

Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength.

TAKE CARDUI The Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardui. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardui helped me. Now, I am entirely cured of the fainting spells, and I cannot say enough for Cardui, for I know it saved my life." It is the best tonic for women. Do you suffer from any of the pains peculiar to women? Take Cardui. It will help you. Ask your druggist.

Summer round trip rates to Beaufort and Morehead City are now in effect over the Norfolk-Southern railroad. Spend a day at the seashore at a small cost.

Deputy Sheriff W. L. Gillikin, of North Harlowe, was among the visitors to the city yesterday. Mr. Gillikin brought to New Bern and turned over to the sheriff a negro named Simon Loach who was wanted by the local authorities on a charge of burglary. The negro was captured at that place last Sunday afternoon.

Another electrocution will be held Friday of this week at the State's Prison when George Wilkins, of Nash County, will pay the death penalty for the willful and foul murder of his wife. It will make the thirteenth electrocution since the installation of the chair. Wilkins was convicted of the foul crime and his counsel appealed to the Supreme Court, which affirmed the decision of the lower court, and Governor Kitchen then sentenced prisoner to die next Friday.

Rapid progress is being made by the workmen engaged in rebuilding the Rountree building on Pollock street. The contractors hope to have it in readiness for occupancy by June 15th.

Cabbage sold here yesterday at 60 cents a crate. This is rather a low price, but the northern quotations were so low that the owners were afraid to risk shipping them to northern markets.

On account of the National Memorial Day exercises at New Bern May 30th, the Norfolk-Southern will sell round trip tickets on that date at approximately a one way fare plus 25 cents from all stations on their line.

Henry Foy, colored, was placed under arrest yesterday afternoon on a warrant sworn out by Nuncy Williams, also colored, charging him with attempting a criminal assault upon her. Foy will be given a hearing today.

The authorities of Kinston are hot after two arsonists who came to that town to solicit money for some supposed religious cause. They say that they are a couple of frauds. The same fellows visited New Bern several days ago and departed with a considerable amount of cash.

The New Bern Garage Co., received yesterday another car load of Buck automobiles and they were quickly disposed of. Dr. Gibbs was the purchaser of Model 28 Roadster and Capt. Jesse Lanier a four passenger touring car, Model 36. They also have another car load in transit that they expect in a few days, all being ready sold to customers.

The revenue officers are keeping a watchful eye on this section just at this time. Deputy Marshall Lilly was in the city yesterday and he informed the writer that violations of the Internal Revenue law in and around New Bern were very few. The number of such cases on the docket at the last term of

TWENTY YEARS

Makes a great difference in most women. They are troubled with "nerves" - they suffer from backache, headache, sleeplessness, a sensation of irritability or trembling, hot flashes, dizzy spells, or many other symptoms of female weakness. The head disorders and infirmities should be treated with Dr. Pierce's Lotion Tablets and the irregularity and weakness of the female system corrected and strengthened with Dr. Pierce's Favorite Prescription. The strain upon the young women or the women of middle age - upon the nerve and blood forming structures - may be too great for her strength. This is the time to take this restorative tonic and strength-giving medicine. For over forty years sold by druggists for women's peculiar weaknesses and distressing ailments. The one remedy so perfect in composition and so good in its effects as to warrant its recommendation to women in every condition of health. It is the only medicine that restores to women their health and vitality. It is the only medicine that restores to women their health and vitality. It is the only medicine that restores to women their health and vitality.

Following letters selected at random from a large number of similar ones and cited merely to illustrate these remarks: "I have been suffering from nervous prostration for several years. I was unable to do any work, and I was in a constant state of nervousness. I tried many remedies, but nothing helped. I then tried Dr. Pierce's Lotion Tablets, and after taking a few boxes, I began to feel better. I was able to do my work again, and I am now in good health. I am very grateful to Dr. Pierce for his discovery of this wonderful medicine. It has saved my life, and I can never thank him enough for it." - Mrs. J. O. Baxter, New Bern, N. C.

WILL BRING PRATT BACK

Chief of Police W. D. Rouse, of Dover, Will Leave Today For Omaha, Neb., to Take Charge of the Prisoner.

Chief of Police W. D. Rouse, of Dover, one of Sheriff J. W. Biddle's deputies, will leave this morning for Omaha, Neb., to take charge of Harold T. Pratt, the former New Bern insurance agent who committed various offenses here several months ago and left for parts unknown and who was captured in that city Tuesday morning.

It was learned that Pratt refused to return to New Bern without extradition papers and officer Rouse will stop at Raleigh and secure these from the Governor. Several days will be consumed in making the trip and it will doubtless be the latter part of next week before Pratt can be brought to the city.

It is understood that the charges against him will be prosecuted to the full extent of the law.

Senate Refused to Agree on House Omnibus Bill.

Washington, May 23.—Of the 25 North Carolina claims in the Omnibus bill as it passed the House only nine remain in the bill as it was reported to day by the Senate committee on claims. Former New Bern Man Gets New Trial

The following news item will be of interest to many of our readers, Mr. Seward resided here for a few years and was in the employ of Messrs. E. H. & J. A. Meadows.

Raleigh, May 23.—In a batch of 11 opinions handed down by the Supreme Court this evening are two of more than usual interest. One of these is that of R. H. Seward, appellant, against the Seaboard Air Line, from Wake, Seward was discharged by the defendant road after a series of accidents, and the Brotherhood of Locomotive Engineers, to whom he appealed, declined to intercede for him. He made application to three other railroads for employment and these roads asked for his record, he referring them to the Seaboard. The records were furnished, but one of the employees of the road, in writing the record, added, "and will state further that this man is now suing the Seaboard Air Line for personal injury." The Superior court judge, after the testimony had been presented, ordered a nonsuit and the plaintiff appealed. The Supreme court held that the statement of this informant was malicious.

HARMON HAS LARGE MAJORITY

Ohio Governor Gets Practically a Solid Delegation In His State.

Columbus, Ohio, May 23.—According to returns in hand from approximately 4,500 of the 5,912 precincts in the State, Colonel Theodore Roosevelt's delegates to the National R-publican Convention carried Tuesday's Ohio primary by a plurality of about 25,000 votes. It now seems scarcely possible that final results from the primary pool will change the number of district delegates for either side by more than one or two. The best figures available tonight show that Roosevelt has 32 of the 42 district delegates selected yesterday and that President Taft has ten.

Although later returns on the Democratic Presidential preference primary vote gave Woodrow Wilson a fighting chance for one of two more delegates, the New Jersey man's exact standing will not be known for several days when certain belated rural returns have been secured from dilatory judges who refused to complete the counts in their precincts before taking a night's sleep. However, Governor Harmon practically is assured a complete delegation of 48 delegates to the Baltimore convention. His lead now gives him control of the State Democratic Convention, which will select six delegates at large. Also it is said that the convention will provide for the rule which will force the Wilson delegates, selected by district vote, to vote for the Ohio executive.

ANNOUNCEMENT.

Fellow citizens of Jones County. Having been incapacitated for labor for the last seven years, and having spent the most of my substance in trying to regain my health, while yet feeble, I think I could perform the duties of an office as well as any other man who has health and not in need of the office, while giving an office to me would amount almost to charity.

And now therefore, I announce myself as a candidate for the office of County Treasurer and call upon my friends all over the county to come to my support. This will be a small matter for each one, but a great favor to me, and if you will elect me I promise to fill the office as well as any of the applicants.

I ask my fellow citizens to consider my claim, and give me your support. I am yours very truly,
SAMUEL E. HARRIETT.
