### DO YOU KNOW

That Dr. Pierce's Favorite Prescription is the only medicine sold through druggists for women's weaknesses and peculiar ailments that does not contain large quantities of alcohol? It is also the only medicine, especially prepared for the cure of the delicate disease peculiar to women, the maker of which is not afraid to take his patients into his full confidence, by printing upon each bottle wrapper all the ingredients entering into the medicine. Ask your druggist if this is not true.

"Favorite Prescription" too, is the only medicine for women, all the ingredients of which have the unqualified endorsement of the leading medical writers of the several schools of practice, recommending them for the cure of the diseases for which the "Prescription" is advised. Write to Dr. R. V. Pierce, Buffalo, N. Y., for a free booklet, and read the numerous extracts from standard medical authorities praising the several ingredients of which Dr. Pierce's medicine are made, and don't forget that no other medicine put up for sale through druggists for domestic use can show any such professional endorsement. This, of itself, is of far more weight and importance than any amount of so-called "testimonials" so conspicuously flaunted before the public, in favor of the alcoholic compounds.

The "Favorite Prescription" cures all women's peculiar weaknesses and derangements, thus banishing the periodical headaches, backaches, bearing-down distress, tenderness and dragging-down sensations in lower abdomen, accompanied by weakening and disagreeable catarrhal, pelvic drainage and kindred symptoms.

Dr. Pierce and his staff of skilled specialists may be consulted free by addressing as above. All correspondence is treated as sacredly confidential. By consulting in this way the disagreeable questionings and personal "examinations" are avoided.

The People's Common Sense Medical Adviser contains some very interesting and valuable chapters on the diseases peculiar to women. It contains over one thousand pages. It is sent post paid, on receipt of sufficient in one-cent stamps to pay cost of mailing only, or 21 cents for a copy in flexible paper covers, or 31 cents for a cloth-bound copy. Address Dr. R. V. Pierce as above.

Dr. Pierce's Pellets regulate and invigorate stomach, liver and bowels. One laxative, two or three cathartic.

**Marriage in Township No. 2.**  
 Mr. Cicero W. Gaskins and Miss Kate Rowe were married at the home of the bride's father, near Bridgeton Sunday Nov. 4. Mr. Josiah Tingle, J. P., officiated.

**Ritchie-Cook**  
 Yesterday the bright and hospitable home of Mr. and Mrs. W. F. Foy, of Rock Spring, was the scene of a very pretty wedding in which Mr. Edward E. Ritchie and Miss Marian E. Cook were made man and wife. The best man was Mr. A. G. Lyon, and the matron of honor was Mrs. A. G. Lyon. The ceremony was performed by Rev. W. A. Ayers.

The bride was handsomely attired in a traveling dress of gray. After the ceremony the guests were entertained at a very pleasant reception. The bridal couple were the recipients of many beautiful and costly presents. They left on the steamer Neuse for their future home, in Lancaster, Penn., where the groom has a responsible position with a lumber firm of that city.

The bride was well known in New Bern as a trained nurse, and as such she was very proficient and she will be greatly missed by those to whom her services have been a great boon.

**Mrs. Bishop Petty's Funeral.**  
 The funeral of Mrs. Sarah E. C. (Dudley) Petty, widow of the late Bishop C. C. Petty, of the A. M. E. Zion church was solemnized from St. Peter's A. M. E. Zion church at 2 p. m., Tuesday and was largely attended.

A fitting and eloquent eulogy was pronounced by the pastor, Dr. J. Harvey Anderson, who said in the course of his remarks, that in the person of Mrs. Petty, New Bern held the honor of producing the most talented, gifted and popular colored woman in the state of North Carolina; she was well known and highly respected at home and throughout the United States, and made a definite impression by her addresses when visiting with her late husband in England and France. She participated in the high councils of the church and was the ablest female contributor to its current periodicals.

Rev. Dr. A. G. Davis read the scripture lesson, and touching, pathetic prayers were offered by Dr. G. T. Adams, of the Centenary M. E. church, and Dr. Wm. Sutton, president of the Eastern North Carolina Industrial Academy.

**CONTRIBUTED.**

**Letter to W. H. Bray.**  
 New Bern, N. C.

Dear Sir: Here's honesty for you! North Dakota has a pure patent law. Prof Ladd, the state chemist analyzes a certain paint labeled "contains only lead and zinc and is strictly pure," and finds it no lead at all, a resinous oil, and benzine. It is, however, full-measure and contains no water.

That's like the man on trial for killing his grandmother; proved that he didn't set fire to the house.

No lead, but zinc and barytes, resins, oil, and benzine—"strictly pure lead and zinc paint!"

Pure paint is lead-zinc-and-oil; but that isn't all; there is such a thing as proportion and make. The strongest paint is Devco.

North Dakota is doing a handsome thing in holding these confidence-people up to scorn. She gives their names as well as their works.

**Next Sunday's New York World.**  
 A hundred years is a good way to look ahead, but there are people who think they can guess somewhere near what New York will be like in 2006 A. D. Among these is the great wizard of electricity, Thomas A. Edison, who talks, in next Sunday's World, what he thinks the future will bring forth. This is a marvelous interesting feature of a great Sunday Magazine.
