34th. YEAR

NEGRO MAN SERIOUSLY CUT

Walter Jones Attacked By Flora Dudley and Carved so Badly With a Pocket Knife He May Succumb To Injuries.

Early Sunday morning Walter Jones colored, was attacked by Flora Dudley also colored, and a frequent visitor to the police courts, and so badly cut that he is now in a serious condition while the woman is being held in the county jail awaiting the next term of Craven county court.

From the evidence given by a number of witnesses in the case it seems that Jones and the Dudley woman had been very intimate during the past few months. Saturday night the Dudley woman went over to James City to attend a dance that was given by one of her friends. Upon returning to the city at an early hour Sunday morning she espied Jones engaged in conversation with Rosa Brown. This doubtless enraged her and she proceeded to carve the pair up. The Brown woman was cut in a number of places and Jones had his jugular vein almost severed and one of the main arteries in his arm cut in two.

In the hearing yesterday afternoon Flora Dudley plead not guilty but from the evidence of several witnesses probable cause was found and she was sent over to the next term of superior court.

Former New Berniah Dead.

Mr. William H. Hill, a native of this city, but for several years residing in Newport News, Va., died at his home, there yesterday afternoon. The deceased was a son of the late Captain William H. Hill, a shipmaster, sailing from this port for many years on the Schooner Adie Henry and other vessels. Mr. Hill married a Miss Wethington of Core Creek, this county, sister of Mr. H. M. Wethington of Clarks, and Mrs. J. W. Stewart of New Bern, she survives.

The remains will arrive here this afternoon on Norfolk train and the funeral will be held from Centenary Church Wednesday 4 o'clock p. m. Interment in Cedar Grove cemetery.

A Busy Man Has Just Arrived.

Good news he brings to New Bern, a large stock of all kinds of sawed Shingles on hand. He can and will please you. See Big Hill for lowest prices.—The Old Reliable.

Police Court Proceedings.

Mayor McCarthy had a full docket in his court yesterday afternoon, as is usually the case on Monday, and more than an hour was consumed in the session. The following cases were disposed of:

Joe and Sarah Washington, colored, charged with being disorderly conduct, were found guilty, but on account of this being their first appearance in court were released upon the payment of the costs of the cases.

Billy Jones, colored, charged with being drunk and disorderly, was let off with the payment of the costs of the case.

Calvin Hewitt and Daniel Hewitt were taxed with the cost for being disorderly within the city limits.

Leman Morris was ordered to pay Lewis Curry \$1.00 for breaking out a window in his store last Saturday night.

Library Tables.

School time is fast approaching. You will need a good strong Library Table for the children to study around at night. I have them in quartered oak, mahogany and weathered oak. Prices ranging from \$6.00 up.

J. S. MILLER.

Will Make Flight in Aeroplane.

To substantiate the idea that whatever is new, novel, thrilling, bewildering, educating interesting, The Mighty Haag Shows has first. Mr. Haag has secured under enormous expense the celebrated king of the air, Mons. Di'Fashlan and his world famous aeroplane "Motor." Mons. Di'Fashlan has had all France at his feet since his successful flights with the "Motor." He is to-day the only undisputed equal of the celebrated Wright Bros.

Mons. Di'Fashlan positively will demonstrate with the Mighty Haag Shows at New Bern, Sept. 27th.

GERMANY'S DEMANDS IMPOSSIBLE

French Reply Conciliatory In Spirit But Firm as to Questions of Principles.

Paris, Sept. 12th.—France's reply to Germany's counter proposals in the Moroccan negotiations has been written and was laid before the French cabinet recently for approval. The task of drawing up the reply proved simpler than at first expected, doubtless because the German demands were such as could not be accepted by France.

The Premier, M. Caillaux, after conferring with several colleagues made up his mind last night to convoke a meeting of the cabinet for 4 o'clock this afternoon and sent notices to the minister. M. Caillaux will lay before them his answer to Germany, after which it will be dispatched by special courier to the French ambassador at Berlin, who will hand it to the German foreign minister.

It is understood that the reply while written in a spirit of conciliation, is absolutely firm with regard to the position France has assumed concerning questions of principle from which France will not depart a hair's breadth. The Premier's energetic and business like manner of proceeding has had a good effect. It is regarded as another proof of the absolute unanimity and firmness of the government as to its policy and as a manifestation of the government's desire to do the utmost to shorten the period of uncertainty which is having such prejudicial effect on the markets of the world. It also removes any possibility of charges that France by delay assisted in bringing about further financial distress in Germany.

The broad outlines of Germany's proposal have been communicated to the public because the government believes that the people have a right to know at this period of tension what is being done. Foreign Minister Desseines has also indicated a semi-official note that France's reply would be a refusal to accept Germany's conditions. In this French opinion appears to be wholly unaltered and prepared for any contingency.

One point of view in official quarters is that Germany's financial situation, which is expected to reach a climax by the end of September, may tend to moderate Germany's demand.

Death of Thomas Hunter.

Death came suddenly yesterday to Mr. L. T. Hunter as he sat down to his noon meal at his home on Burn street. It was not altogether without warning for Mr. Hunter has been suffering several months with a form of heart disease from which there was scarcely any hope of recovery. However, although unable to do any manual labor, he was not confined to his bed but was able to be up and around until the end came as related.

The deceased was a native of Lenoir county, fifty years of age, married, his wife being a daughter of Mr. William Jones of this city, who, with two sons, and two daughters, survive him.

Mr. Hunter came to New Bern from Trenton, about thirteen years ago, and has resided here ever since, most the time being in the mercantile business. He was a carpenter by trade, skillful and industrious, and for the past few years has been filling a responsible position in the car shops of the N. & S. railroad.

During his residence here Mr. Hunter had made many friends as he had done in other places where he has lived. These friends will be saddened by the news of his death and their sympathy will go out to his family in their bereavement.

Funeral services will be held from the residence No. 50 Burn street, this afternoon 5:30 o'clock, conducted by Rev. J. H. N. Sumterell, D. D.

TRUIT ITEMS.

Craven County, Sept. 12.—We are having bad weather on crops. Some of our farmers have not finished saving fodder yet.

Miss Thelma Fulcher has returned from a visit at Small, where she had a good time.

Our pastor failed to fill his appointment Sunday morning and at night. We had a large attendance at our school last Sunday and it was an enjoyable occasion for all.

There will be quarterly meeting at Spring Hope next Saturday and Sunday "Motor." Mons. Di'Fashlan has had all France at his feet since his successful flights with the "Motor." He is to-day the only undisputed equal of the celebrated Wright Bros.

A good many from here will attend the picnic at Ermi's next Thursday, among the ladies will be Misses Nettie and Mamie Campbell.

FT CASWELL CAPT. COURT MARTIALED

He is Alleged to Have Had a Farmer Arrested Without Cause.

Wilmington, Sept. 12.—Capt. Samuel T. Ansell, acting judge advocate general of the United States army arrived in the city and today held the court martial of Capt. Howard L. Landers for alleged mistreatment of Mr. A. W. Moore, a trucker, while the former was temporarily in command of Fort Caswell during the summer. Captain Landers had Mr. Moore arrested and locked up at the fort for selling watermelons for a higher price than Landers agreed that he could sell them for on the government property. The complaint of Mr. Moore was made through his attorneys to Senator Overman, who presented the matter to the War Department. The hearing took place in the United States court room here and finding has not been reported at this hour.

IN MEMORIAM.

On Thursday night Sept. 7, 1911 the death angel came to the home of Mr. and Mrs. M. F. Pugh and bore to his heavenly home their darling little girl Elizabeth. Though her precious life was so short here on earth, she had gained the love of all who knew her and I have never known more sorrow over one so young. To know her was to love her. Her sweet ways won the hearts of all around her and papa and mama are not all that miss you little Elizabeth. No more will the patter of her little feet be heard and her sweet voice calling "mama," but in the beautiful city of God we hope to meet her where no burning fever, sickness or pining can come. Weep not beloved parents little Elizabeth is now a treasure laid up in Heaven, and her angel face does always behold the face of her Heavenly Father and where you are sure of being forever united if faithful to the end.

"I take these little things as said he
And lay them in my breast,
Protection they shall find in me
And in me be ever blest.
ONE WHO LOVED HER.

Pleasant Houseboat Trip For Onslow County People.

Mr. and Mrs. Fred Nelson of Belgrade gave a very enjoyable house party on board their boat the "Pleasure, of Beaufort" from Aug. 21 to Sept. 4th. The merry party left New Bern Tuesday afternoon and visited Beaufort and Morehead City. About noon Saturday as she was gliding swiftly over the rippling waves the party were seated on upper deck enjoying the beautiful scenery, playing "pig" and feasting on watermelons and apples beautifully provided by the host.

Capt. Terry Moore anchored the boat in the lively little town of Swansboro just in time to see "Old Sol" take his evening bath." The party heard two very helpful sermons at the Baptist Church Sunday.

The water was so rough Monday that the "Pleasure" could not be taken to the beach so Capt. A. H. Moore graciously consented to take the crowd in his gasoline boat to Bogue Beach, where bathing was enjoyed to its fullest extent, as a result of this Capt. Moore carried back a band of merry "Brownies." Tuesday afternoon found the party at the beach again bathing and rolling down the high sand banks. The favorite resort of the people while at Swansboro was Mr. Cannady's new drug store.

The most enjoyable hours were those spent on upper decks at night playing numerous games until midnight supper was served in the dining room.

The "Pleasure" left Swansboro about noon Friday and went to Bear Banks. There they had great sport fishing and climbing the highest mountains of sand they could find. Just at twilight the boat glided smoothly down the sound and arrived at the beach opposite a Beaufort the next evening. While there they visited Fort Marion, by U. S. Life Saving Station, and saw the high banks on Cape Lookout, ten miles distant. After supper the young folks took a stroll on the beach to see the ocean by moonlight which was indeed a grand sight. The party started for New Bern Sunday morning and arrived there safe and sound Monday morning.

Those who composed the party were Mr. and Mrs. Nelson, Messrs Gussie, Willie, Levir, Bennett, and Chauncy Nelson, Perry Henderson, Noland Mottet, A. H. Moore, John Gibson and John Hurst.

All who went declare this to be the most delightful time of their lives and feel that they can never thank Mr. and Mrs. Nelson for giving them this grand trip.

ONSLOW'S EDUCATIONAL RALLY

Dedication and Corner Stone Laying of Fine New School Building at Jacksonville.

Jacksonville, Sept. 13th.—Yesterday was Onslow county's greatest day. It was the day set aside for laying the corner stone and dedicating the handsome new public school building that has recently been erected in this town. Over 1,500 people from all over the county were here, and from the beginning of the exercises at 11 o'clock until their conclusion at 4:30 the interest of the immense crowd never waned. This shows how much alive Onslow is over the subject of education.

Shortly after eleven o'clock the exercises started with a procession composed of LaFayette Lodge No. 83, A. F. & A. M., of Jacksonville, the Confederate veterans of Onslow county, and the Cape Fear Independent band, from the court house to the school building. Arriving at the structure the corner stone was laid with the impressive Masonic ritual, Prof. M. C. S. Noble acting as Grand Master. Other Masonic officers for the occasion were: E. M. Koonce, deputy grand master; J. H. Bender, senior grand warden; F. W. Hargett, junior grand warden; Newton Sanders, senior grand deacon; Geo. A. Hurst, junior grand deacon; L. D. Sewell, grand treasurer; J. B. Petteway, grand secretary; R. H. Bradley, grand tiler; F. W. K. Kellum and F. W. Hargett, Jr., grand stewards.

Following the corner stone exercises the crowds repaired to a part of the campus upon which had been erected an open air speaker's stand and seats for the audience.

The speakers were Dr. J. Y. Joyner, State Superintendent, Prof. M. C. S. Noble, of State University, Dr. Cyrus Thompson, County Superintendent, Walter Thompson and Hon. E. M. Koonce, of Jacksonville.

The school building dedicated is a handsome two-story brick structure of modern design, situated on a beautiful knoll just across the railroad track from the business portion of the town. The expense of erecting this building was borne by the county and the State, and amounted to something like \$6,500, exclusive of equipment. It is now complete except for the doors and windows and the interior furnishings. The windows and doors would have been in place yesterday but for an unforeseen delay in shipment, and the furnishings will be installed with all dispatch.

RESULT IN MAINE CHANGED

First Report Gave Wets 1,400 Majority But Later Returns Put Drys Ahead By 459 Votes.

Portland, Me., Sept. 13.—Reports have been received from every city, town and plantation in Maine, and the result gives the prohibitionists a victory on the face of the present returns by a majority of 459 votes.

The vote has been verified in 312 of the 521 towns and cities, and unless many mistakes have occurred in the taking and tabulation of the remaining 209 places the "drys" seem assured of victory.

It is the most peculiar election which ever occurred in Maine. Early yesterday morning it was announced that with only a few towns to hear from the State had gone "wet" by 621 majority.

At intervals of about an hour all through the day after this the figures were constantly changed.

Hundreds of people stood in front of the bulletin boards of newspapers.

First the "dry" and then the "wets" cheered as news was flashed favorable to one or another until 8:30 o'clock last night, just twelve hours after the "wets" had been declared victors by 621 votes, the "drys" are said to have won by 459, a difference of 1,070 votes from the early morning standing.

"Wet" politicians are very sore and intimate that there must have been some tampering with ballots in country towns.

Colossal Canvas Equerry.

Your visit to the mighty Haag shows New Bern afternoon and evening Sept. 27 will not be complete without a tour of the colossal canvas equerry, even though you are not a lover and admirer of blooded stock, it is claimed you will find an hour of genuine pleasure and much to interest you in inspecting the droves of horses and ponies. For the last year agents have been in the different parts of the world making purchases for the department, with a result that today the mighty Haag shows possesses one of the largest, most varied and costly collection of representative members of the equine family which wealth can procure, and it is doubtful if anywhere near the like has ever been exhibited before. Certainly never by any traveling show.

Ladies and children are particularly invited to visit this horse fair, which all may safely do without escort, as uniformed and courteous attendants are always present, to look after the welfare of callers.

North Carolina May Profit By the Example.

A primary held in the State of Virginia on Thursday to nominate candidates for two seats in the United States Senate resulted in the renomination by majorities approaching 30,000 each in favor of the present incumbents, Thomas S. Martin and Claude A. Swan son.

This demonstrates the wisdom of the people of Virginia, who know the value in Congress of Senators and Representatives who, in the first place, possess the requisite ability, and in the next, have their capacity for usefulness greatly increased by long and continuous service.—New Orleans Picayune.

An Epoch in Showdom.

When Mr. Haag decided to inaugurate his 16th year as a successful purveyor of first class amusements, to the public he mapped out his route from coast to coast, opening his season in early March at Shreveport. Since then the show has traversed the state of Texas, California, Arkansas, Kansas, Oklahoma, Illinois, Indiana, West Virginia, Kentucky, Virginia, Tennessee, Ohio, North Carolina, South Carolina, and part of Georgia; and before closing will make Florida, Alabama, Mississippi, and Louisiana, establishing a trans-continental record never attempted by any show in any season. The show has used 46 railroads so far this season, exhibiting twice daily with the exception of Sunday.

Nature has been very good to the mighty Haag shows this season, having been exceptionally so in the wild animal department. The baby camel, Lola, is easily the favorite baby, with the baby elephant close behind. Daily you can witness the children of the different cities picking their favorite baby in the big menagerie, which is most always the baby camel.

The mighty Haag shows will exhibit at New Bern, Sept. 27,
