Special Correspondence. Raleigh, N. C., Jany 15 .- The Grand Lodge of Masons showed an increase of attendance today and the reports were finished. The attendance is beween 500 and 600. The quarters are ery much crowded. The next session will be held in the Tample where there will be a spacious auditorium. The members are delighted that the weather is so fine, as frequently it is very bad during the annual communications

-It is learned that State Treasurer Lacy, now in Arizona, is expected to return here late in Auril or early in May." The improvement of his health has been simply wonderful.

The meeting of the Anti-Saloon League in convention here next Tuesday will be quite a demonstration. Raleigh will be very lively next week and there is a great demand for quarters. Most of the members of the legislature have secured rooms. There will be many politicians and lawyers on hand, while to be sure the railways will have a large representation. 1.

has been stated that no one can tell how long the legislature will be in ression. Some people go so far as to say they think it will sit the entire 20 days, that being the limit under the constitution, but this really seems absurd, as the business ought to be disposed of in 6 days anyway. The more prevalent opinion is that a week will cover everything.

Governor Glenn left this morning or Washington to attend a very imof the various States to the Jamestown of the United States Department of Exposition, the object being to secure
