HER FRIEND'S GOOD ADVICE

The Results Made This Newburg Lady Glad She Followed Suggestion.

Newburg, Ala.—"For more than a year," writes Myrtle Cothrum, of this place, "I suffered with terrible pains in my back and head. I had a sallow complexion, and my face was covered with pimples. Our family doctor only gave me temporary relief.

A friend of mine advised me to try Cardui, so I began taking it, at once, and with the best results, for I was cured after taking two bottles. My mother and my aunt have also used Cardui and were greatly benefited. I shall always praise Cardui to sick and suffering women."

Cardui is a purely vegetable, perfectly harmless, tonic remedy for women, and will benefit young and old. Its ingredients are mild herbs, having a gentle, tonic effect, on the womanly constitution.

Cardui has helped a million women back to health and strength. Have you tried it? If not, please do. It may be just what you need.

LEGISLATIVE BODY MAY TAKE LOOK INTO GARMENT STRIKE

Washington, Jan. 24—A Congressional inquiry into the conditions which have led up to the great strike of the garment workers in New York may be demanded within a few days if information which Representative Victor Berger received from the strike leaders is as important as he has been led to believe.

"This may develop into a remarkable expose of industrial conditions as those encountered in the Lawrence strike investigation," said Berger. "I am not yet certain, but if the data which I have sent for is what it has been declared to be, I shall ask for a hearing of the evidence by a House committee. If such a hearing is authorized, the economic facts which have brought about this struggle will be revealed. The public will be shown exactly why it is that 200,000 working women in New York are striking—the industrial conditions which are responsible."

The information which Berger is seeking is regarding the reported "speeding up" of the labor woman and girls in the garment factories in order that they shall be made to compete with the sweatshops in cheapness of production; exact evidence of the alleged insanitary conditions under which workers are employed and the rate of pay which the women employes receive for their long hours of labor.

Berger has waited until the issuance of an injunction against picketing, in the belief that the "labor group" in the House might prefer to press the Congressional inquiry. President Gompers of the American Federation of Labor has been personally advising strikers, but has returned here.

WOMEN

Throughout the many stages of woman's life, from girlhood, through the ordeals of motherhood to the declining years, there is no safer or more reliable medicine. Chamberlain's Tablets are sold everywhere at 25c a box.

ENDS HUNT FOR RICH GIRL.

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, stitching and dizzy spells they promote. Every where they are women's favorite remedy. If weak or ailing try them. 50c at all druggists.

HOLD INAUGURAL BALL ALL RIGHT

COLORED FOLK NOT DETERRED BY STAND TAKEN BY GOVERNOR WILSON.

Washington, Jan. 15.—There will be an "inaugural ball" in Washington. It will not be a part of the ceremonies incident to the induction into office of President Wilson.

It will be held at Convention Hall, the largest building of its kind in Washington, and in charge of it will be the National Negro Woodrow Wilson League, of Richmond, Va. Tickets will cost \$2.50, and nobody will be admitted without that piece of paste-board.

Giles B. Jackson, a former negro bank president of Richmond, director of the negro exhibit at the Jamestown Exposition and later promoter of the negro "Coney Island of the South," at Pina Beach, Va., is the man behind the ball.

The capacity of the hall is 6,000 and from the way the tickets are going among the negroes in Washington and Richmond it looks that an overflow ball on the asphalt outside may be necessary.

QUICK RELIEF FOR RHEUMATISM.

George W. Koons, Lawton, Mich., says: "Dr. Detlefon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast."

MAN COUGHS AND BREAKS RIBS

After a frightful coughing spell a man in Neenah, Wis., felt terrible pains in his side and his doctor found two ribs had been broken. What agony Dr. King's New Discovery would have saved him. A few teaspoonfuls ends a late cough, while persistent use roots out chronic coughs, expels stubborn colds or heals weak, sore lungs. "I feel sure it's a God-send to humanity," writes Mrs. Effie Morton, Columbia Mo. "For I believe I would have consumed to-day had I not used this great remedy." Its guaranteed to satisfy, and you can get a free trial bottle or 50-cent or \$1.00 size at all druggists.

says a policeman to a street crowd, and whacks heads if it don't. "Move on now," says the big, harsh mineral pills to bowel congestion and suffering follows.
