

THE KING OF BLOOD PURIFIERS

For more than forty years S. S. S. has worn the crown of public approval and has been recognized as the King of Blood Purifiers. It has demonstrated its ability to CURE in thousands upon thousands of cases of blood and skin diseases until it is regarded today as the most reliable and safest of all blood medicines.

Pure blood means strong, vigorous bodies, well nourished systems, steady nerves, and all the machinery of life working in harmony with nature—thus insuring perfect health. Impure or diseased blood means the opposite of all this; any impurity, humor or poison in this vital fluid acts injuriously on the system and affects the general health. Pustular eruptions, pimples, rashes and the various skin affections show that the blood is in a feverish and diseased condition, as the result of too much acid or the presence of some irritating humor. Chronic Sores and Ulcers are the result of morbid, unhealthy matter in the blood, while Rheumatism, Catarrh, Scrofula, Contagious Blood Poison, etc., are all deep-seated blood disorders that continue to grow worse as long as the poisons which produce them remain in the blood.

All blood troubles are not acquired. Through the blood disease germs are transmitted from one generation to another. Parents hand down a tainted circulation to their children, and we see its effects manifested in various ways. The skin has a waxy, pallid appearance, the eyes are often weak, glands of the neck enlarged, and, as the taint has been in the blood since birth, the entire health is usually affected, and the system weakened from want of nourishing, health-giving blood.

In all blood troubles S. S. S. has proven itself "The King of Blood Purifiers." It goes down into the circulation and removes all poisons, humors, waste or foreign matter, and makes this life-stream pure and health-sustaining. Nothing reaches inherited blood troubles like S. S. S.; it removes every particle of the taint, purifies and strengthens the weak, deteriorated blood, supplies it with the healthful properties it needs and establishes the foundation for good health. As a tonic S. S. S. has no equal, and it will be found especially bracing to weak, anemic persons.

One of the greatest points in favor of S. S. S. is that it is purely vegetable, made from nature's healing, cleansing, health-producing roots, herbs and barks. It is the one medicine that may be taken with absolute safety by the youngest child or the oldest member of the family. Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison, and all other blood troubles are cured permanently by S. S. S., and so thorough is the cleansing of the blood that no trace of the disease is left to break out in future years, or to be transmitted to offspring. If your blood is out of order begin the use of S. S. S., The King of Blood Purifiers, and restore this vital fluid to its normal healthy condition, and enjoy the blessing of good health. Book on the blood and any special medical advice desired will be furnished free of charge to all who write.

THE SWIFT SPECIFIC COMPANY, ATLANTA, GA.

THOROUGHLY TESTED IN HER FAMILY. S. S. S. has been used extensively in our family, gives to both young and old, and always with the best results. It thoroughly cleanses the blood of all impurities, at the same time it builds up the general health, gives appetite, strength and energy. We have given it to our children, as intimated, and found it to be non-injurious to the system and always capable of purifying the blood and restoring health. It is unhesitatingly recommended to it in all cases of blood medicine. It is superior to everything else as a cure for blood diseases. MRS. CLARA DAUBERT, Schuylkill Haven, Pa.

CHURCH DEDICATION AT ORIENTAL.

A Nest and Substantial Place of Worship in Our Sister Village by the Sound.

The steamer Blanche took quite a goodly number down to Oriental last Sunday to be present at the dedication of the new Baptist church at that place. The trip on the water was very pleasant and the hospitable reception on the part of the people of Oriental extended to all the visitors made the stay at that prosperous little town enjoyable to every one.

The splendid new church—built along modern lines—was filled at the appointed hour and the dedicatory exercises entered into. The sermon by Rev. Livingston Johnson was a very strong and forceful one, eminently appropriate to the occasion. At the close of the sermon pledges were received to liquidate the remaining indebtedness on the church and about \$360 was realized. This only leaves about \$25 due on the church.

The generous contributions of the people of all denominations speaks strongly of the unity among the Christian people of Oriental. A very large choir rendered splendid music for the occasion. Capt. Smith of the Blanche turned over to the Oriental church the profits of the excursion and this will materially assist them in paying off the remaining indebtedness.

A small and struggling band of Christians have now realized the hope of many years in a commodious and well arranged church building practically free of debt and costing about \$1,600.

Returns From Successful Trip. Col. Frank P. Morton returned yesterday from a two weeks trip in the interest of the Atlantic City at Morehead City. He expressed himself as highly satisfied with his trip and brings assurances of a splendid summer traffic at the popular resort. He thinks that notwithstanding the attraction at Jamestown there will be a good patronage there this summer.

Relief from Rheumatic Pains.

"I suffered with rheumatism for over two years," says Mr. Holland Curry, a patrolman of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk. At other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by Davis Pharmacy, F. S. Duffy.

James City Notes. We often read the wise sayings, viz: "Nothing is difficult to him who wills." "Education and liberty inseparable." "Labor conquers all things," and "Palma non sine pulvere," and it is a conceded fact that we can not enjoy the benefits derived from these wise sayings unless we strive lawfully to obtain them.

A good common school education, together with the best industrial education, are most necessary to make us good men and women, better citizens and better Christians. This of course must be accompanied with a true purpose and a heart free from envy and underground work. When it comes our turn to aid the cause industrial and public education, races, religions and politics and every other tie ought to fade; and all the people of this and every other place ought to unite hand in hand and heart to heart. We need a six or seven month school in James City, to keep those children in school that are not able to do any work, in fact, all of the children. And if we take the interest in our little girls and boys who some day will be men and women as we should, we would come together and raise enough money to keep our public school open 6 or 7 months in the year with our private funds. We want to kindly ask every true hearted citizen of James City and vicinity every superintendent of our schools, every deacon, every preacher and every lover of education to meet Monday night at Reform Shiloh church at 7:30, May 6, 1907, to take this matter under consideration.

"An Ordinary Man" Discovers That True Greatness is Possible to Him

I am an ordinary man. It is with sorrow I admit it, for I had my aspirations. I meant to achieve greatness. As a boy, I was a hero-worshipper; I had the greatest for the fellow who could do things—for the boy in my boyish vagueness, I did not who best me in athletics, for the teacher who could make the dulllest pupil understand, for the man who could sway multitudes by his oratory. As I grew older, I had my favorite heroes in literature and history—Robinson Crusoe, Alexander the Great, and an indiscriminate host of others. I was emulous of all this heroism. I, too, would do something worth while. In my boyish vagueness, I did not know whether I should be an explorer, a great soldier, a writer of books, a sculptor, or what; but of one thing I was certain—I would be a great man; the world should hear of me some day.

I started on my college life full of high hopes and purposes. I met with some success, enough to encourage me to press on. I learned many things not in the curriculum. And it was here, I remember, that I caught the first faint glimmer of a truth which I was afterward to learn more thoroughly through tribulation and disaster; namely, that the most important thing in life is not so much what we do as what we are.—From "The Confessions of an Ordinary Man," in The May Circle.
