fact.
 Thousands of people have been condemned to undergo surgical operations. Their physicians have told them that they must either submit to such operations or lose their lives.
 After this they have resorted to Pe-ru-na and found relief.
 Other good remedies have accomplished the same result, but it is safe to assume that no other remedy has equaled Pe-ru-na in its beneficent work.
 Many of the alleged incurable derangements of the pelvis are dependent upon catarrh.
 There is no cure for these except the removal of the catarrh.
 Pe-ru-na seemingly works miracles in some of these cases. The explanation, however, is very simple. Pe-ru-na removes the catarrh and Nature does the rest.
 Pe-ru-na is Sold by Your Local Druggists. Buy a Bottle Today.

A Certain Cure for Croup—Used for Ten Years Without a Failure.

Mr. W. C. Bott, a Star City, Ind., hardware merchant, is enthusiastic in his praise of Chamberlain's Cough Remedy. His children have all been subject to croup and he has used this remedy for the past ten years, and though they much feared the croup, his wife and he always felt safe upon retiring when a bottle of Chamberlain's Cough Remedy was in the house. His oldest child was subject to severe attacks of croup, but this remedy never failed to effect a speedy cure. He has recommended it to friends and neighbors and all who have used it say that it is unequalled for croup and whooping cough. For sale by Davis Pharmacy and F. S. Duffy.

Consul F. W. Mahin reports from Nottingham, according to a correct newspaper item, an inventor named Carr in Middlesex, proposes to make artificial rubber from cereals—wheat, corn, etc.—for use as bicycle and automobile tires, and also as golf balls.

Afflicted with Sore Eyes for 33 Years. I have been afflicted with sore eyes for thirty-three years. Thirteen years ago I became totally blind and was blind for six years. My eyes were badly inflamed. One of my neighbors insisted upon my trying Chamberlain's Salve and gave me half a box of it. To my surprise it healed my eyes and my sight came back to me.—P. C. Earis, Cynthia, Ky. Chamberlain's Salve is for sale by Davis Pharmacy and F. S. Duffy.

How to Cure a Cold. The question of how to cure a cold without unnecessary loss of time is one in which we are all more or less interested, for the quicker a cold is gotten rid of the less the danger of pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., has used Chamberlain's Cough Remedy for years and says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by Davis Pharmacy and F. S. Duffy.

Presidential Election will Make no Change. No matter which candidate is elected Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and incipient consumption. It cures colds quickly and prevents pneumonia. A. J. Nusbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar and eight doses cured me. For sale by Davis Pharmacy."

M. Georges Clemenceau became Prime Minister of France, succeeding Premier Sarrien.

Preachers Have a Feast.

[Special Correspondence]
 Greensboro Oct. 19.—Last night at the McAdoo Hotel, an elegant banquet was enjoyed by the members of the Greensboro Ministerial Association, who dismissing one time from their thoughts and hearts all strain of theological, doctrinal or other subjects of caring care, devoted themselves to the uncommon task of letting the world wag as it would for a while and making merry for themselves, and delighting their inner man, at their own leisure, and their own expense, and being beholden for the nonce to nobody, except their Great Shepherd Rev. S. R. Guiguard, Rector of St. Andrews Episcopal.

An Original Newspaper Story.

A newspaper office, especially an evening newspaper office where the paper is going to press several times during the day, represents as busy a scene as you can find in any industry. It is small wonder then that the newspaper story has become a phase of modern short-story writing. "Thompson's Beat," by Homer Saint-Gaudens, in the November Metropolitan Magazine, is quite an original newspaper story and one that gives you the true color of the newspaper world. It furnishes plenty of excitement, too, and the ruse of the hero to gain his end is sure to win the reader's admiration.

WEAK KIDNEYS MAKE WEAK BODIES.

Kidney Disease Causes Half the Common Aches and Pains of New Bern People.

As one weak link weakens a chain, so weak kidneys weaken the whole body and hasten the final breaking-down. Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood. Aches and pains and languor and urinary ills come, and there is an ever increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ill. New Bern cures are the proof.

J. B. Coates, farmer and lumberman, of Deppes, N. C., says: "I suffered with my back. It was so bad that I could not walk any distance or even ride in an easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Attractive Display of Woods

[Special Correspondence]
 Raleigh, Oct. 20.—It is estimated that there were over 10,000 visitors to the State Museum. One of the most admired sections is that containing the woods of the State. Though a great many specimens from this section are at the Boston Exposition, yet those here have been very attractively rearranged and make a wonderfully fine show. Many persons from other States express their very great satisfaction at this particular feature. The museum continues to be an object lesson and guide to persons desiring to settle in this section. Nothing has so made for the development of North Carolina as this.

Prosperity Shown by Increased Charters.

[Special Correspondence.]
 Raleigh, North Carolina Oct. 20.—The prosperity of North Carolina is very well shown by the notable increase in the number of charters granted to corporations. Last year's figures were big but this year's will be larger still. The number of cotton mills granted charters will be as large as in any year since that system was inaugurated.
