ELLISON-HANKS

A Pretty Wedding of Poular Young People in the Methodist Church.

The first June wedding to be solemnized in this city this year was that of Mr. Charles Ellison and Miss Hattie Hanks at the Methodist church at 6 o'clock last evening. A large assembly of the friends of both bride and groom witnessed the ceremony which was performed by Dr. B. C. Beaman. The church was beautifully and artistically arranged with plants and cut flowers.

The ushers were Messrs. Hubert F. Hanks, Don Hanks, Albert Patterson and James Ellison, the latter from Washington, N. C. Mrs. Mamie Daniels Benton presided at the organ. As the music of the wedding march from Lohengrin sounded the party proceeded to the altar led by the ushers, the Maid of Honor, Miss Mattie Hill, of Washington, in advance of the bride escorted to the altar by her brother, Mr. W. H. Hanks, of Raleigh, who gave her away. They were met by the groom and his best man, Mr. Will Ellison, his brother of Washington, N. C.

The bride was attired in handsome and becoming Eton gown of tan colored Rogen silk and she carried a bouquet of bride's roses. She wore the gift of the groom which consisted of a pearl pendant with diamond centre. The dress of the Maid of Honor was white net over white silk and she carried pink roses.

Mr. and Mrs. Ellison were the recipients of a great many elegant, useful and expensive presents consisting of gold and silver, fine hand decorated China, cut glass and handsome furniture. Mr. and Mrs. Ellison left on the steamer Neuse for a short trip to Norfolk and the exposition and to Washington.

Both bride and groom are well known and very popular young people and have legions of friends who wish them a long, happy and successful life.

Freight Rates Abolition.

Special Correspondence.

Greensboro, June 6.—As an example of how freight discrimination against Greensboro works, the case of four mills could be cited. Although in the past ten years several roller mills have been established here, there is one running now, that of W. A. Watson & Co., who have held on for 14 years. This mill consumes 50,000 bushels of wheat per annum, but cannot enlarge the territory of its shipments because the Southern railway's freight rates are so adjusted as not to permit shipments to points beyond 50 miles of Greensboro, where Lynchburg and Danville, Richmond and Norfolk compete. Owing to this only ten per cent of Watson's product of flour is exported, the balance being used locally. Of course this restricts the flour milling industry here in the heart of wheat lands, and enables distant mills to get wheat from this territory and ship it back into flour to the prejudice of both farmers and laborers, as well as capitalists here.

Illustrative of the extent of one form of manufacturing here, which on account of its value as compared with its freight expense, is the Gate City Candy Company. This concern within the past 12 months, has paid freight on 140,000 pounds of glucose used in making candy. There is another candy factory here that is growing but the Gate City, is constantly enlarging, showing what a fine manufacturing center and distributing point Greensboro, were only freight rates fair and just.

St. John's Day Celebration at the Oxford Orphan Asylum.

In the great oak grove at the Oxford Orphan Asylum, on Saturday, June 2, 1907, the annual celebration of Saint John's Day will be held by the Masons of the state. A special communication of the Grand Lodge of Masons of North Carolina will be called. The Oxford Orphan Asylum Association, composed of former girls and boys of the institution, has planned to hold its second meeting.

Grand Master Francis D. Winston has appointed Past Grand Master, F. H. Busbee, of Raleigh, orator for the occasion. The children of the Oxford Orphan Asylum will assist in carrying out the interesting program of the day. A hearty invitation is extended to the good people of the state to be present. A large attendance is expected. Many bring baskets and enjoy an old-fashioned picnic dinner in the grove.

Barbecue dinner, lunches and refreshments will be for sale on the grounds. The Seaboard railroad will, in all probability, operate excursion trains from Raleigh, Durham and Weldon to Oxford. Other roads will likewise give special rates.

Japan May Sue for Injured Country Men.

Special to Journal.

Washington, June 6.—The Japanese minister intimates that his government will institute civil proceedings against the United States for injuries done the Japanese in the San Francisco riots unless reparation is made.

Severe Hail Storm in Jones.

A correspondent writing from the lower end of Jones county says that a terrible storm of wind, hail and rain passed over that section, Wednesday evening, June 5, doing a great deal of damage to crops and trees, especially fruit trees. Rail fences were blown away in many places, and the crops almost completely destroyed. The writer says that the hail stones were "as large as boys' marbles and could be raked up by the peck from the ground.

The storm swept a wide scope, and from near by points heard from, it was very severe. No fatalities have been reported but the injury to crops has been very great, the season being so far advanced that the damage cannot be repaired by replanting. In this immediate section cotton and beans perhaps fared worse than other crops, but if the storm happened to strike any growing tobacco, it was no doubt completely destroyed, as an instance of the awful destruction, a farmer who lives about three miles from town, carried out a load of baskets Wednesday morning, preparing to pick beans and it is said brought them back Thursday, saying that the storm had destroyed his beans and that he would have none to pick.

A Handsome Girl.

Mr. Albert Willis received through friend in Hill, N. Y., yesterday a message that will inspire the admiration of all who see it. Workmanship in marble and is not often seen on monuments of the kind. The tone is soft and enhancing and the purity is of remarkable quality, and it is something of which not only Mr. Willis but our countrymen would feel proud. It has been placed on exhibition at the Dawson's store.

MILITARY CLUB ORGANIZED IN GREENSBORO

Design to Inspire and Interest Youth in Arms and Military Proceedings.

Special Correspondence.

Greensboro, June 6.—A military club growing out of the Gite City Guards was organized last night for the purpose of encouraging military discipline and bring about more interest among the young men to give their service to this commendable organization. After adopting a constitution and by-laws the following officers were elected:

Governor Sergeants: Blanchard, Hines and Johnson; Corporals: Mearns, Miller and Streeter. Privates: W. G. Brown, W. Brewer and C. D. Smith. Supervising Committee: commissioned officers of the company. Capt. F. P. Hobgood, E. D. Kuyke Dall and P. D. Shaw.

The committee has secured rooms for the club in the K. of P. building where they will hold their regular meeting. In August the club will make a trip to Jamestown Exposition.

Military Resignations Accepted.

Special to Journal.

Raleigh, June 6.—Gov. Glenn has accepted the resignations of First Lieutenant Harold E. Johnson, Co. K, 1st regiment, Asheville, and Lieutenant A. H. Kafer of the New Bern division Naval Reserves.

Two members of the only existing drum corps which served in the Confederate army and attended the reunion at Richmond last week are very sick and their comrades say they have gone on their last parade.

Orchard A Fiend Incarnate.

Special to Journal.

Boise, Idaho, June 6.—In the Haywood murder trial the state's witness Harry Orchard was put on the stand today and his testimony shows him to be a hired murderer and one who held human life as valueless when a sufficient consideration was suggested for taking it. He speaks of different murders he has committed as "jobs" having intimated that he had done other crimes of like nature.

Chicago, June 6.—Threats are made by working men here that there will be a terrible revolt if Haywood and the other principals charged with the murder of Gov. Steiengberg are convicted.

A Record Number.

In commemoration of the entry to its new home The News and Observer issued a 96 page paper yesterday. It was curtailed in size and what it lacked in size it made up in volume. Consequently the proper measure should be 48 pages.

Doubtless when every thing is adjusted and going smoothly and the pressman is on more intimate terms with the press the paper will be more readable and more like its old self. However, the edition is splendid and speaks much for the enterprise and spirit of the publishers.

Greenville May Get the School.

Special to Journal.

Raleigh, June 6.—It is the prevailing opinion here that Greenville will get the Eastern Carolina Training school. Mr. E. F. Aydtette, of Elizabeth City, says that place is entitled to it.
