Raleigh, Dec. 2.—As yet the situation has not cleared in regard to telephones here, the Bell and Interstate not having yet merged. As has been stated the Bell has taken an option on the site for a \$20,000 building, on West Harget Street, not far from the capital, but everything seems to be waiting for the city to give a charter to the new Capital Telephone Company, which it is declared is to be a blending of the two above named. Meanwhile a great many of the merchants do not give any attention to the Interstate Phones, either in using themselves or answering calls and some have placards stating that the phone is not in use.

KEEP THE KIDNEYS WELL,

Health is Worth Saving, and Some

New Bern People Know How to Save It

Many New Bern people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill-health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is the statement of a New Bern citizen who has reclaimed good health by the use of this remedy.

C. Lupton, one of the best known policemen of New Bern, of 135 East Front St., says: "We think Doan's Kidney Pills are all right. I have tried them and can recommend highly. My back and kidneys troubled me for quite a while. The trouble was right across the small of my back, which seems to be the weakest part about me. I tried plasters and other remedies but none of them acted like Doan's Kidney Pills which I obtained at the Bradham Pharmacy. They are a good pill and I will not hesitate to say so to anyone."

For sale by all dealers. Price 50c. Foster-Mill Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

THE OLDEST MAN IN AMERICA

Escaped the Terrors of Many Winters By Using Pe-ru-na.

"I Attribute my Extreme Old Age to the Use of Pe-ru-na."

Mr. Isaac Brock, 117 Years Old Last Birthday.

ISAAC BROCK, a citizen of McLennan county, Texas, has lived for 117 years. For many years he resided at Rosque Falls, eighteen miles west of Waco, but now lives with his son-in-law at Valley Mills, Texas.

Some time ago, by request, Uncle Isaac came to Waco and sat for his picture, holding in his hand a stick cut from the grave of General Andrew Jackson. Mr. Brock is a dignified old gentleman, showing few signs of decrepitude. His family Bible is still preserved, and it shows that the date of his birth was written 17 years ago.

Born before the United States were formed. Saw 22 Presidents elected. Pe-ru-na has protected him from all sudden changes. Veteran of four wars. Shod a horse when 99 years old. Always conquered the grip with Pe-ru-na. Witness in a land suit at the age of 110 years. Believes Pe-ru-na the greatest remedy of the age for catarrhal troubles.

The Most Hated Man in America.

A representative of the Woman's Home Companion, who spent the greater part of ten days with John D. Rockefeller at his Cleveland home, says of Mr. Rockefeller: "It is no exaggeration to say he (Rockefeller) is the most hated, least understood, and most interesting man in America." In estimating the multi-millionaire's wealth, the article, which is graphically illustrated with photographs loaned by Mr. Rockefeller, contains this interesting statement: When millionaire Marcus Daly died, he was generally said to be worth \$50,000,000. When his will was probated, it showed about \$13,000,000. Senator Hearst was popularly reported to be worth, when he died, from forty to eighty millions. The facts showed about seventeen millions, and so on. So Mr. Rockefeller's wealth would be more correctly represented by about one quarter of the billion which he has so often been charged with possessing, and more than half of this has come of the advance years ago.

Fine Market Display.

The windows of the Oaks Market were the great attraction on Broad street last In them were dressed turkeys and chickens ready for the oven, besides cuts of beef, pork, mutton and veal. In fact, the display was enough to tempt the appetite of anyone, and was a ravishing sight to the eyes of an epicure. Well, it just made a fellow hungry to look at it. The central ornament was a fifty pound cake of milk white pure hog fat tastefully decorated with ever greens and holly berries, which were also used to form the legend "Oaks Market" on the front side of the immaculate cake of hog fat. The window is very handsome and shows that the designer, Mr. Wunsch, is an artist in his trade.
