

CATARRH A UNIVERSAL BLOOD DISEASE

Catarrh is usually worse in winter, because of the cold, damp and suddenly changing climate. Colds are contracted, and neglected and as the secretions from the different inflamed membranes are absorbed into the blood the unpleasant symptoms of the disease commence. The nostrils are stopped up and a constant dropping of mucous back into the throat keeps up a continual hawking and spitting. The patient has dull headaches, ringing noises in the ears, and often slight fever and a depressed, half-sick feeling accompanies the disease. The blood becomes so fully charged with catarrhal matter that stomach troubles are brought on, the kidneys and bladder are affected, and if the blood is not purified of the poison the lungs become diseased because of the constant passage of impure blood through them. Catarrh cannot be cured with washes, sprays, inhalations and such treatment; these cannot reach the poison-laden blood where the real cause is located, and can only give temporary relief and comfort. A disease which affects the entire blood supply as does Catarrh, must be treated with a blood purifier. S. S. S. is the best remedy for Catarrh, which has grown to be a universal disease. It goes to the bottom of the trouble, rids the blood of the catarrhal matter, reinvigorates the circulation, and cures this disgusting disease permanently. When S. S. S. has purified the blood every part of the system receives a supply of fresh, healthy blood; then the inflamed membranes heal and every symptom of Catarrh passes away. Write for our book containing information about Catarrh, and ask for any medical advice you desire. No charge is made for either.

There is considerable interest over the question who had charge of the first schedule train over the Beaufort bridge. Two items have been published and as it stands now the matter is a tie and it may require the services of an umpire to decide. It is said now that the first schedule train over the bridge was the one going to Beaufort and not coming from that city. Hence according to that ruling the east bound train Saturday morning was the first on schedule time.

RAILROAD MEN— VISIT NEW BERN.

Executive Officials of the Norfolk and Southern Looking Over the Property

The officials of the Norfolk and Southern railroad whose offices are at Norfolk made New Bern a special train yesterday. They came on a special train and went over their property on a tour of inspection. They are traveling the roads from Goldsboro to Beaufort to become acquainted with the roads in every particular. They propose to make it a better system and doubtless many improvements will be the result of this visit. The gentlemen were:

- M. W. McGuire, General Superintendent.
- R. E. L. Bunch, Traffic Manager.
- H. C. Hudgens, General Freight and Passenger Agent.
- J. E. Gould, Superintendent Motive Power.
- M. R. Burrows, Purchasing Agent.
- Superintendent S. L. Dill went to Kinston to meet them and returned with them.

Superb Entertainers.

The agreeable personality of Mildred and Rouclere will be quite a relief to what we have been used to magicians. Mildred is a brunette of great beauty, graceful presence and gifted with a genius for the catchy music which she introduces now and then in her strange but fascinating performance. Her costumes are always rich and in the best of taste. Very few society ladies can equal her in any of the qualities that go toward making a most delightful impression. Harry Rouclere, a college graduate, has always been an extensive traveler, student and man of the world, a success in his profession and always a welcome guest in the best society. He is fashion plate in dress, a Cheaterfield in manner and aside from the mystery of his performances, his breezy talk and bright way of introducing subjects has always been as pleasant to the audiences as any of the items of his clever program.

This extraordinary attraction has been booked by the Syndicate and comes here, Friday evening, Dec 7.

Long Tennessee Fight.

For twenty years W. L. Rawls, of Belts, Tenn., fought nasal catarrh. Reprint, News-Herald: "There is at least one effectual, safe, and reliable Cough Cure—Dr. Shoop's—that we regard as suitable, even for the youngest child. For years, Dr. Shoop bitterly opposed the use of opiates or narcotics in medicine, offering \$10 per drop to any one finding Opium, Chloroform, or any other poisonous or narcotic ingredient in Dr. Shoop's Cough Cure. And the challenge is as yet unanswered. Here is one manufacturing physician, who welcomed with much satisfaction, the new Government Pure Food and Drug Law. The public can now protect itself at all times, by insisting on having Dr. Shoop's when a cough remedy is needed." Sold by F. S. Duffy.

A Home Made Happy by Chamberlain's Cough Remedy.

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo W. Spence, Holly Springs, N. C. For sale by Davis Pharmacy and F. S. Duffy.

While the monthly magazines at ten cents, fifteen cents, etc., are filling the columns of the newspapers with their claims to fame, there is another magazine quietly doing all and more than most of them, and its publication being weekly, its opportunities of live interest are tenfold greater. We refer to the Sunday World (New York) Magazine: It is a remarkable publication—remarkable in its scope, its unusual value of contents and its splendid typographical execution. It is a literary magazine, a news magazine and a picture magazine. It is in fact a twentieth century marvel.

THANKFUL PEOPLE.

They are Found in Every Part of New Bern.

The citizens of New Bern have good reason to be thankful for burdens lifted from aching backs, which they bore patiently for years. Scores tell about their experience publicly. Here's a case of it:

F. P. Avery, foreman at the A & N C R R shops, residing at No. 30 Graves street, says: "I can recommend Doan's Kidney Pills which I obtained from Bradham's Pharmacy. My back, when I would get up in the morning felt weak and lame and the use of Doan's Kidney Pills relieved it. I have felt much better and stronger since I used them. My back was a weak spot and if I caught cold it settled there and I seemed to lose all my use of it. Since using Doan's Kidney Pills my back has not troubled me one bit. You can use my name as an endorser of Doan's Kidney Pills and I will recommend them to any one."
