A MISLEADING POLITICAL CRY.

Economies in political life as practiced, may be termed doubtful and apparent. Of a truth there can be no just claim made that real economy is ever actually carried out in politics.

Of all the political reform cries, that in the matter of political office appointments is the worst. The great cost of paying salaries, the great horde of office holders who are causing the government vast money expenditures!

No doubt the government might save a million dollars a day by following more practical business methods, by conducting its affairs with fewer political managers, and being honest with the people in the character of the expenditures, in making these so strictly the source to which they go.

WANTED—A REAL CUSTODIAN.

The government is usually held as vigilant, in the upkeep of its property. It appoints various officers, each having authority to protect, maintain and supervise so as to keep its material and physical property in first class order.

The federal building is not Democratic property, it is not Democratic property, though it is in Democratic territory and is supported in greater part by Democrats.

Vote For Recorders Court.

The recent statement of the opposition to the Recorder's Court for New Bern have made misleading statements to the public as to what the commissioners of Guilford county did by refusing to combine the Greensboro Recorder's Court and the High Point Recorder's Court.

NOT A FAIR TEST.

Anent a campaign to vote on a Recorder's court in New Bern, The Sun says: The promoters of the Recorder's court have been saying that no place that has a Recorder's court was willing to do away with it.

FORGOT HIS ORGAN.

So Filkins Had a Little Talk With the Customs Inspector.

Filkins had just returned from a six months' tour of the continent, and his trunk and boxes were numerous. With considerable anxious care he had prepared his declaration, but when he saw the eagle eyed inspector plunge into his work a wave of fear spread over him. Could he by any possibility have forgotten anything? And if so and it was brought to light would he have to suffer the pain and humiliation of arrest? Rapidly he ran over in his mind the delectable objects that he remembered having heard that others had brought in—clothing, objects of art, books, bric-a-brac, jewels, musical instruments—ah, his heart stood still—musical instruments—pianos, violins, flutes, organs—

With beating heart he approached the inspector. "Is there any duty on organs?" he asked in a trembling voice. "There is," said the inspector, fixing a cold, steely eye upon him. "Then," said Filkins, "I desire to withdraw my declaration for a moment."

"What for?" demanded the inspector. "I wish to amend it," said Filkins. "I've had my nose repaired and made over on the other side, and I'd hate to have that organ seized because I'd overlooked it."—Harper's Weekly.

Children Cry FOR FLETCHER'S CASTORIA

His Criticism. "You dare to criticize my gowms?" exclaimed Mrs. Filkins. "Well," replied her husband resolutely, "after hearing you refer to your pet bulldog as a perfect beauty I'm inclined to rely on my own judgment."—Washington Star.

THE SOUND SLEEP OF GOOD HEALTH.

Cannot be overestimated and any ailment that prevents it is a menace to health. J. L. Southern, Esq. Claire, Wis. says: "I have been unable to sleep soundly nights, because of pains across my back and soreness of my kidneys. My appetite was very poor and my general condition was much run down. I have been taking Foley's Kidney Pills but a short time and now sleep as sound as a rock, my general condition is greatly improved, and I know that Foley's Kidney Pills have cured me."—F. S. Duffy.

AVERTS AWFUL TRAGEDY.

Timely advice given Mrs. C. Willoughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung trouble. Price 50c and \$1.00. Trial bottle free. Guarantee by all druggists.

NEWS FROM MERRITT.

Pamlico county, April 6th.—As I have seen nothing in the Journal from Merritt lately I will send in a few items which I hope to see published.

The weather is perfectly beautiful and our farmers are taking advantage of it to push their work, which is now far advanced.

We have a fine school at Merritt, with fifty or more pupils. The teachers are, Misses Ida Cahoon and Katie Sawyer.

Merritt is getting up quite a record for base ball playing. Our boys are putting up some pretty "swift" games.

We have preaching here every second Sunday by Elder Harris whose sermons are greatly enjoyed.

The young people are making plans for a big entertainment at Merritt sometime in May.

Our Merchant Mr. W. C. Keel, has lately made a large increase in his stock of Groceries.

Some of our young folks had a delightful boat ride Wednesday, going down the creek to the government dredge boat. Mr. E. R. Edwards conducted the excursion.

A HEALING SALVE FOR BURNS, CHAPPED HANDS AND SORE NIPPLES

As a healing salve for burns, sores, sore nipples and chapped hands Chamberlain's Salve is most excellent. It always the pain of a burn almost instantly, and unless the injury is very severe, heals the parts without leaving a scar. Price, 25 cents. For sale by all dealers.

Lacked Something.

"You Germans have no sense of humor," said an American. "Try me and see," said the German. "Well," said the American, "you know America is the home of very large things—the highest mountains, the greatest waterfalls."

"Oh, yes, yes, yes," said the German. "And our trees," continued the American, "are so tall that in order to see to the top of them one man looks as far up as he can and another man begins where the first man leaves off and looks up to the top."

"But dat vass no joke; dat's a lie."

DO GHOSTS HAUNT SWAMPS?

No, never. Its foolishness to fear a fancied evil, when there are real and deadly perils to guard against, in swamps and marshes, bays, and low lands. These are the malaria germs that cause ague, chills and fever, weakness, aches in the bones and muscles and may induce deadly typhoid. But Electric Bitters destroys and casts out these vicious germs from the blood. "These bottles drove all the malaria from my system," wrote Wm. Fretwell, of Ithaca, N. C., "and I've had fine health ever since." Use this safe, sure remedy only, 50c at all druggists.

Ingenious Spiders.

Spiders have a number of ingenious ways of alluring and catching their prey. A writer describes an American spider which haunts evergreen trees and snares its dinner by means of a kind of lasso. The web of the spider is triangular in form. Two corners of the triangle are attached to twigs, but the other corner, which ends in a silken thread, is held by the spider, perched on a neighboring twig. When a fly strikes the web the spider tosses his hold, and the elastic threads instantly entangle the victim.

ONE CONDUCTOR HELPED BACK TO WORK.

Mr. Wilford Adams is his name, and he writes: "I was confined to my bed with chronic rheumatism and two bottles of Foley's Kidney Pills with good effect. The third bottle put me on my feet and I resumed work as usual on the next day."—F. S. Duffy.
