## KNIGHTS OF PYTHIAS DISTRICT MEETING.

Gathering of Chevaliers in Annual Session to be Held Here April 25.

Extensive preparations are being made by the Athena lodge No. 8 Knights of Pythias to entertain delegates to the district meeting which will be held here April 25 and Knights from eight or ten different lodges will be present. It is expected that Grand Chancellor Wilson, of Raleigh, will attend and that there will be speakers of note to make the gathering notable. Team work will be exemplified in the different ranks. A supper will be served after the lodge meeting.

**Father George Leaves.**

It is with great regret, that the Journal gives notice of the departure of Father George last night from this city, giving up his charge of St. Paul's Catholic church. Father George has a host of friends in New Bern, those not being confined to his church, but to the church people of every denomination hold him in the greatest respect and regard. Father George since his coming to this city, has always been interested in local matters, concerning every best interest of this community. His many friends will join with the Journal in wishing him continued success in life and in his work in his new home, which will be Winston-Salem, N. C.

Father Stapleton will come here to St. Paul's, from Winston-Salem.

**Disabled in the Carolina Sounds.**

Captain Caulk, of the schooner Kate McNamara, which arrived from New Bern, N. C., with lumber, reports an experience in the Carolina sounds. On March 31 the vessel was suddenly struck by what Captain Caulk believes was a waterspout. The sails of the McNamara were stripped, the cabin filled with water and the powerboat stern was thrown overboard by the complete destruction of the davits. For 16 hours Captain McNamara and his crew found refuge in the rigging and when the ship floated sufficiently level it was found that all the food on board had been destroyed.

Captain Caulk said that when the gale struck the schooner the power launch was carried fully 20 feet in the air before it went into the water and sank. It was recovered after repairs had been made to the canvas of the schooner.—Baltimore Sun, April 9th.

Washington, April 11.—The Interstate Commerce Commission will soon appoint a committee of experts to test safety appliances to prevent railway wrecks.

## BURNED TO DEATH.

**White Inmate of the County Home Succumbs to Epileptic Attack and Falls into Fireplace.**

Bithy Daughy, a white woman aged 35, was burned to death at the county home Tuesday night at 9:30. She had an epileptic fit to which she was subject and fell in the fireplace. In some way the body falling into the fire scattered the embers and the bedding on two beds was set on fire. A colored woman who slept in the same room in order to attend to the wants of the unfortunate woman was near to being cremated also. She raised an alarm and help arrived in time to save the building. The colored woman was not injured.

Miss Daughy did not recover consciousness but died at 9:45. Her body was badly burned. The burial service were held at the home yesterday at 4 o'clock.

**Presidential Boom for Senator Daniel.**

Special to Journal.

Richmond, April 10.—A movement is on foot here to promote a sentiment in favor of Senator John W. Daniel to be the Democratic candidate for president.

**Jerome is Bitter.**

Special to Journal.

New York, April 10.—District Attorney Jerome made a powerful speech for the conviction of Harry K. Thaw and he was unsparring in his denunciation of Evelyn Nesbit Thaw. He reviewed Thaw's past life and character and detailed the events leading up to the murder of Stanford White showing that Thaw's career was as questionable as was White's. He belittled the wife's story saying she had not told the truth; there was no proof of unlawful relations with White. He was intensely bitter and left nothing unsaid derogatory to Thaw or his wife.

**Death at Reelsboro.**

April 9.—On the morning of the 6th of April death entered the home of Mr. C. K. Simons of Reelsboro and took away the wife and mother. Mrs. Simons was in her 47th year. She will be greatly missed in our community, especially where there are sick ones. She was a kind and affectionate wife and mother. A good woman has gone to her reward, leaving a husband, two sons an aged mother, relatives and friends to mourn her departure, not though as those having no hope.

Mrs. Simons lived a Christian life, died trusting in God. To the bereaved ones we extend our deepest sympathy and commend them to the one who doeth all things well.

We shall sleep but not forever. We shall sleep a glorious dawn. We shall meet to part no never. On the resurrection morn.

A FRIEND.

**Daughter Testifies Against Father.**

Special to Journal.

Wilson, April 10.—The preliminary trial of Nathan Moore for the murder of his son developed some sensational incidents here today. The court house was crowded and the most important witness was the daughter of the prisoner. The young lady swore that Moore told her that he had beaten and killed her brother with a bottle. She also said that he operated a moonshine distillery in their section.

**"The Twin Comedians are Coming."**

There have been scores of comedians of different types produced in the last few years, most if not all founded on the lines of mistaken identity but in this line of comedy work there are in all probability no comedians have at their disposal a better field than The Lyman Twin Brothers who will be seen here Tuesday April 16, in their latest musical farce "The Rustlers."

It is hard to comprehend the true meaning of "mistaken identity" both from a funny as well as a serious standpoint until you see it portrayed by two persons like the Lyman Twins who look exactly alike and taken for one another at every turn, for instance if one was married, and one single and the wife of the married was to meet the single one, run up and kiss him, tell him about the new suit she just purchased and ask him for two dollars to buy shoes for the baby, the poor man would be dumb founded. That is real mistaken identity. A. P. N.

**Cooking Demonstration at Baxter's.**

J. J. Baxter's clothing store has had a somewhat peculiar experience for a few days past by entertaining a demonstration of Snow Drift Lard. A culinary department of a gentlemen's furnishing emporium is rather suggestive of an attempt to establish bachelors' clubs to acquaint the unmarried masculine sex with the ins and outs of making bread and pie.

Miss Newman is the demonstrator making in behalf of the Southern Cotton Oil Co. of Savannah, Ga. A large number of people have sampled the toothsome dainties and attest their excellence.

**Bought Partner's Interest.**

The grocery firm of Cuthrell & Loker, composed of J. F. Cuthrell and A. F. Loker has dissolved. Mr. Cuthrell has purchased the interest of Mr. Loker and the business will be continued in his name. He will put in a first class line of groceries.

## THE MILL OF THE LAW.

**Grinds Slowly. Only Two Cases Tried in the Superior Court Thus Far.**

The case of the Standard Sewing Machine Co. vs. D. A. Owings was on trial as the court adjourned last evening. This case began Tuesday noon, and the fight has been waged hotly by the attorneys and numerous witnesses were examined.

The defendant has been singularly unfortunate. He has recently had bankruptcy proceedings in the Federal court and the case on trial is brought by the plaintiff corporation on the ground that Owings has been fraudulent in his dealings with them. The suit appears like persecution as the defendant will not be able to pay the judgment.

Simmons, Ward & Allen, and R. A. Nunn represent the plaintiff and Moore & Dunn and E. M. Green and H. C. Whitehurst are counsel for the defendant.

The cases on the calendar for yesterday were Parker vs. Primrose; Derrickson vs. A. & N. C. R. R.; Pugh vs. Goldsboro Lumber Co.; Jones vs. A. & N. C. R. R.; W. P. Metts vs. A. C. L. Ry. These with even cases of Tuesday's calendar were continued.

**The Baseball Meeting.**

There was an enthusiastic crowd at the baseball meeting in the city hall last night. New Bern will in all probability have a club of semi-professional players and will join this league. William Ellis was chosen manager. The following members of executive committee are requested to meet at the office of E. W. Rosenthal today at 12 o'clock:

1st Ward—F. M. Hahn, William Ellis; 2nd Ward, E. W. Rosenthal, Albert Patterson; 3rd Ward, Tom C. Daniels, Mark Stevenson; 4th Ward, John M. Hargett and J. M. Spencer; 5th Ward, C. J. McCarthy; 6th Ward, E. T. Hollowell, Wm. Dunn. Work will begin on the grounds at an early date.

**Edward Items.**

April 8.—We are having some very beautiful weather at present. John Jones was put in jail at last night and fined two dollars for misbehavior.

Misses Love and Mammie Edwards returned today from Behaven, where they attended the marriage of Miss Ada White and Mr. Swindell. Master Glendon Dunn spent Saturday and Sunday with his uncle, G. A. Edwards of this place.

Miss Julia Latham and Miss Myrtle Holton spent Sunday at Aurora.

Miss Neva Boyd, Miss Tonie Crawford, Miss Edna Boyd and Miss Vernia Boyd attended the Easter ball at Aurora, April 4.

Mr. Dimple Stille of this place has been very ill but hope he will soon be out.

Elder Tickner is visiting Mr. Ben Beditt today.

Miss Maud Tuten and Mrs. Bessie Cayton, visited here Wednesday.

Miss Hattie Hays of Wilson is visiting Mrs. W. H. Edwards of this place. G. A. E.

**Grand Council Royal Arcanum.**

Raleigh, April 10.—All the 47 councils of the Royal Arcanum in North Carolina are represented in the grand council, now in its eighteenth annual session here. Grand Regent S. M. Brinson presiding. Reports show a flourishing condition. The Raleigh council leads all in increase of membership. Special services were held in memory of Past-Supreme Secretary W. O. Roberson, of Boston and Grand State Regent Eugene H. Brooks, of Reidsville, tributes were paid to the memory of Dr. Brooks by C. E. Hoadley, of New Haven, J. A. Ramsey, of Salisbury, Rabbi Mendelshon, of Wilmington, Grand Regent Brinson, of New Bern, J. F. Teah of Reidsville and Henry E. Bonits, of Wilmington.

Medical Examiner May read a statement showing the diseases which caused the death of members in North Carolina since 1878.

**Get Rid of Indigestion and Things Will Look Bright and Joyous.**

Even in the present era of prosperity and good times everything appears black to those people who are suffering wretchedly from some form of indigestion. Where digestion is quick, complete and easy there is a joyous and hopeful outlook, but indigestion causes depression.

The want of a safe, effective cure for sick headache, indigestion and stomach troubles, was always felt until the prescription known as Mi-o-na stomach tablets was put up in popular form and proved its invariable success in the many forms of indigestion.

After a few days use of Mi-o-na stomach tablets the headache, dizzy feeling, drowsiness, bad taste in the mouth, coated tongue, nervousness, sleeplessness, distress after eating—all these symptoms of a weak stomach—will disappear and perfect digestion and a good skin will show that the vital machinery is once more running smoothly.

Mi-o-na is to be taken before each meal and it will stimulate the secretory and digestive juices and strengthen the whole of the digestive system so that the unpleasant full feeling will be absent and indigestion prevented.

Mi-o-na stomach tablets are sold only in a neat metal box convenient for the vestpocket and cost 50 cents. F. S. Duffy gives a guarantee with every box that the money will be refunded if the remedy fails to give satisfaction.

**Superior Court Transactions.**

The verdict of the jury of the Machine Co. vs. Owings was rendered in favor of the plaintiff. The case of R. L. Duffy vs. A. & N. C. R. R. was begun at noon.

**"BLUE DEVILS."**

## EVIDENCES OF PISTOL DUEL.

**Dead Body of Negro With Bullet Hole in Top of Head and Pistol With One Discharged Cartridge Features in Murder Mystery.**

Special Correspondence.

Greensboro, April 11.—About one o'clock this morning the dead body of a negro was found near the Hardwood factory. County Coroner J. P. Turner was notified and with the police repaired to scene of the killing. No one could tell who the negro was. The only thing in his pocket was a scrap of paper bearing the address, 608 Railroad street. A bullet hole in the top of his head showed that he had been killed by some unknown person. Near his right hand was found a 38 Iver-Johnson revolver containing an empty cartridge which had recently been discharged presumably at his slayer. When the coroner reached the scene the body had not grown cold. The watchman at the Hardwood factory said that he heard several pistol shots just before he informed the police. The body was turned over to the undertaker and the police this morning found the man was Bert Dooley of Statesville who had been working here for some time. Investigation is now in progress as to his murderer and the cause for the horrible deed.

**"Clansman" Better Than Ever.**

Manager George H. Brennan presents "The Clansman" this season with many improved features. While all the sensational elements have been retained, the dialogue has been carefully revised, the Ku Klux given new habiliments, the scenes have been entirely repainted and the big climaxes quickened. The company remained practically the same as won such plaudits on its previous southern visit. Patrons of the New Masonic opera house will see "The Clansman" at its best on Monday night, April 15.

Hundreds of people have told the grocers that the Argo Red Salmon is the best Salmon that they have ever eaten. Ask your neighbors if they have tried it.

**Requires Another Primary.**

At the primary election held in the city of Kinston Wednesday the race for mayor was so close that it will require a second primary. There were three candidates whose votes were recorded as follows: LaRoque 283; Midyette 189; Coleman 151. Mr. Coleman has withdrawn from the second contest leaving the result of the election to Messrs. LaRoque and Midyette.

**First Through Train From Norfolk.**

A solid train of 16 cars arrived in New Bern from Norfolk yesterday by the way of Washington over the Raleigh & Pamlico S. and division of the Norfolk & Southern road. This is the first train to go the full length of the road.

**Superior Court Transactions.**

**Argo Red Salmon is just the thing for unexpected company. There is nothing better to serve from the can. At all grocers.**

It is not often that two such musical treats as the people of New Bern enjoyed last night occur at one time. It was regrettable that there was a conflict of dates but 'twere better so than that we should miss either one or in their widely different natures they rank among the best musical productions that have been heard in the city for many years.

The Methodist church was crowded to hear the organ recital by Clarence Eddy. His mastery over the difficult instrument is perfect and he gets more music out of a pipe organ than almost any other living artist. He has for many years been an organist of remarkable renown and it is a great pleasure to listen to him as he plays giving a new phase and expression to every piece which he played. Miss Maude Bullock, of Wilmington, sang several solos to Mr. Eddy's accompaniment which were greatly enjoyed.

A fair sized house greeted the Victor band at the opera house and the audience was immensely pleased with the entertainment. While harmony in such an organization is to be expected it is still a source of amazement that such unity can be obtained. Among the selections best liked were the first overture, selection from Faust; the encore after the first Mennet introducing popular airs.

The soloist Miss Arno, rendered two selections and barring the noticeable defect caused by a cold she sang in an easy graceful manner, which was heartily applauded.

Argo Red Salmon readily adapts itself to the requirements of breakfast, luncheon, dinner or supper and gives reasonable variety to every meal.
