MORE PRONOUNCED PUBLIC SENTIMENT IS NEEDED.

Municipal ordinance issues, state and national legislative enactment of laws, all with the intention of providing for the safety of society, through law and order enforcement, are seen on every side to be practically valueless, all because of a lax public sentiment, as to whether they be strictly carried out or not.

The result of this public indifference is to be noted in municipal ordinance violations, and in the crowded state and federal court dockets. There are penalties for offenders, but where is there any positive deterrent, any cessation of crimes or lessening of violations of the law?

The last term of Craven county superior court took the entire two weeks for the trial of the criminal docket. Civil cases had to be continued to the expense and annoyance of many persons, to the further piling up and congesting of an already over-crowded docket. The Federal court in its October term here likewise was given up to criminal cases.

Tax payers rave and cry out against these court expenses, and yet is not their indifference at other than court session or tax paying periods, largely responsible for law violations, with their attendant heavy costs?

No law in North Carolina received a larger popular vote endorsement at the polls than prohibition, and yet it is daily violated in nearly every county. City and county criminal dockets are crowded, and grand juries find true bills for retailing in such numbers, as ought to shock and arouse public sentiment, certainly stir up the many thousands who voted local and state wide prohibition to a pronounced resentment, that would create consternation among those who now almost openly violate this law, that would deter all inclined violators to remain honest. Towns, cities and counties, not to include the state have given up great liquor revenues, by the vote of state prohibition. In place of these revenues there is the tax burden of criminal trials growing out of violating this law, when there should be public sentiment of strong disapproval upon violators, so that prohibition might mean something besides possible arrest and trivial fine or light punishment.

EDUCATE TO APPRECIATE EDUCATION.

United States Commissioner of Education, Claxton, makes the interesting statement that "more than four and one-quarter million children have quit school after finishing their elementary education who ought to be in the school. The pupils in the high schools represent less than one-fourth of the children that ought to be there."

The Commissioner's reason for saying the children ought to be in the high school, instead of leaving school before entering that department is obvious to every intelligent person friendly to higher education. The actual reason is largely due without doubt, to home influences or conditions. These influences may be necessary requiring children to help in the home bread winning. But perhaps a greater reason is home indifference. A boy grows up, becomes large for his age, but shows an attitude that suggests indifference to the home when

Southern Railway New Train Service An Important Change.

The management of the Southern Railway has authorized new train service between Asheville and Salisbury, N. C., new train to leave Asheville at 7:10 p. m., Eastern time, arriving at Salisbury 12:25 a. m., connecting there with train No. 30 for Washington, Baltimore, Philadelphia, and New York.

In the reverse direction the new train will leave Salisbury about 4 a. m., after receiving connection from the main line train No. 31 and reach Asheville at 10:30 a. m. This new train will handle Pullman Drawing Room sleeping cars each way through between Asheville and New York in connection with the main line trains Nos. 30 and 31 as referred to. In addition to the foregoing new train service the management of the Southern Railway has also instructed that improvements be made in the service on trains Nos. 11 and 12 where by Pullman observation cars will be operated on these trains between Salisbury and Asheville. This being accomplished by making the present Norfolk-Asheville Drawing room sleeping car an observation sleeping car.

The definite date for these changes has not as yet been given out, but will be within the next few days.

"I do not believe there is any other medicine so good for whooping cough as Chamberlain's Cough Remedy," writes Mrs. Francis Turpin, Junction City, Ore. This remedy is also unsurpassed for colds and croup. For sale by all dealers.

He Liked Turtle. Charles Keen in forcing a tavern companion to take mustard with his beef showed a more generous disposition than a city magnate who figures in the "Memoirs of Grantley Berkeley." Although a hearty feeder, Berkeley did not like fat and when served with turtle soup always left the green fat on the side of his plate. This is considered by many to be the best part of the dish, and at a city dinner Berkeley attended his neighbor observed him with horror deliberately rejecting the unctuous green fragments. "At length his feelings got the better of the alderman, and after demolishing his third helping of turtle he swept all the fat from his plate on to his grunting contemporary. 'Now they're wasted on you!'" London Chronicle.

IN THE REALM OF SOCIETY

Social Happenings In New Bern During the Past Week.

INFORMAL CARD PARTY.

One of the most delightful events of the season was an informal card party given Wednesday afternoon by Mrs. W. L. Hand at her beautiful home on Johnson street. Just at this time, the opening of the social season, many events are transpiring. However none are more pleasing to the guests than a card party, and those who were so fortunate as to be included in the event given by Mrs. Hand, were profuse in their praise of the hospitality and graciousness of their hostess. Brize whit, that delightfully entertaining game which the social realm of two continents have lauded was played.

Among those present were: Mr. and Mrs. M. M. Marks, Mr. and Mrs. J. T. Hollister, Mr. and Mrs. Harry Marks, Mr. and Mrs. Pettit, Mrs. Malfa, Miss Jane Stewart and Mr. Wm. Griffin.

BRIDGE WHIST CLUB ENTERTAINED.

The Wednesday Afternoon Bridge Whist Club, one of the leading social clubs of New Bern, was delightfully entertained last Wednesday afternoon by Mrs. E. K. Bishop at her lovely home on East Front street, in honor of Miss Elsie Dunn, of Philadelphia, who is visiting in the city. During the afternoon a number of games of Bridge Whist were engaged in by the guests, after which delicious refreshments were served.

The following guests were present: Mr. and Mrs. Wade Meadows, Mrs. J. T. Hollister, Mrs. W. L. Hand, Miss Elsie Dunn, Mrs. T. G. Hyman, Mrs. J. G. Dunn, Mrs. D. S. Congdon, Mrs. J. A. Mitchell, Mrs. Raymond Pollock, Mrs. R. D. V. Jones, Miss Sarah Congdon and Miss Sara Hollister.

WRIGHT-GABBETT.

Facing an altar artistically banked with ferns, palms and cut flowers and in the presence of one of the most brilliant wedding assemblies the city has known this season, Miss Mary Sidney Gabbett and Mr. Grosvenor Sterling Wright yesterday afternoon assumed the marital vows of the Episcopal Church. Upon the beautiful and tastefully decorated scene of the large auditorium myriads of tiny incandescent lights shed a soft glow and the church, with its exquisite decorations, beautifully gowned women and immaculately groomed men, made a scene of rare beauty and distinctive levelness.

Promptly at a o'clock the wedding party arrived and marched to the altar, Miss Gabbett attended by her maid of honor, Miss Emily Parmelee, of Staten Island, N. Y., while the groom was attended by his best man, Mr. Harry Parmelee, of Staten Island, N. Y. The ceremony of the Episcopal Church was pronounced by Rev. F. F. Huske. Immediately after the ceremony had been concluded the bride party were driven to the bride's parents' Johnson street where an informal reception was held. In the hall was Mrs. Gabbett, handsomely gowned in black velvet with Irish lace collar and cuffs. Lisle, Gabbett was present with Mrs. Gabbett.

Mrs. Harry Marks, wearing an attractive black lace costume, invited the guests into the dining room where they were served by Miss Fast Meade, of New York, who was gowned in white messaline. Those assisting were: Minta Jones, of Charlotte, wearing yellow messaline, Miss Maud Mungler; in white marquisette, Miss Harriett Marks, in brown chiffon over coral satin and Miss Sara Congdon, in yellow chiffon over messaline. In the conservatory Mrs. M. M. Marks, gowned in a lovely lace robe with pearl ornaments, served punch to the guests.

Dr. J. R. Patterson and Mr. J. S. Claypool acted as ushers. The bride is a daughter of Mr. and Mrs. Cecil Gabbett, of Savannah, Ga., and is universally known and admired in New Bern. She is a very sweet and accomplished young woman and has scores of friends all over the State who wish her much happiness in her married life.

Mr. and Mrs. Wright left on the northbound train for an extended trip through northern cities, after which they will reside at Staten Island, N. Y.

SAVED CHILD FROM DEATH.

"After our child had suffered from severe bronchial trouble for a year," wrote G. T. Richardson, of Richardson's Mills, Ala. "we feared it had consumption. It had a bad cough all the time. We tried many remedies without avail, and doctor's medicines seemed useless. Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure and our child is again strong and healthy. For coughs, colds, hoarseness, laryngitis, asthma, croup and whooping cough, the most reliable remedy that has ever been discovered. Price 50c and \$1.00. Try the free. Guaranteed by all druggists."

ADVANCE GUARD DRIVERS ARRIVING IN SAVANNAH

Trying Out for Vanderbilt and Grand Prize Races. Savannah, Ga.—The advance guard of drivers and cars for the Vanderbilt Cup and International Grand Prize races and light car races, which will take place in Savannah on November 27 and 30, have already arrived and are daily trying out the famous course over the Chatham county roads.

With the large number of entries and the world's most famous drivers, these two big blue ribbon events of automobile world will unquestionably prove the greatest road races ever held in the world. Never before have two events of such magnitude been held at one time. Heretofore the Vanderbilt Cup race was held at Long Island in October and the International Grand Prize Race at Savannah in November. Owing to the inability of the promoters to get the proper protection for the course during the race and the unequalled facilities offered by Savannah, it was decided this year to hold the big event at Savannah. It can hardly be called a certain affair for the Grand Prize, as it is itself such a world famous race, but it will be run first and two days later the Grand Prize race will be run, the two days being allowed to give competitors time to overhaul and "tune-up" their big space-killers for the Grand Prize event. In these races and the light car events it is probable that over seventy-five cars will be entered. The course is seventeen miles long, and with the cars eating up distance at the rate of 80 miles an hour, it will be readily recognized that there will always be "something doing" on every part of the course. Specially constructed cars have been entered, the most dare-devil drivers in the world have been secured and it is absolutely certain that the excitement is going to be intense and the races the grandest sport ever held in the South and, barring unforeseen accidents, the greatest the world has ever yet known.

IS THE WORLD GROWING BETTER?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers where to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. Try them. You'll see. 50c at all druggists.

Dollar Diplomacy.

(From the Popular Magazine.) "What is this 'dollar diplomacy' they're talking about?" asked the good-natured man. "Same old kind we've always had," exclaimed the thin man. "It means that only millionaires can afford to be ambassadors."

Two generations ago a Dutch physician, out walking with his child, called the lad's attention to a passing hay load as big as a mastodon. "There, my son," said he, "is the equivalent of what one man eats in a year in excess of what he needs."

QUICK RELIEF FOR RHEUMATISM.

George W. Koons, 1awton, Mich., says: "DR. DETCHON'S RELIEF FOR RHEUMATISM has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move, and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by Bradham Drug Co.

GRADED SCHOOL WEEK NEWS

Class Contest. Information Wanted. Enrollment. Foot Ball. Honor Roll For October.

Friday morning in the 88 Grammar Class, Miss Chadwick had a contest between the boys and girls on their knowledge of English Grammar up to date. The boys were on one side of the room, the girls on the other and sentences were given back and forth to be parsed. The girls missed 6 points and the boys 5 points during the entire period. The interest was fine and some pretty difficult sentences were passed.

Gertrude Carraway is preparing an article for the November Athenaeum on "Some Unmarked Historic Spots in New Bern and Vicinity." She would appreciate any information on this subject.

Miss Lina Ivey, one of the music teachers, on account of rheumatism in her right hand, has gone home for a few days. During her absence, Mrs. T. J. Roberts is substituting for her. Miss Ivey hopes to return to her work in a few days.

This month's report, which is published today, shows an enrollment of 788 as against 782 last year, and an average daily attendance of 725.84 as against 684.31 last year—an increase of 6 in the enrollment and 41.32 in the average daily attendance.

In the colored school there is quite a decrease in both enrollment and attendance. In the first month of last year, the enrollment was 611 and this year it is 444. Last year the average daily attendance for October was 424.20 and this year it is 299.70.

The present football schedule calls for a game in Goldsboro, on the 13th, with the Goldsboro High School and a return game at New Bern on the 25th. It is hoped that one or two games may be arranged with other nearby high schools.
