A Well Known Man's Opinion.

The Savodine Co., New Bern, N. C. We have derived so much benefit from the use of SAVODINE, that we wish to add our testimony to the list of those already acquainted with its merits.

My wife has been using SAVODINE for quite a while for a cold in the head, also has found it a ready relief for CATARRH but above all that, is the fact of its having proved itself invaluable to us for our baby. A short time ago he was taken very sick, and as he would clap his little hands to his ear, we decided he must be suffering with earache, and realizing that something must be done at once, we put a tiny bit of SAVODINE in his ear covered it with warm cotton and in a few minutes he was sleeping as sweetly as though he had never had a pain. We cheerfully recommend Savodine as we will always feel grateful for what it has done for us.
