WILL GIVE "THE MIKADO" ON DEC 9

Students of The Teachers Training School Rehearse For Notable Event.

FIFTY IN THE CHORUSES

Lanier and Poe Literary Societies Making Extensive Plans For Year's Work.
Greenville, N. C., Nov. 15.—The literary societies have been rehearsing all the fall on The Mikado, an opera, to be given Dec. 9th. Miss Muffy, the expert coach, is putting forth her best efforts on both the dramatic and singing features. The costumes will be furnished by a professional costumer and the Japanese setting will be effectively reproduced in the stage arrangements. There is much enthusiasm and practically the whole school is at work. There are fifty in the choruses. The school has established a high standard of public entertainment. This promises to be the best thing it has yet done.

The Lanier and Poe Literary Societies are making interesting and extensive plans for the year's work that will be valuable training to the members in developing initiative and team work.

The classes have organized and elected officers and advisors. Pres. Wright attended the last meeting of the Wayne County Teachers Association and made a talk on Teacher Training. He brought back good reports of the Teachers Training School girls who are teaching in that county.

At the Pitt County Fair held this week the school takes part in the Educational Day.

Miss Porter, Students' Secretary of the Young Women's Christian Association, in a recent visit to the school, made arrangements for the Students' Council of the Y. M. C. A. in this territory to meet here at some time during the winter.

Different members of the faculty and ministers from the town of Greenville have been conducting the Sunday evening Y. W. C. A. services. These services are well attended and the music is always good.

There are two Mission and two Bible study classes that are doing good work. Dr. R. T. Vann, president of Meredith College, on Monday evening, Nov. 11th, delivered an address on the Dignity of the Calling of Teaching. He treated his theme in an easy, informal manner that made the non-teacher element in the audience feel it was for them as much as for the prospective teachers.

It is the purpose of the school authorities to give the students each year an opportunity to hear the leaders in the educational thought of the State.

VINCENT ASTOR OF AGE

Comes Into Possession of Fortune of Many Millions.
New York, Nov. 15.—William Vincent Astor today took his place with the richest men in the world.

Today he became 21, and under the provisions of his grandfather's and his father's wills comes into possession of the Astor Estate, valued at upward of \$100,000,000.

For the purpose of the inheritance tax however, the estate is valued at \$67,000,000, giving a payment of \$3,150,000 to New York. At least, a return for that amount has already been made by the executors to the State Comptroller.

William Vincent Astor's guardianship period expires today, but absolute secrecy is maintained regarding his plans.

Just now he is under the wing of his mother, Mrs. John Astor, divorced wife of the dead Colonel, and it is expected she will see to his introduction to society as well as business.

Young Astor appears to be making preparations to take a big interest in the management of his affairs. Although he was a freshman at Harvard, and would have been compelled to do extra work in order to make the sophomore class, owing to the fact that he lost time last April, when his father was drowned, he is not at Harvard this year.

Miss Wilson is the oldest daughter of Governor Wilson and he has expressed the wish that she come to Washington after his inauguration to assist her mother in the social life of the White House. Miss Wilson lives with a girl friend in a modest apartment near Ninth avenue and Fifth street.

"It is hard for me to give up my singing, but I must," she said. "There is no daddy in the world like mine, and when he says he wants me with him, I must go. If my voice holds out after the four years are up, I hope to resume my studies."

JOKES WHILE KNIFE CUTS

Beaver Falls, Pa., Nov. 14.—While surgeons curved and sewed at his feet during an operation at the Providence Hospital today J. T. Mecklin, pure food inspector of Ellwood City, lay on the table and jested with those around him. For some time Mecklin has been afflicted with a disease of the veins in his feet and the ailment had become so serious that an operation was decided on. When the surgeons were ready to begin the operation Mecklin refused to take an anesthetic.

It is painful to think of the shocking waste of mathematics and legal lore caused by Colonel Harvey's discovery that the election might devolve upon Congress.

Chicago, Ill., Nov. 16.—Jack Johnson, negro pugilist, was released from jail yesterday. Bail aggregating \$69,000 was proffered and accepted by United States District Attorney Wilker son as satisfactory.

PENSIONS FOR W. U. EMPLOYEES

Company Announces Innovation in Connection With Relations To Employees.

TO GO INTO EFFECT ON JAN. 1

Pension of One Per Cent of Salary Per Year for Ten Years Will Be Allowed.
The manager of the Western Union Telegraph Company has received notice that beginning January 1, 1913, the company will adopt a liberal pension plan for the benefit of its army of workers.

Briefly the plan provides for a pension of one per cent of the annual average pay during the ten years preceding retirement, for each year of continuous service, no pension being less than twenty dollars.

Old employees are retired upon application or at the discretion of the company, female employees at an age five less than the male, according to the length of service.

The plan is to allow full pay for disability incurred in or out of service for a liberal term, according to the length of service of the employes.

All employes having dependent relatives will be entitled to life insurance in varying amounts, according to their length of service and other considerations, the maximum being five thousand dollars, such insurance being paid to the dependent relatives left by the employe. The plan discloses a broad and liberal concern for the telegraph employes by the company which must result in a better satisfied and more loyal spirit to the company.

HOTEL MAN ARRESTED

Richmond Manager Accused of Stealing From Proprietor.
Baltimore, Nov. 15.—Fredrick Lee Tripp, 28 years old, manager of the Guerrant Hotel, Richmond, Va., was arrested last night by Detective Miller and locked up at the Central Police Station on the charge of the larceny of a large sum of money from Arthur Arrington, proprietor of the hotel.

Detective Captain McGovern received a telegram yesterday to arrest the young man, who, it was believed, would come to Baltimore. He had been traced to Washington from Richmond by a drug salesman, who is a friend of the proprietor of the hotel.

Last night Miller, in searching the hotels, went to the Westminster, Fayette and Paca streets, and he saw Tripp sitting on a divan. He was placed under arrest and taken to police headquarters.

Closely questioned by the detective, Tripp admitted he was short in his account at the hotel, but said the amount would not be over \$148.

"I intended making the money good," he said, "and I came to Baltimore to get employment so that I could remit part of the indebtedness each week."

Tripp is from Washington, N. C.

MUST GIVE UP AMBITION

Her Father Elected President, She Can't Become Vocal Star.
New York, Nov. 15.—Her ambition of becoming a vocal star blighted by the election of her father to the Presidency, Miss Margaret Wilson, who has been struggling toward operatic success in New York for two years, must give up her music to live four years in the White House.

Miss Wilson is the oldest daughter of Governor Wilson and he has expressed the wish that she come to Washington after his inauguration to assist her mother in the social life of the White House. Miss Wilson lives with a girl friend in a modest apartment near Ninth avenue and Fifth street.

"It is hard for me to give up my singing, but I must," she said. "There is no daddy in the world like mine, and when he says he wants me with him, I must go. If my voice holds out after the four years are up, I hope to resume my studies."

ALL TO MRS. SHERMAN

Will Of Vice-President Disposes Of \$800,000 Estate.
Utica, N. Y., Nov. 14.—The will of the late Vice-President James S. Sherman has been filed for probate at the offices of the Oneida county surrogate, in this city.

The instrument was drawn April 23, 1887, and by one clause bequeaths the entire estate to his widow, Mrs. Carrie B. Sherman. The will was written on foolscap paper in Mr. Sherman's own handwriting. The witnesses were Myron W. Van Auker and H. D. Pitcher, of Utica.

There is nothing to indicate the value of the estate other than that the executor's petition, which states that there is property worth more than \$10,000. However, it is understood the estate will approximate \$800,000 in value.

DAUGHTER KILLS MOTHER

Fired on Her in Sleeping Car, Thinking Her Burglar.
Philadelphia, Nov. 14th.—Mrs. J. Rappe Meyers, wife of the proprietor of the Rappe Hotel, Greensburg, Pa., was shot by her daughter, Gladys Elizabeth Meyers, in mistake for a robber in a sleeping car on a Pennsylvania Railroad train bound for New York yesterday. She died a short time later in a Trenton, N. J., hospital.

The shooting occurred when the train was passing Croyden Pa., just this side of Bristol, Pa., near Trenton.

Miss Meyers, who is about 20 years of age, was on the way to New York to purchase a trousseau for her coming wedding to J. Blair Dillard, of Salem, Va., a druggist. She had a casket of jewels which she was taking to New York to have repaired and matched and when she heard her mother re-entering their section, after Mrs. Meyers had gone for a few minutes to the dressing room, she took her revolver from under her pillow and fired, thinking a burglar was after the gems. She was half awake at the time.

CLAIMS APPENDICITIS CURE

Chicago, Nov. 14.—Cure of appendicitis soon will be commonly effected without an operation, according to Dr. Albert Abrams, of San Francisco, who addressed the first annual convention of the American Association for the Study of Spontaneous Cure here today.

Dr. Abrams said the discovery was made by pressing on a certain vertebrae which had the effect of straightening the sigmoid flexure, a loop in the large intestine.

MR. SUMMERELL TO WED.

Cards are out announcing the marriage on next Wednesday at the Episcopal church, Greenville, N. C., of Mr. Joseph J. Summerell, son of Rev. and Mrs. J. N. H. Summerell of this city, and Miss Lee N. Brown of that place.

Immediately after the ceremony the young couple will leave for a bridal trip to several northern cities. Upon returning they will make their home at Wilson where Mr. Summerell is engaged in business.

MISS GLADYS BARRINGTON.

The death of Miss Gladys Barrington suggests to me the beautiful lines of Robert Burns:
"Here lies a rose, a budding rose—
Blasted before its bloom,
Whose innocence did sweets disclose
Beyond that flowers perfume;
To those who for her loss are grieved
This consolation is given,
She's from a world of woe relieved,
And blooms a rose in heaven!"
A Friend.

MRS. LEGGETT DEAD.

Mrs. Ann Elizabeth Leggett died at the home of her daughter, Mrs. N. M. Farrow who resides on B. street in Bridgeton, yesterday afternoon, aged sixty-four years. The funeral will be conducted from the Methodist church at Bridgeton this afternoon at 2 o'clock by Rev. J. M. Wright and the interment will be made in Cedar Grove cemetery.

When a girl is an heiress, it's a sign she'll never have to frib about how many men ask her to marry them.

After a man once holds public office he is hardly ever again willing to waste the time necessary for earning a living by working.

No man ever assumes the pose of a political reformer as long as he is in office.
