

A Warm Bathroom

PERFECTION
SMOKELESS OIL HEATER

Every mother should be careful that the children take their baths in a warm room. The chill of a cold room is dangerous after coming out of the hot water.

A Perfection Smokeless Oil Heater brings bathroom or bedroom to just the degree of warmth you want in five or ten minutes. All you have to do is to touch a match.

The Perfection Heater burns nine hours on one filling and is always ready for use. You can move it anywhere it is needed. There is no waste of fuel and heat warming unoccupied rooms. Just the heat you want, when and where you want it.

The Perfection is fitted with an automatic-locking flame spreader that prevents the wick being turned high enough to smoke and is easy to remove and drop back when cleaning.

Dresses finished either in turquoise-blue enamel or plain steel; light and ornamental, yet strong and durable—suitable for any room in any house.

Dealers everywhere; or write to any agency of the

SHORT PASSING EVENTS

TUESDAY.

There is considerable building being done in New Bern just at this time and it is a hard matter to secure the service of a carpenter or mason for a day or two. At many places in the State it is noticed that these workmen are walking the streets with nothing to do. If they would come to this city they could easily secure positions.

The Norfolk-Southern Railway Company will have on sale at this time and office the latter part of this week grand stand tickets for the Thanksgiving Day football game at Norfolk. These tickets will be sold at the same price as those on the grounds and have merely been secured for the convenience of those who intend witnessing the game on that day.

Preparations are being made in the local public schools to observe "North Carolina Day" on Dec. 22. The program of exercises for the observance of this event is out in attractive pamphlet form, it deals with the history of the various counties of the State and was prepared by Mr. R. D. W. Connor, Secretary of the North Carolina Historical Commission. One of the principal articles is a declamation, "The Old North State," taken from the address delivered by former governor Chas. B. Aycock, at the first North Carolina reunion at Greensboro, N. C., on Oct. 12, 1903.

WEDNESDAY.

Next Tuesday and Wednesday, November 28th and 29th, the Craven County Sunday School Convention will meet at Centenary Methodist Church in this city. A number of men who are prominent in the Sunday School work in this State will be present and it is hoped that every teacher in the county will be able to attend.

Mayor McCarthy had only one offender before him yesterday. The charge was disorderly conduct, and the defendant was dismissed upon the payment of the cost of the case. The police report that although there is an unusually large number of visitors in the city at this time, that there is but little disorderly conduct going on.

THURSDAY.

Despite the fact that the city was filled with visitors yesterday, there was not the least disorderly conduct by any of them. The local police say that it was one of the most orderly crowds they had ever seen. Every one seemed to be enjoying their visit to the full extent.

Yesterday morning at 11 o'clock the remains of Mrs. Archie Wallace who died at her home at Bridgeton on Tuesday morning, were laid to rest in Cedar Grove cemetery. Rev. Rogers, pastor of the Christian church in this city, conducted the burial service. Mrs. Wallace is survived by her husband and one daughter.

Tomorrow morning just at sunrise unless some unexpected delay occurs, Henry Clay Beattie, Jr., the Richmond, Va., wife murderer, will be electrocuted in the Virginia penitentiary. There will also be an execution in the State prison at Raleigh tomorrow. Ross French, an Indian will pay the penalty for murder.

Superior court, which is in session here this week, convened at the regular hour yesterday morning, but owing to the fact that all of the attorneys desired to hear Governor Kitchin's speech and attend the aeroplane flight and foot ball game, the court took a recess until this morning. Today a noon memorial exercises in memory of the late Chas. C. Clark will be held at the court house by the New Bern bar.

FRIDAY.

It is hoped that every pastor who can possibly do so will let us have the notes of his church services for Sunday sometime during today. This will aid us greatly and will be appreciated.

VISITORS RETURN TO THEIR HOMES

Hundreds Who Attended Craven County's Big Agricultural and Stock Exhibit and Aviation Meet Have Left.

After spending two days, which were filled with interest and amusement in New Bern, hundreds of visitors who arrived here Wednesday morning for the purpose of "taking in" the big Agricultural and Stock Exhibit and Aviation Meet, yesterday afternoon returned to their homes in different sections of the county.

Never before in the history of Craven county has there been so much interest manifested by the country people as there has been in the event just closed. From the very first they took hold and did all in their power to assist in making it a complete success and the result on Wednesday and Thursday shows that they succeeded remarkably well. There was not a section of the county that was not represented here on those two days and in many cases practically the entire population of some communities were in attendance.

Everything possible was done for the comfort of the visitors and to let them have a good time while in the city, and judging from all that could be learned, each and every one of them thoroughly enjoyed their visit to the Agricultural and Stock Exhibit and Aviation Meet.

At some time within the near future the people of New Bern hope to be able to have them attend a real modern fair, one which will eclipse those held here in former years and which were the pride of the whole of eastern North Carolina.

The official report of the secret sitting of the Reichstag on November 17, when the German Foreign Minister reported on Anglo-German relations as affected by the Moroccan dispute, was published in Berlin.

Notices brought in later than noon tomorrow will not appear in Sunday's issue of the Journal.

Despite the fact that the police yesterday made every possible effort to capture the pickpocket who on the previous day relieved a number of visitors of their cash, they failed to land him. There is not the least doubt but that the man is a professional at the business and the police regret that he escaped them.

SAID SHE WOULD FAINT

Mrs. Della Long Unable to Stand On Her Feet More Than a Few Minutes at a Time.

Pendergrass, Ga.—Mrs. Della Long, of this place, in a recent letter, says: "For five or six years, I suffered agonies with womanly troubles. Often, I couldn't sit up more than a few minutes at a time, and if I stood on my feet long, I would faint. I took Cardui, and it helped me immediately. Now, I can do my work all the time, and don't suffer like I did."

"Take Cardui when you feel ill in any way—weak, tired, miserable, or under the weather. Cardui is a strength-building tonic medicine for women. It has been found to relieve pain and distress caused by womanly troubles, and is an excellent medicine to have on hand at all times."

Cardui acts on the womanly constitution, building up womanly strength, toning up the nerves, and regulating the womanly organs.

Its half century of success is due to merit. It has done good to thousands. Will you try it? It may be just what you need. Ask your druggist about Cardui. He will recommend it.

R. E.—Write for Ladies' Advisory Dept., Complete Home Care, Cardui, Inc., 100 Broadway, New York, N. Y. Send 10c for "How to Take Cardui," sent in plain wrapper, no receipt.

BRIDGETON TAX NOTICE

The books for the payment of taxes for 1911 for the town of Bridgeton are now open and taxes are due. The board of assessors instructed me to have all taxes collected by January 1st 1912. Tax payers are requested to help me carry out this order by paying promptly.

T. W. MOORE,
Tax Collector.

THE LODGE OF SORROW

Local Elks Will Pay Tribute To Memorial of Departed Brothers.

At the Athens Theatre Sunday afternoon, December 3rd, the New Bern Lodge of the Benevolent Protective Order of Elks, will hold its annual Lodge of Sorrow and fittingly and appropriately pay tribute to the memory of those members of the order who have gone to their reward during the past year and who have died since the establishment of the fraternity.

The exercises will be beautifully solemn and impressive and will be in accordance with the ritual of the order. The oration will be delivered by Hon. R. H. Sykes, Judge of the Recorder's Court of Durham, N. C. and past Exalter Ruler of Durham Lodge No. 568. The order of the exercises will be as follows:

Musical Selection by the Italian Orchestra followed by a vocal selection. Remarks by Exalter Ruler William Dunn, Jr. Invocation by Rev. J. B. Hurley. Vocal Selection. Lodge Ceremonies. Prayer by Chaplain Rev. Father Francis Gallagher. Vocal and Instrumental selections. Introduction of the orator by Past Exalter Ruler C. D. Bradham. Address—Judge Robt. H. Sykes. Vocal selection. Eulogy of the Departed—by H. A. Merfeld. Closing Ceremonies by the Lodge, followed by vocal and instrumental selections. Benediction by Rev. B. F. Huske. Mr. Chas. T. Pamphrey has been in charge of the arrangement of the musical program which promises to be of the finest order.

At the memorial service the following officers of the lodge will serve in their various capacities: Exalter Ruler, Wm Dunn, Jr.; Esteemed Leading Knight, Rev. H. A. Merfeld; Esteemed Loyal Knight, Douglas Creech; Esteemed Lecturing Knight, Wm. W. Griffin; Esquire, Albert T. Willis; Chaplain, Rev. Father Gallagher; Secretary, T. B. Kehoe; Treasurer, H. B. Smith; Inner Guard, Jack A. Street; Tyler, Daniel G. Smaw.

The Elks Lodge of Sorrow is one of the most beautiful memorial rituals that prevail in any of the fraternal organizations and the custom of pausing on this day to look back and remember the departed Brothers is a almost worthy one.

War Declared

Catarrh Germs Must be Conquered or Health Will be Destroyed.

If you have catarrh you must vanquish an army of persistent, destructive microbes before you can get rid of it.

You might as well choose your weapons, declare war and annihilate this army of catarrh germs right now.

Stomach doing won't kill them; neither will sprays or douches.

HYOMEI, a pleasant, antiseptic, germ destroying air breathed over the entire membrane will put catarrh germs out of business in short order.

HYOMEI (pronounce it High-o-me) is guaranteed by Bradshaw Drug Co. to end catarrh, asthma, bronchitis, colds, coughs and croup or money back. If you own a little HYOMEI hard rubber pocket inhaler you can get a separate bottle of HYOMEI for only 50 cents. If you haven't an inhaler buy a complete outfit that only costs \$1.00.

Another attempted outrage by a negro upon a white woman occurred at Coatesville, Pa.

Ten jurors were secured in the McMahon case in Philadelphia.

The man that wrote the song "The Same Thing Over Again" must have been a "cotton dopest." Surely he knew all about this kind of cotton market.

Saturday the census report on supply and distribution for the first 2 months of the season, is to be issued, and may throw some light on the situation. At present a drifting policy is in vogue. The trade generally is of the opinion that cotton will seek a much lower level.

Kellogg, Durland, author and social worker, recently committed suicide in Boston.

RIVER AND HARBOR IMPROVEMENTS

Thirty Millions Asked in Appropriations. What Goes to North Carolina.

Washington, Nov. 23.—Estimates for continuing the work of river and harbor improvements throughout the country, made public at the War Department today and covering the fiscal year ending June 30th, 1912, show a strict adherence to the new administration policy of asking Congress to appropriate only for those improvements which have received the approval of the Army Corps of Engineers after the most thorough investigation.

No new projects of any great importance are provided for in the estimates and unless Congress takes the bit in its teeth and disregards the recommendations of General W. H. Bisby, chief of engineers, the "pork barrel" method of river and harbor work will have been eliminated for a second year.

The appropriations asked for aggregate \$29,628,698 as against \$30,095,698 for the current year. The estimates will be sent to Congress by the Secretary of the Treasury, and President Taft in his message will urge that they be strictly adhered to.

The following are for North Carolina:—Scuppernon river, \$2,000; Shallowbag Bay \$1,000; Fishing Creek tributary of Tar river 6,000; Bay river \$1,000; Contentnea Creek \$2,000; Neuse and Trent rivers \$10,000; Swift Creek \$500; Pamlico Sound, Beaufort Inlet Waterway \$2,000; Beaufort harbor \$5,000; Beaufort Inlet \$10,000; Morehead City harbor \$1,000; New river, including inland waterways between Beaufort harbor and New river and between New river and Swansboro \$7,500; Northeast and Black rivers and Cape Fear river above Wilmington \$12,000; Cape Fear river above Wilmington, (locks and dams), \$50,000.
