two months. It is on the most ap proved plans and in fine condition all ready for the First Regiment practice to be held in August.

A pardon is granted by Governor Glenn to Chas Dove, who has been killing of his own brother. The killing was with a gun wad, and there were, the governor says, extenuating circumstances. A pardon was refused one year ago. Judge W. R. Allen urged the pardon, he having imposed the sentence.

Sheriff Sears of Wake county has the execution against the Southern for the thirty thousand dollars fine imposed by Judge Long last week, for violation of the State passenger rate act. He says it may be several days before it is, served. And in the mean time some sort of a writ of proces is expected at any time from Judge Pritchard's court to stay the execution. In that event there could be an appeal by the State authorities to the Supreme court of the United States. This is expected to be the next move in the case at this end of the line.

Two additional rural school libra ries are authorized by the State superintendent of public instruction for Bancombe county.

An amendment for the charter of the North State Telephone Co., at Murfeesbore is authorized increasing the capital from \$10,000 to \$25,000. The principal incorporator is L. J. Lawrence.
