YESTERDAY BIG DAY AT GOVE

Four Hundred People Attend Union Sunday School Picnic.

Fully four hundred happy, jolly people participated in the Union Sunday School picnic held yesterday at Cove City. Early in the day the crowd began to arrive and by 11 o'clock the grounds were filled with pleasure seekers. There were many forms of amusement, games, races, etc. Mr. D. E. Henderson, of this city delivered the address of the day in his usual eloquent manner. Following this, dinner was served and it was a dinner long to be remembered by those who partook of the viands. The good housewives of that section had been busily engaged in cooking for all during the week and there was a sufficient quantity to appease the appetites of all. Taken as a whole there has been no more enjoyable event in that section in many years.

War Against "Loan Sharks."

Lawyers engaged to assist poor people in New York who had been in the clutches of the "loan sharks," have reported that their clients took an aggregate of \$8,299.60 in loans, on which they were to pay \$3,744.71 in interest in three months. The lawyers in most cases were able to persuade the loan companies to continue the loans at the rate of 6 per cent annually. The loans had generally been obtained to pay doctors' bills or funeral expenses.

Wash All Dishes Under Table.

A doctor's wife just come in Paris from Annam, where she was attached to a branch of the Pasteur Institute, relates that servants in that country have the curious habit of washing all dishes under the table, never on top.

As increasing number of people report regularly of the satisfactory results from taking Foley Kidney Pills and command their healing and curative qualities, Foley Kidney Pills are a carefully prepared medicine, guaranteed to contain no harmful or habit forming drugs. They can have only a beneficial effect when used for kidney and bladder troubles, for backache, rheumatism, weak back or lumbago.—For sale by all dealers.

Christmas in France.

Christmas in France is not a special day for family meetings and merry-making. It is essentially a religious festival.

In these days of high cost of living, a medicine that gets a man up out of bed and able to work in a few days is a valuable and welcome remedy. John Heath, Michigan Bar, Cal., had kidney and bladder trouble, was confined to his bed, unable to turn without help. "I commenced using Foley Kidney Pills and can truly say I was relieved at once." His example is worth following.—For sale by all dealers.

Good deeds always speak for themselves—if they call for valuable real estate.

Keep your mouth shut; you can never tell when the microbes are swarming.

George L. Higbie, Manton, Mich., used Foley Kidney Pills for kidney and bladder trouble. He says: "I find for my case no other medicine equals Foley Kidney Pills for beneficial effect. They are a safe and reliable medicine for kidney trouble and rheumatism. Contain no harmful drugs. For sale by all dealers."

Know Thyself!

If you want to know how to account for yourself, study the characters of your relations. . . . You wonder at the eccentricities of this or that connection of your own. Watch yourself, and you will find impulses which, but for the restraints you put upon them, would make you do the same foolish things which you laugh at in that cousin of yours.—O. W. Holmes.

If hubby is old and ugly and wife is young and beautiful, it's a sure sign that he has more dollars than sense.

Foley Kidney Pills are a uric solvent and are effective for the various forms of rheumatism.

A HERO IN A LIGHTHOUSE.

For years J. S. Donahue, So. Haven, Mich., a civil-war captain, as a lighthouse keeper, averted awful wreck, but a queer fact is he might have been a wreck himself, if Electric Bitters had not prevented. "They cured me of kidney trouble and chills," he writes "after I had taken other so called cures for years without benefit and they also improved my sight. Now at seventy, I am feeling fine." For dyspepsia, indigestion, all stomach, liver and kidney troubles, they are without equal. Try them. Only 50 cents at all druggists.

Actual Salesmanship.

A man may make \$25 a day in his regular business, and not think much about it, but he always feels like a leading financier when he sells the old bottles in the cellar for 47 cents.—Ohio State Journal.

N. J. Gorham, Cashier Bank of Woodville, Woodville, Ga., had a very severe attack of kidney trouble and the pains in his kidneys and back were terrible. Messrs E. J. Lind Printing Co., City, Gentlemen:—I wish to congratulate you upon the acquisition of the New Bern Journal and to offer my best wishes for a successful issue.

I am a firm believer in newspaper advertising, having run continuously for five years, since I began the insurance and real estate business an advertisement in the Journal and feel that "value received" has been given in full. Assuring you of my co-operation and with kind regards

Very truly yours,

BOYD TALKS FACTS.

Over a million a day in death claims paid by life insurance companies in the United States last year. Only \$10,000 paid daily in North Carolina.

The ex insurance commissioner of New York recently retired, after long service, commenting in a recent address upon the policy conditions among good companies being practically the same, stated that "Dividends and net costs are words of portent and suggestion in these times. The competition of the future will, in my judgement, turn largely on cost. Unless present signers wrongly set, this decade in life insurance will be one of so called dividends. Prestige and service will help, but the fittest to survive in the long, hard race will be the company whose dividends are largest when measured against the same premium."

The UNION CENTRAL LIFE owing to its high rate of interest and (higher than any other company for 21 years) its low mortality and economical management, is known everywhere as the "BIG DIVIDEND COMPANY" and stands No. 1 among leading companies for LOW NET COST life insurance. If interested advise age and occupation without obligation to insure.

Just a Mere Trifle.

A. B. Fowler of Watertown, N. Y., was petting a prize white Leghorn hen at the Allentown (Pa.) poultry show, when she began pecking at his shirt front. In a few minutes she had loosened and swallowed his valuable diamond. He declined to allow the owner to kill her, saying he had lots of diamonds at home.

HAVE HIGHEST RECOMMENDATION

G. A. Davis, 827 Washington St., Connorsville, Ind., in his 85th year. He writes me: "I have lately suffered much from my kidneys and bladder. I had never backache and my kidney action was so frayed, causing me to lose much sleep at night, and in my bladder there was constant pain. I took Foley Kidney Pills for some time and am now free of all trouble and am able to get up and around. To my Kidney Pills have my best recommendation."

Quick Fattening of Poultry.

It is often desirable to fatten poultry quickly. In fact, poultry that is fattened as quickly as possible is always better than that which is lean or that has been fattened slowly. The best way to accomplish this is to confine the fowls where they have but little chance to take exercise. Give them fine cracked corn, grit and all the pure water they will drink. Keep them as quiet as possible, and for this purpose it is better to confine them where they cannot see out, if a building of this kind is available. Fed in this way for ten days or two weeks, even old and ordinarily tough hens become tender and very fat, and their meat is so much superior to that of fowls fattened out of doors and having full liberty that it would seem as if they had been changed to something else. One who has once eaten of poultry fattened in this way will never want any other kind.

Prepare for Next Year.

Now is the time to begin preparation for large corn, cotton, tobacco, cane and other crops next year. Drain the land, build strong embankments on the hillsides with the proper fall, take care of the manure, make good soil, plow under all the stalks, grass, trash and so on from 15 to 25 inches deep.

The uses of a mother-in-law are too often less than her abuses.

Summer colds are hard to get rid of, and frequently lead to asthma, bronchitis, and hay fever. Do not let your cold get a hold on you, but use Foley's Honey and Tar Compound for quick relief. W. H. Contains no opiates. For sale by all dealers."

Children Cry FOR FLETCHER'S CASTORIA

It's a shame to spill milk, but it is not a crying shame.

If you are a housewife, you cannot reasonably hope to be healthy or beautiful by washing dishes, sweeping and doing housework all day, and crawling into bed dead tired at night. You must get out into the open air and sunlight. If you do this every day and keep your bowels in good order by taking Chamberlain's Tablets when needed, you should become both healthy and beautiful.
