"Now is a good time for somebody to start a kindergarten, said a gentleman yesterday. The city schools will not take beginners until the facilities are enlarged and these little fellows will have to wait quite a while before being able to begin their education if they are not sent to a private school. I believe that a kindergarten would meet with a liberal patronage from parents with children when the Graded School's cannot accommodate."

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's Cough Remedy is famous for its cures, and is pleasant and safe to take. For sale by all dealers. (Adv.)

She knows that for Croup, Colds, Pneumonia, there is nothing better.

Gowan's is external; it contains no dangerous drugs—it is applied simply by rubbing on—and results are marvelous. Physicians recommend Gowan's, and all who have used Gowan's keep it in the home.

I have been in the retail drug business for twenty-five years, during which time I have sold as well as used quite a lot of different medicines. I must say, however, that Gowan's Preparation is the best remedy I have ever used or sold for the use for which it is recommended. I feel it my duty as well as my pleasure to recommend it.
