WHY ARE CITIES.

The natural laws govern the development and growth of cities. First location, then the first nucleus of a citizenship that co-operates.

With such a progressive movement cities are created. Like success, cities grow tremendously because its citizenship works towards and upon lines that make successful growth.

While the metropolis has the greater drawing power of men within its borders, yet every town or small city can attract men, if its citizenship shall make the proper endeavors.

The Origin of Royster Fertilizers.

Mr. Royster believed that success awaited the Manufacturer of Fertilizers who would place quality above other considerations. This was Mr. Royster's idea Twenty-seven years ago and this is his idea to-day; the result has been that it requires Eight Factories to supply the demand for Royster Fertilizers.

one or many human beings. No such number as those who were destroyed in New York, but it is not the question of numbers, a single life unnecessarily imperilled is a crime that the authorities every where should be on their guard to see rescued in advance, by having the menace removed, thus making those who have such dangerous places, properly protect those who may frequent them by every known means of safety in case of sudden fire.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies.

When you want a pleasant physic give Chamberlain's Stomach and Liver Tablets a trial. They are mild and gentle in their action and always produce a pleasant cathartic effect.

Women of the highest type, women of superior education and refinement, whose discernment and judgment give weight and force to their opinions, highly prize the wonderful corrective and curative properties of Chamberlain's Stomach and Liver Tablets.

LEES CHAPEL NOTES.

Jones County, March 27th.—We are having some very changeable weather now.

It is corn planting time now, and some of our progressive farmers have already planted.

"TULIP" Foley's Honey and Tar is the best cough remedy I ever used as it quickly stopped a severe cough that had long troubled me.

Blending the Odors. It has been proved that two odors which do not seem to have anything in common, that of petreol and that of pineapple, are so closely allied from the chemical standpoint that it takes but a few minutes to transform an intense stench into a sweet fragrance.

Forestalled. "Widows," said the observing man, "are very attractive, but about a widow there is always something uneasy, something almost clammy-ness, of course, from the matrimonial point of view."

A MOTHER'S SAFEGUARD. Foley's Honey and Tar for the child. It is best and safest for all coughs, colds, croup, whooping cough and bronchitis. No opiates.—F. S. Duffy.

John W. Sicksel Smith, Greensboro, Pa., has three children, and like most children they frequently take colds. "We have tried several kinds of cough medicine," he says. "But have never found any that did me any good."

TRUTH TRIUMPHS.

New Bern Citizens Testify for the Public Benefit.

A truthful statement of a New Bern citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, the cure is at hand. Read this:

C. F. Harget, 46 Burn St. New Bern, N. C., says: "I am just as pleased to endorse Doan's Kidney Pills at this time as I was after I first used them some years ago. My back ached a great deal and I had much pain through my kidneys which plainly showed that I was afflicted with kidney complaint. Doan's Kidney Pills were procured from the Bradham Drug Co., and they so effectively removed my trouble that I have only had need of them once since then. At that time they again acted promptly and gave me entire relief. I know that this preparation acts as represented and is worthy of the highest praise."

For sale by all dealers. Price 50 cents. Foster—Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—take no other.

An electrical storm of cyclonic force did much damage north of Philadelphia, demolishing buildings, unroofing houses and killing one man.

FOLEY'S KIDNEY PILLS FOR RHEUMATISM, KIDNEYS AND BLADDER Dr. D. E. Morris and four of his children were burned to death in their home near Aurora, Mo.

FOR DISEASES OF THE SKIN. Nearly all diseases of the skin such as eczema, tetter, salt rheum and barbers' itch, are characterized by an intense itching and smarting, which often makes life a burden and disturbs sleep and rest. Quick relief may be had by applying Chamberlain's Salve. It alleviates the itching and smarting almost instantly. Many cases have been cured by its use. For sale by all dealers.

Taking Away From the Subject. When Frederick Robertson of Brighton, the great preacher who had written much about Tennyson's poems and for whom the poet had a high regard, first called upon him, "I felt," said Tennyson, "as if he had come to pluck out the heart of my mystery, so I talked to him about nothing but beer."

WARNING TO RAILROAD MEN. Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroading. Geo. E. Bell, 839 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroading left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley's Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley's Kidney Pills to many of my railroad friends."—F. S. Duffy.

She Admitted It. A Mrs. Malaprop said to Clara Novello, the noted English prima donna, "You will admit that there is a great deal of evil life in the theater." "True, indeed," replied Clara, "but on which side of the curtain?"

CHINA SUBMITS TO RUSSIA

Grants Without Reserve The Demands of The Bear. Land Grabbing From China.

Peking, March 27.—China is not prepared to antagonize Russia completely, and as a result of prolonged conferences the Chinese foreign office today assented to the Russian minister, M. Korostovskis that China acquiesces unreservedly to the demands made in the Russian ultimatum concerning the provisions of the treaty of 1881. Russia insisted upon an answer before Tuesday.

It is generally considered that there was no alternative course in view of China's unpreparedness for war. Intense interest is being manifested in the attitude of Japan, which is obviously holding entirely aloof, although more powerful than ever at Peking. While the issues between China and Russia have been almost obliterated by the recent series of ultimatums, and, theoretically, insufficient cause for occupation exists, Russia apparently feared that she could obtain only paper promises, which the Chinese would not observe unless intimidated. Russians here point out that they have less now in the way of concessions from China than when the treaty was signed.

Some sections of the legation quarter ridicule Russia for not following in the first instance the recent example set by Great Britain in occupying territory and awaiting Chinese readiness to discuss the contested points. But it is recognized that Russia, by failing to do this, has shown that she does not possess aggressive designs. The Chinese newspapers, which are intensely ignorant of foreign affairs, are very hostile against Great Britain, which they accused of beginning the present land grab, and they prophesy that both Japan and France will not be long in following suit.

Reports from Harbin state that the Russian Railway has refused to transport several carloads of arms and ammunition destined for Chinese garrisons on the frontier. From elsewhere in Manchuria come indications of Japanese readiness to invest South Manchuria should the Russian investment in the North assume a serious aspect.

The clergy of Cincinnati are going to start a crusade against the open Sunday theatre and the problem played with the "eternal triangle" as its main theme, and the pictures of domestic unhappiness on the stage.

NO NEED TO STOP WORK. When your doctor orders you to stop work, it staggers you. "I can't," you say. You know you are weak, run-down and falling in health, day by day, but you must work as long as you can stand. What you need is Electric Bitters to give tone, strength and vigor to your system, to prevent breakdown and build you up. Don't be weak, sickly or ailing when Electric Bitters will benefit you from the first dose. Thousands bless them for their glorious health and strength. Try them. Every bottle is guaranteed to satisfy. Only 50c at all Druggists.

Spartacus. Spartacus was a Thracian of noble birth. While serving as an officer in an auxiliary corps of the Roman army he deserted, and, being apprehended, he was reduced to slavery and made a gladiator. Escaping, he collected a body of slaves and gladiators, 73 B. C., and ravaged all southern Italy, defeating several Roman forces that were sent against him. He was defeated and slain by Crassus, 71 B. C. His revolt at one time threatened the very existence of the republic.

FORCED TO LEAVE HOME. Every year a large number of poor sufferers, whose lungs are sore and racked with coughs, are urged to go to another climate. But this is costly and not always sure. There is a better way. Let Dr. King's New Discovery cure you at home. "It cured me of lung trouble," writes W. B. Nelson, of Calmarine, Ark., "when all else failed and I gained 47 pounds in weight. It is surely the king of all cough and lung cures." Thousands owe their lives and health to it. It is positively guaranteed for coughs, colds, grippe, asthma, croup—all throat and lung troubles, 50c and \$1.00. Trial bottle free at all Druggists.

The Department of Agriculture announces its readiness to begin the purchase of lands to protect the navigability of streams.

A SPECIAL MEDICINE FOR KIDNEY AFFECTIONS. Many elderly people have found in Foley's Kidney Remedy a quick relief and permanent benefit from kidney and bladder ailments and from annoying urinary irregularities due to advancing years. Isaac N. Hogan, Farmer, Mo., says: "Foley's Kidney Remedy effected a complete cure in my case and I want others to know of it."—F. S. Duffy.

An Accidental Omission. The cynic was discoursing on matrimony. "You say that no man ought to marry a woman who is fat or thin, tall or short, large or small," he said. "Then, in your opinion, the only sort of woman one ought to marry is one who is of medium size?" "Marry," said the cynic. "How foolish I am! I forgot her!"—Lippincott's.

When you have rheumatism in your feet or today apply Chamberlain's Liniment and you will get quick relief.
