

**Don't Look Old Before Your Time**

WOMAN'S delicate system requires more than ordinary care and attention—more care and attention than it is given by the average woman. Neglect it and ill soon creep in, and the look of old age, sometimes quickly, sometimes gradually follows.

That backache, so common among women, brings with it the sunken chest, the sagging shoulders, the crow's-feet, and soon the youthful body is no more youthful in appearance—and all because of lack of attention.

There is no reason why you should be so unfortunate, when you have at your disposal a remedy such as Dr. Pierce's Favorite Prescription—recommended for over 40 years as a remedy for ailments peculiar to women. We have thousands upon thousands of testimonials on file—the accumulation of 40 years—testifying to its effectiveness. With this medicine no ailment is to be feared in this famous prescription. **LIVED ON RAW EGGS**

**Mr. Richard's Experience With Different Diets, Peaches and Buttermilk for Three Years.**

Cecilton, Md.—Mr. George Richards, of this place, during the past 12 years, has probably tried more different diets than the average person would ever use in a lifetime.

What he has to say about his experiences, must therefore be highly interesting to anyone suffering from indigestion or stomach troubles of any kind.

He says: "For more than 12 years, I suffered with stomach troubles, and paid hundreds of dollars for doctor bills and medicines. I was also operated on for piles.

I lived on dried peaches and buttermilk for nearly three years. The only thing that would not give me pain was raw eggs.

I was a physical wreck. I could not sleep, and was as near crazy as a man could well be.

I must say that after taking two 25-cent packages of Theodore's Black-Draught, I did me more good than all I ever spent for other medicines.

I have been working daily on the farm ever since, and I am as hard as iron. This purely vegetable remedy has been in successful use for more than 70 years.

Try it. But be sure that it's "Theodore's."

**WHY USE L. & M. SEMI-MIXED REAL PINT**

Because it's economical. Because it is pure White Lead, Zinc and Linseed Oil. Because it's the highest grade quality paint that can be made.

Because when the user adds 3 Quarts of Oil to each gallon of the L. & M. Semi-Mixed Real Paint, it makes 4-34 gallons of pure paint at a cost of about \$1.40 per gallon.

This saves the user about 60 cents a gallon on all paint used. The L. & M. is and has always been the highest grade and most perfect paint produced.

The accident occurred at the corner of Broad and Craven streets and many who saw the affair thought that the victim had been fatally injured. He was taken to a physician's office and given medical attention and later taken to his home. Although painful his injuries are not thought to be serious.

**CAR BUMPS DRAY**

**Mule Gets Frightened and Exciting Collision Results.**

Street Car, No. 4 of the New Bern Ghent Street Railway Company and a dray belonging to Munger & Bennett collided yesterday morning on Pollock street between George and Burn as a result of the fright of the mule attached to the dray.

The mule appeared to be entirely reconciled to the approach of the car and was plodding along in easy-going mule fashion, in the portion of the street between the car tracks and the curb, when all of a sudden he gave a start, wheeled towards the curb, as if intending to take to the sidewalk to get out of the way of the car, and then, with equal suddenness, backed the dray on the track in front of the street car.

There was a resounding crash as the dray was bowled off the track. The fender of the car was damaged and its front bruised and scarred. The dray was not damaged, nor was the mule injured. The driver jumped before the crash came.

**BANKER'S WIFE WANTS \$50,000**

Society Leader Asks Divorce and Also Allowance For Self and Daughter.

**HENRY W. TAFT IS GOUNSEL**  
First Time In Years That He Has Appeared In Court In Matrimonial Action.

New York, Feb. 1.—Temporary alimony amounting \$50,000 a year and the custody of her five daughters was asked of Supreme Court Justice Hendrix by Mrs. Abigail H. Bishop, the society leader, who created a sensation this month in New York, Newport and Washington fashionable circles by bringing suit against her husband, James Cunningham Bishop, the banker, for an absolute divorce and naming Mrs. J. Temple Gwathmey, a beautiful young society matron, as co-respondent.

For her own maintenance and support Mrs. Bishop requested \$25,000, and with about \$5,000 a year for each of their five daughters to be expended for their education and dress, the total amount, according to affidavits accompanying the motion papers, will reach several thousand more than the record award of some \$32,000 a year to Mrs. Howard Gould.

Contrary to the usual alimony motion which ordinarily leaves the amount of an allowance within the discretion of the Court, Mrs. Bishop, through her lawyer Louis N. Posner, has submitted the matter to Justice Hendrix in the form of an order calling upon the banker to show cause why he should not pay the amount she demanded.

Henry W. Taft, the President's brother, appeared as counsel for the banker. It was the first time in a number of years, it was said today, that Mr. Taft has appeared in court in a matrimonial action.

Besides the motion for alimony, there was submitted for the private perusal of the Court an affidavit sworn to by one of her husband's mistresses whom Mrs. Bishop proposes to call to prove her charges of her husband's fondness for the company of Mrs. Gwathmey. Efforts were made by lawyers on both sides to keep the contents of the document from the public.

The incidents described by the deponent, who was engaged to observe Mr. Bishop's conduct, were disclosed in much detail to Justice Hendrix for the basis of informing his mind as to the basis and property of Mrs. Bishop's divorce action.

Financial reports and commercial ratings also were submitted to support Mrs. Bishop's contention that her husband is worth \$2,000,000 and entirely competent to pay \$50,000 a year. Notice of appearance has been filed for Mrs. Gwathmey by her attorneys, O'Gorman, Battle & Marshall, of which firm United States Senator O'Gorman is senior member.

By sending the case to a referee the lawyers expect to protect the reputations of the parties involved, and to this move it is said that Mrs. Bishop while she deeply resented the publicity given her unfortunate marital affairs when her husband "posted" her in the newspapers, is willing to agree for the sake of her children.

Mrs. Gwathmey is the wife of a former president of the New York Stock Exchange.

Lent begins on next Wednesday which is Ash Wednesday. The season of Lent is observed by the Episcopalians and Catholics and continues through a period of forty days until Good Friday, one day before Easter which this year falls on March 23.

Doan's Kidney Pills, procured at the Bradham Drug Co., removed the lameness and pain and improved my condition in every way." (Statement given January 25, 1908.)

The old idea that cotton does not need much Potash is hard to eradicate. But the longer Phosphates have been used on the crop the greater becomes the need of them.

**POTASH**

Try a cotton fertilizer with 6 to 8 per cent. Potash and use liberal side dressings of Kainit. It will pay because Potash Pays.

Mix your old style fertilizer with an equal quantity of Kainit.
