The city wants to take off from fire duty service on the Atlantic hose wagon the horse now being used for that work. The horse balks repeatedly before he can be started from the engine house, and will shy as he dashes along the streets. The animal is dangerous in such service, and does not meet the demands.

#### Lukins.

Dec. 6.

Your correspondent from Lukins has been quiet for some time, but while he has been sleeping our village has been awake.

Several new buildings have gone up within the past four months.

The saw mill here has been enlarged and new machinery put in.

A railroad extending in the direction of Beaufort for six or seven miles has a force of hands steadily at work on the extension; the road is used at present for hauling logs only.

Our people here have the gasoline boat fever, a man without a boat looks like he feels lonesome, three new ones are now being built and will be launched in a few days.

About a week ago a tramp came here from New Bern pretending to want work, and after loafing around here a few days, until he took in the situation of things generally, and on Saturday night after the mill men had been paid off he succeeded in robbing some of them of their cash and broke into the store of Mr. Arthur Thatcher and relieved him of all the cash in the safe and left, he was seen on his way to New Bern with considerable money, supposed to be not less than one hundred and fifty dollars. The police in New Bern were notified to look out for him, but he is free yet.

From what we can see and hear some of the New Bern blind tigers have agents here, but there is a rumor afloat that they will soon have competition in the shape of a moonshine still somewhere in the pocomo about the head of South river. We have heard that a fellow from New Bern will be interested. Those who deal in it are expecting to see a fall in booze soon.

The fishermen here continue to do a good business and seem to be making money.

Plenty of game in the river now, sportsmen can have a good time shooting geese and ducks.

#### SERIOUSLY HURT BY TRAIN.

#### Greensboro Officer Victim of Accident Which May Result Fatally.

(Special Correspondence.)

Greensboro, Dec 7 At Walker avenue crossing early this morning, a work train, ran over Mr. W. C. Weaver, of fiercer of the city inflicting, is feared fatal injuries. Three ribs broken, his head was badly cut, and there is a slight fracture of the skull. Drs. Grimley and Micheaux, railway surgeons, were soon in attendance, and Mr. Weaver was taken to his home nearby, where he regained consciousness in an hour. If there are no internal injuries, there is a chance for his life. He is 65 years of age, an old Confederate veteran, an excellent man and the accident is greatly deplored by his many friends. This family seems fated for railroad accidents. Two years ago his brother, Capt. Bob Weaver, was nearly killed by a train at Summit Avenue crossing, and soon afterwards, his son, Joe Weaver, was run over by a shifting engine near the passenger depot, losing a foot, and for which at the last term of court he secured a verdict for \$1,500 damages against the railroad company.

I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. For sale by Davis Pharmacy and F. S. Duffy.

F. P. Avery, foreman at the A & N C R R shops, residing at No. 30 Graves street, says: "I can recommend Doan's Kidney Pills which I obtained from Bradham's Pharmacy. My back, when I would get up in the morning felt weak and lame and the use of Doan's Kidney Pills relieved it. I have felt much better and stronger since I used them.
