## A Bank Behind You

Don't you want to have a good bank behind you? The business man or the farmer who feels that in his banker he has a friend who will back him up when he needs it feels more like a man than one who has no such feeling. This bank aims to help its customers in every legitimate manner. The success of its customers is reflected in its own deposits almost immediately. A helpful bank and a reliable customer are a good combination.

New Haven, Conn., April 3.—Edwin Norton, son of a millionaire tin plate manufacturer was today granted a decree of divorce from his wife. He named as co-respondents in his bill 37 students of Yale college.

**Letter to C. D. Bradham, New Bern.**  
Dear Sir: Such experiences as this are occurring all over the country. Judge I. D. Fairchild owns two houses, exactly alike, in Lufkin, Texas. J. M. Torrence painted both houses, one Devore, 15 1/2 gallons; the other with another paint sold at same price; 25 gallons. That 25 gallon paint is weak and 15 per cent. whitening; that's why it took 9 1/2 gallons more.

You can learn for nothing what he had to pay for.  
Yours truly,  
F. W. DEVORE & CO.  
P. S. E. W. Smallwood sells our paint.

To open a can of Argo Red Salmon properly, lay the can on its side, insert the can opener at the seam, then stand the can on end, and pressing the top firmly down, work the can opener around the top, removing the entire top. The Argo then comes out in one solid piece.

**Havelock Notes.**  
April 3.—Our items did not appear last week on account of the writer being sick with measles.  
This week has been real cool for April weather. It hailed and snowed a little last Monday. It is awful bad weather on early gardeners but hope it will continue so very long.  
We are glad to report that Mr. Rook's family who have had measles are all better except his son, Earl, but hope for his speedy recovery also.  
Miss Lillie Russell is improving slowly.  
Mr. J. E. White was in New Bern Tuesday on business.  
Rev. W. A. Pfand filled his regular appointment here last fourth Sunday. Misses Georgia and Rena Godwin were in our village last Thursday visiting the sick.  
Mr. and Mrs. R. Aman and little daughter, Margaret, were in New Bern Friday.  
Mr. A. D. Rooks has received his spring goods and a nice line of ladies' hats. Come and see him.  
Mrs. Charlie Cannon passed through here Wednesday on her way, moving to Newport.

Messrs. George Turnage and Marcus Russell were visitors at Mr. J. F. Godwin's Sunday evening.  
**BLUE HILL.**

**The Change Will Probably be in the Morning, "Shoofly" and Wilmington Train the Trains Affected.**

The arrangement which the Corporation Commission, Superintendent Foster of the N. & S. and Assistant Superintendent Fountain, of the Atlantic Coast Line made in regard to the New Bern connection with the Coast Line is understood essentially to be as follows: The train known as the "Shoofly" reaching here at 10:10 a. m. will leave Goldsboro 30 minutes earlier and will arrive at New Bern at 9:40 instead of 10:10 as heretofore. The departure of the Wilmington train will be delayed 30 minutes and this connection will be made all around. The time of the stay in Wilmington will not be curtailed. The schedule of the evening trains will be correspondingly affected.

It is believed that this change will be a great accommodation to the traveling public, especially persons bound for points in Jones or Onslow counties as they have always been required to remain in New Bern over night. Connections at Kinston have also been adjusted to conform to this change.

There appears to be less time to make the western connection at Goldsboro but this undoubtedly will also be satisfactorily adjusted.

**Lunacy Commission's Work Finished.**  
Special to Journal.  
New York, April 3.—The work of the lunacy commission in the Thaw case has been finished. District Attorney Jerome read briefs prepared to show Thaw's insanity. Experts declare him insane. Thaw is confident however and seems to be happy over the prospect of declaring him mentally healthy.

**Victor's Great Band.**  
The Record-Herald of Hanover, Pa., says: "A greater band than Rosati's was the verdict of several hundred patrons of the Peoples Entertainment Course, who in the face of the blizzard gathered at the opera house last night to hear the Royal Venetian Band, under the direction of Sig. Calvati Victor. This organization of musicians was the best which has been heard here for many years, and had the weather been favorable not a single seat in the parquet would have been vacant. The grand selection from 'Faust' and 'Carman,' the overture from 'William Tell,' and the celebrated sextette from 'Lucia di Lammermoor,' sent a thrill through the audience, the ensemble being perfect in tone and harmony. The soloists, Signora Pontrelli, G. Talla, Perillo, Angurio, Belmonte and D'Amore are artists of great ability on their respective instruments.  
Conductor Sig. Victor is most graceful as a leader, of gentlemanly bearing, and a musician of rare attainment. The 24 parts in the band he has wrought into a perfect whole, the genius of the director being stamped on each selection rendered."  
Victor's band will be here Thursday, April 11.

Every can of Argo Red Salmon contains one pound net. It is always guaranteed to be full weight.

**CARDS OF THANKS.**  
I wish to tender my sincere thanks to friends and friends for their kindness and valiant services rendered me and mine during the fire Tuesday morning, April 3.

## PARDONS GRANT- ED MURDERERS

State Council Board Favors Governor Glenn Opposes, But Yields. Rewards Offered For Informers.

Special to Journal.  
Raleigh, April 3.—At Noon, Governor Glenn announced the decision of the three members of the council of state, Grimes, Dixon and Joyner, who sat on the pardon case of the Brothers Chalmers, and Thomas White, who murdered Russell Sherrill in the porch of his house, in Rowan county, two years ago, they being residents of Cabarrus county. The decision was, to grant pardon, and this the governor did, though he himself was opposed to it and believing the men guilty, and that their punishment, six years in the penitentiary, was light. The governor offers \$100 reward for the unknown persons who a few weeks ago burned several barns in Mecklenburg county.

**Mother Goose Play.**  
The Daughters of Confederacy have arranged a charming little entertainment entitled Mother Goose play which will be presented at their rooms on South Front street this afternoon at 4 o'clock. **Remembers the Great Creator.**  
The New York Morning Telegraph of recent date in commenting on Victor's Royal Venetian Band, which is to be heard in this city on April 11, says: "Victor's Royal Venetian Band made its first appearance at Proctor's Twenty-Third Street theatre this week. The company of musicians is excellent; one of its features is the leader himself. He is a quiet little man, with a military bow and reminds everybody of Creator in action."

**Free Will Baptist Church.**  
Services at St. Mary's Free Will Baptist church next week will be as follows: Rev. R. F. Daugherty will preach the first Lord's day in April, at 11 a. m. and 7:30 p. m. Rev. J. W. Alford will preach Monday evening at 7:30 p. m.

Every member is urged to be present. If you are not, you will be greatly surprised when you hear of the result of this meeting, which is especially for the transaction of important matters never before brought to the notice of the church. Let this notice be a sufficient invitation to every one.

**Harriman Will Produce Proof.**  
Special to Journal.  
New York, April 3.—E. H. Harriman whom President Roosevelt has virtually called a liar offers proof of the letters written him soliciting a contribution to the campaign fund of 1904. He says he can also show to what wire pulling and desperate methods Roosevelt resorted. Ex-Gov. Odell and Ex-Judge Parker support Harriman's statements.

**"Our New Minister."**  
The anxiously awaited date of Denman Thompson's and Geo. W. Ryer's comedy of Hardscrabble life "Our New Minister" which is to be presented here tomorrow night ought to prove the biggest theatrical success of the present season. It's success on it's first recent visit was such an astonishing nature that the town awaits the following morning it found "Our New Minister" the one topic of conversation. Manager Kehoe knows a good thing when he sees it, and lost no time in booking a return engagement which takes place on the above named date. Throughout this beautiful and comedy story of life in the village of Hardscrabble runs the scarlet threads of laughter, the gray threads of pathos and the white threads of good deeds, and from these variegated strands the authors have woven a tapestry of humor, love and kindness, that touch the heart and eye alike, and the characters stand out with startling fidelity to life. The same superb cast will positively be seen. The demand for seats is enormous.

Raleigh, April 3.—In accordance with the recent law passed by the legislature, the penitentiary directors turned over to the state treasurer, \$175,000 to be used for general purposes.

**Verdict Sustained Against A. C. L. Co.**  
Special to Journal.  
Raleigh, April 3.—The supreme court decides in the case of Stone vs. the Atlantic Coast Line, that the legislature has the constitutional right to impose penalties for unreasonable delays in delivering of freight by railroads.

**"Our New Minister" Tonight.**  
If one wants to pass an enjoyable evening which he can remember with the utmost pleasure he should go to see the play "Our New Minister" tonight. It made a great hit when produced here before and it will be given with the same result the second time. It is a play that will stand the test of time. Denman Thompson who has written several good plays, notably "The Old Homestead" is the author and that fact alone guarantees that it is far above the ordinary drama. It is running over with fun and yet there are passages which will bring tears to the eyes of any one who has a heart. Go tonight and learn a lesson in life.

## TO OCCUPY NEW OFFICE MAY 1

Special to Journal.  
Raleigh, April 4.—It is expected that the News and Observer publishing company will occupy its new building about May 1. The building is to be fitted up with every requirement for a modern printing office and no expense nor pains have been spared to make the building a credit to the city.

**Gum Tree for a Monument.**  
Special Correspondence.  
Raleigh, April 4.—There was today placed in the state museum a very handsome photograph illustrating the graves of Governor Richard Caswell and his two wives, these being near Kinston. There is no monument over the governor's grave except a very large gum tree.

Argo Red Salmon is the fish that made Alaska valuable to the United States.

**An Explanation.**  
Owing to the fact that repairs had to be made on the stand-pipe at the waterworks last night, the Journal was compelled to go to press several hours earlier than usual on account of the lack of pressure on the water motor. Therefore it has been necessary for us to exclude much of news matter that came to the office.

We are therefore forced to put out this issue somewhat curtailed as to news but we trust our readers will understand the difficulty in which we were unavoidably placed and will excuse us for not publishing more news.

Argo Red Salmon can be served on any table. It can be served as it comes from the can, or prepared in many palatable dishes.

**Loco.**  
April 3.—We are having some cold weather now. "Jack Frost" paid us a visit last night.  
Some of our people are attending services at White Oak today.

Messrs. Earl Woodcock and Warren Meadows of Wilmington were visitors here Saturday last.  
Misses Sidney Higgins and Etta Smith spent Saturday night and Sunday with relatives in Jones county.  
Some of our young folks went to the show at Pollockville Friday night.  
News is scarce with us this week.
