FELT BAD ALL THE TIME

Shellhorn Lady Suffered a Great Deal, But is All Right Now.

Shellhorn, Ala.—In a letter from this place, Mrs. Carrie May says: "A short time ago, I commenced to have weak spells and headaches. I felt bad all the time, and soon grew so bad I couldn't stay up. I thought I would die. At last my husband got me a bottle of Cardui, and it helped me; so he got some more. After I had taken the second bottle, I was entirely well. I wish every lady, suffering from womanly trouble, would try Cardui. It is the best medicine I know of. It did me more good than anything I ever used."

Cardui is a woman's tonic—a strengthening medicine for women, made from ingredients that act specifically on the womanly organs, and thus help to build up the womanly constitution to glowing good health.

As a remedy for woman's ills, it has a successful record of over 50 years. Your druggist sells it. Please try it.

LENOIR WILLING TO SELL STOCK

Board Of Commissioners Authorizes Tender of A. & N. C. Holdings To F. C. Duncan.

THE COUNTY OWNS 506 SHARES
Willing to Let Raleigh Man Have These at Price of Seventy-Five Dollars Each.

The Kinston Free Press of Wednesday afternoon says that the Commissioners of Lenoir county have offered to sell E. C. Duncan, the five hundred shares of stock in the Atlantic and North Carolina Railroad owned by the county at \$75 per share, the price offered by Mr. Duncan for the State's holdings of this stock.

The board of commissioners of Lenoir county have authorized Chairman Toll to offer the stock in the Atlantic & North Carolina Railroad held by the county to E. C. Duncan, at \$75 a share. The county owns 506 shares, and if the negotiation for a sale at the figure named are successful, the bonds will be turned over to Duncan for the sum of \$37,950.

It is known that sentiment against the sale exists, but to what extent cannot be yet calculated. The decision of the board to sell was reached without a vote, all the members being in accord as to the advisability of converting the stock into cash. Money is needed for road improvements, it is suggested as the board's reason for desiring to sell, and machinery for work on the highways is a pressing necessity.

The agents of Duncan are known to have been at work in this vicinity recently, and some A. & N. C. stock held by individuals has changed hands at around \$20 a share. The offer by the county to the financier names practically the same figure per share as was offered by him to the State for 12,666 shares owned by the commonwealth, recently. Besides the State's stock, 5,306 shares are owned by corporations and individuals throughout North Carolina, a good block of which including the county's 506 shares, is in Lenoir. The stock is valued at \$109 par.

It is pointed out by those who favor the sale of the bonds that a loan on them could hardly be secured now, and that the present percentage of interest, 3 per cent., or even the ultimate rate of 6 per cent. before the lapsing of the lease of the road to the Norfolk Southern, in 1926, can hardly compensate for the extreme methods of securing needed funds by special taxes or a bond issue.

COURT CONSIDERS BURGLARY CASE

SAMULE GIBBS AND GEORGE TUCKER, COLORED, ACQUITTED OF CHARGE.

Practically the entire session of Craven County Superior Court was yesterday taken up in the disposal of the case of the State vs. Samuel Gibbs and George Tucker, colored, charged with burglary.

The men were charged with entering the home of Benjamin Nelson at Maple Cypress several weeks ago and stealing a number of articles. A large number of witnesses were examined before the case was given to the jury. After being out a short time the jury returned with a verdict of not guilty.

The next case taken up was that of the State vs. Walter Ewell, charged with the larceny of a cow. In this case also a number of witnesses were examined and considerable time was consumed in this manner. Late yesterday afternoon the case was given to the jury and being unable to agree upon a verdict they were locked up for the night.

The Grand Jury yesterday visited the county home and the convict camp, and will probably make their report today.

SAME EVERYWHERE.

The Greensboro Record observes: "From the number of North Carolinians wanting a job under Mr. Wilson it is inferred that these same gentlemen have an idea that they are the only pebbles on the beach."

We suspect that if the truth was known as to the other states as well as it is as to North Carolina it would be found that North Carolina has no more than its fair quota of folks willing to serve the public as employees of the government.

TWELVE YEAR OLD GIRL IS DROWNED

LIFELESS BODY OF ANNIE MCGORE FOUND IN SOUND NEAR SWANSEBORO.

News has reached this city of the drowning last Sunday afternoon near Swanseboro of Annie, the twelve-year-old daughter of Mr. and Mrs. Burns Moore of that place. From the few facts that could be learned in regards to the deplorable accident it seems that the little girl had left home to spend the afternoon with some friends about a mile distant. Failing to return home when darkness began to fall, a search was made for her and late Sunday night her lifeless body was found floating on the surface of the water near an old wharf in Bogue Sound. How she met her death will probably never be known but it is supposed that she sat down on the edge of the wharf for a few minutes rest and in some way fell into the water. Being unable to swim a d no help being at hand she was drowned. The victim of the accident and her parents were well known and the affair has caused a pall of gloom to fall over the entire community.

PAMLICO COUPLE HAPPILY MARRIED

MISS SALLIE WOMBLE OF ARAPAHOE AND MR. LEWIS OF MERRITT WED.

(Special to the Journal)

Arapahoe, Feb. 4.—A very pretty wedding was solemnized at the Christian church at this place last Sunday night when Miss Sallie Womble of Arapahoe became the bride of Daniel Lewis of Merritt.

The bridal party marched into the strains of Mendelssohn's wedding march. Miss Emily Brinson with Clifford Nunn entered the church first, muffing single file up the left and right aisle and meeting at the altar. Next came Miss Lydia Johnson and James Ormond of Stonewall. The last to arrive before the bride and groom were Miss Cassie Bennett and Arthur Jones of Merritt.

The bride and bridegroom marched up the aisles to the altar where they were joined together in the holy bonds of matrimony, G. W. Brinson performing the ceremony.

The church had been beautifully decorated for the occasion and presented a scene of rare loveliness. Miss Womble was one of Arapahoe's most attractive and charming young ladies and a great worker in the church. The groom is an excellent young man and enjoys an enviable reputation in his community.

ORDERS FIGHT TUBERCULOSIS

Over Three Millions Spent Last Year By Fraternal and Other Organizations.

SANATORIA ARE ESTABLISHED

Insurance Companies Also Engaged In Strenuous War Against Disease.

New York, Feb. 6.—About \$6,000,000 was spent last year by fraternal organizations, labor unions and insurance companies in special funds for the treatment of their tuberculous members and policyholders, according to a statement issued today by The National Association for the Study and Prevention of Tuberculosis.

Sanatoria for the care of tuberculous members of such organizations have been established by four fraternal orders, The Royal League at Black Mountain, N. C., the Modern Woodmen of America at Colorado Springs, the Independent Order of Foresters at Rainbow Lake, N. Y., and the Workmen's Circle at Liberty, N. Y. The Loyal Order of Moose have voted to erect a sanatorium and the Order of Owls is considering the project. The Odd Fellows, Elks, Knights of Pythias and Knights of Columbus have all voted unfavorably against national sanatoria but have in each case made some provision for the care of tuberculous members in already existing institutions near their homes.

Among the labor unions, the Printers and the Printing Pressmen are the only two national bodies having tuberculosis sanatoria, the former at Colorado Springs, and the latter at Rogersville, Tennessee. Active propaganda against tuberculosis among their members are carried on also among the Cigarmakers Union, the National Brotherhood of Operative Potters, the Photo-Engravers and several other similar groups. In some of the unions funds are set aside for the care of sick members.

Insurance companies are also engaged in a tuberculosis campaign. The Metropolitan Insurance Company is building a sanatorium at Mt. McGregor, N. Y., and is spending large sums every year in caring for its sick policyholders. The Equitable, Prudential, Postal and several others of the large companies are carrying on active educational campaigns among their policyholders.

THE TRUE TEST.

Tried in New Bern It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in New Bern. Kidney sufferers can hardly ask for stronger proof than the following:

R. A. Henderson, 156 George St., New Bern, N. C., says: "I suffered from a dull pain across my loins, accompanied by an extreme lameness in my back. I also had inflammation of the bladder and the passages of the kidney secretions pained me. Doan's Kidney Pills, procured at the Bradham Drug Co., removed the lameness and pain and improved my condition in every way." (Statement given January 25, 1908.)

NO TROUBLE SINCE. When Mr. Henderson was interviewed recently he said: "I willingly affirm my former endorsement of Doan's Kidney Pills, for I have been free from backache and kidney complaint since I took this remedy. You are welcome to continue the publication of my statement."

For sale by all dealers. Price 50 cts., Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other. (Adv.)
