

# S.S.S. OUR RECORD

## S.S.S. 40 YEARS OF CURES

The value of S. S. S. as a blood purifier has been thoroughly proven by its forty years of successful service in the treatment of blood and skin diseases of every character. It is the best known and most generally used blood medicine on the market today, because in the forty years of its existence it has not disappointed those who have used it, and as a result of its universal success in curing disease it has made friends EVERYWHERE. It has been on the market for forty years, and its record in that time is one of which we are justly proud—it is a record of forty years of cures. As a remedy for Rheumatism, Catarrh, Scrofula, Sores and Ulcers, Skin Diseases, Contagious Blood Poison and all diseases arising from an impure or poisoned condition of the blood, S. S. S. has no equal. It goes into the circulation and thoroughly cleanses it of all impurities and makes a complete and lasting cure of these troubles and disorders. It furnishes a weak, polluted blood, rich, health-giving and health-sustaining qualities, and as this pure, fresh stream circulates through the system, all parts of the body are invigorated and made strong and healthy. S. S. S. is the only blood medicine on the market that can claim absolute freedom from minerals in any form. This great medicine is the product of nature's forests and fields, and is made from the healing, cleansing juices and extracts of roots, herbs and barks. It is, therefore, in addition to being a certain cure for blood troubles, an absolutely safe medicine for young or old. It is not an experiment to use S. S. S.; it is a remedy with a record and one that has proven its worth and ability by its forty years of cures. If you need a blood remedy begin the use of S. S. S., and write our physicians and they will send you a book concerning your trouble, and will give you, without charge, any medical advice.

### SHORT PASSING EVENTS

There will be a meeting of the Rector's Aid Society at the Parish House at 11 o'clock this morning.

The Woman's Missionary Society of First Baptist Church will meet at the church this afternoon at four o'clock. Referring to the fact that the appropriation of Congress for a clock in New Bern's Federal building, was not sufficient for a tower and four dials. An old citizen suggested that the authorities buy a Waterbury clock for a dollar, and Dietz lantern for forty cents and hang them on the flag pole and that will be sufficient, or at least it is supposed to be so.

Society item in Washington Post of March 3d—Mrs. Simmons, wife of Senator Simmons of N. C., will leave next week to spend some time on their plantation on the seashore, and will spend next summer in Canada. Her daughter, Miss Eliza, left last week to spend a few weeks in Raleigh. Miss Eliza will accompany her mother next week. Miss Isabel, who is attending a college in Baltimore, spent the past two weeks with her parents at the Highlands where the family has an apartment.

The Supreme court has affirmed the decision of the lower court in the case of Dugan vs the Atlantic Coast Line Co. The judgment was for \$750.

A wireless telegraph station will be established at Elizabeth City soon. It will be the De Forrest system, the same as used at the Beaufort station.

Yesterday was another typical March day, a high cold wind blowing and clear skies overhead. About day break the wind began blowing a gale that was almost strong enough to blow a porous plaster away but fortunately it decreased considerably and made its general presence known in its own peculiar way. The wind was from the northwest.

The revival meetings at the First Baptist Church are gaining in interest and those who attend speak highly of the sermons. The spirit manifested indicates a true desire of better and higher living. All meetings are well attended.

The screaming comedy of "The Man From Mexico" was on the boards last night and it was a long succession of laughs. This is Percuch's premier comedy and he outshines himself in his hilarity. Tonight the play will be "The Midnight Marriage", and tomorrow night "Tribby".

The regular monthly meeting of the Teachers' Association, of Craven County, will be held at the court house next Saturday, March 9th at 10 a. m.

Owing to the revival services at the First Baptist Church, there will be no prayer meeting service tonight at Centenary Methodist Church.

The Presbyterians will unite in the meeting at the Baptist church tonight and their regular prayer meeting will not be held. The meeting of the church improvement committee to meet today at twelve o'clock will be deferred several days.

### An Unusual offer

"It isn't often that we have faith enough in the medicine put up by other people to be willing to offer to refund the money if it does not cure," said Davis Pharmacy to a Journal man who dropped into their store, "but we are glad to tell Dr. Howard's specific for the cure of constipation and dyspepsia on that basis."

"The Dr. Howard Company, in order to get a quick introductory sale, authorizes us to sell their regular fifty cent bottles at half-price, 25 cents, and, although we have sold a lot of it, and have guaranteed every package, not one has been brought back as unsatisfactory."

"One great advantage of this specific," he continued, "is its small dose and convenient form. There are sixty doses in a vial that can be carried in the vest pocket or purse, and every one has more medicinal power than a big pill or tablet or a tumbler of mineral water."

"We are still selling the specific at half-price, although we cannot tell how long we shall be able to do so, and anyone who is subject to constipation, sick headache, dizziness, liver trouble, indigestion, or a general played-out condition, ought to take advantage of this chance. You can tell your readers that if they are not satisfied with the specific they can come right back to our store and we will cheerfully refund their money."

The Thaw defense may rest its case the last of this week.

### March Burr McIntosh Monthly

The current issue of this beautiful magazine, now on the news stands, contains some exquisite results in color work. The frontispiece is a study from life reproduced in a dark shade of red by the Photogravure process. Another color study is from a photograph of Margaret Anglin in her remarkable success "The Great Divide". The art form contains a brief sketch of Titan with reproductions from his most famous paintings reproduced in an exquisite art tone ink. An interesting story on life in Mexico is superbly illustrated with unusual photographs. Under the heading of People of Note was: Dean Howell, ex-President Cleveland, Mrs. Cleveland, President Dix of Mexico and the Hon. James Bryce, the new English Ambassador are given prominent place. A special form consists of many pamphlets, all in the operative world and a number of prominent actors.

### REVIVAL MEETINGS IN FIRST BAPTIST CHURCH

Services Under the Direction of Rev. J. T. Jenkins, of Wilson, Indications of Great Spiritual Awakening.

The revival meetings in progress at the First Baptist Church under the direction of Rev. John T. Jenkins, of Wilson, are attended by large numbers of people, and the Christian people of the entire city are interested in them. The sermons are strong and those addressed to lethargic Christians are particularly pointed and conducive to activity. He shows in a clear and comprehensive way the duty of man to his Creator and the inevitable fate of the man who is careless about his soul's welfare. He speaks as a man of deep consecration and knowledge of the Bible.

Interest is increasing daily and doubtless there will be many conversions. Two services are held daily, one at 10 a. m. and one at 7:45 p. m., a song service precedes the evening meeting. The business men have generally responded to the requests of the committee in respect to the hours of service.

The public is urgently requested to attend these meetings.
